

A leading global wealth manager

4Q23 Corporate profile

Why UBS? For more than 160 years, UBS has been guiding clients through a wide range of market opportunities and financial challenges. Time and again, we've been tested and proven resilient, and we believe our clients continue to put their trust in our Financial Advisors and our wealth management expertise to help them achieve their goals. Today, UBS is stronger than ever.

"We are optimistic about our future as we build an even stronger and safer version of UBS."

Sergio P. Ermotti
UBS Group CEO

Strength and stability

Neither UBS Financial Services Inc. nor its employees (including its Financial Advisors) provide tax or legal advice. You should consult with your legal counsel and/or your accountant or tax professional regarding the legal or tax implications of a particular suggestion, strategy or investment, including any estate planning strategies, before you invest or implement.

Important information about brokerage and advisory services.

As a firm providing wealth management services to clients, UBS Financial Services Inc. offers investment advisory services in its capacity as an SEC-registered investment adviser and brokerage services in its capacity as an SEC-registered broker-dealer. Investment advisory services and brokerage services are separate and distinct, differ in material ways and are governed by different laws and separate arrangements. It is important that you understand the ways in which we conduct business, and that you carefully read the agreements and disclosures that we provide to you about the products or services we offer. For more information, please review the client relationship summary provided at ubs.com/relationshipsummary, or ask your UBS Financial Advisor for a copy.

This document contains "forward-looking statements," including, but not limited to, management's outlook for UBS's financial performance and statements relating to the anticipated effect of transactions and strategic initiatives on UBS's business and future development. While these forward-looking statements represent UBS's judgments and expectations concerning the matters described, a number of risks, uncertainties and other important factors could cause actual developments and results to differ materially from UBS's expectations. Additional information about those factors is set forth in documents furnished or filed by UBS with the US Securities and Exchange Commission, including UBS Group AG's financial quarterly reports. UBS is not under any obligation to (and expressly disclaims any obligation to) update or alter its forward-looking statements, whether as a result of new information, future events or otherwise. The information contained in this document is provided solely for information purposes, and is not to be construed as a solicitation of an offer to buy or sell any securities or other financial instruments in Switzerland, the United States or any other jurisdiction. No investment decision relating to securities of or relating to UBS Group AG or its affiliates should be made on the basis of this document. Refer to our quarterly and annual reports for more information. These reports are available at ubs.com/investors. No representation or warranty is made or implied concerning, and UBS assumes no responsibility for, the accuracy, completeness, reliability or comparability of the information contained herein relating to third parties, which is based solely on publicly available information. UBS undertakes no obligation to update the information contained herein.

Wealth management services in the United States are provided by UBS Financial Services Inc., a registered broker-dealer offering securities, trading, brokerage and related products and services.
