

UBS clients in their own words.

“I am keeping a close eye on developments at UBS. As a small Swiss company, we rely on support from a variety of banks. We have placed our confidence in UBS since the earliest days of our existence, and this confidence remains fully intact today. I am proud of UBS’s credit rating, and in my business relationships I am always happy to draw attention to this quality indicator.”

Rudolf Koradi
CEO and partner, PGMM Schweiz AG
UBS client since 2001
