- The fund is suitable for investors seeking a broadly diversified portfolio of CHF bonds issued by Swiss borrowers.

Risks

This UBS index fund invests mainly in CHF bonds of first-class domestic issuers included in the relevant SBI Domestic subindex. Investors require a corresponding risk tolerance and capacity. All investments are subject to market fluctuations. Every fund has specific risks, which can significantly increase under unusual market conditions. As a result, the net asset value of the funds assets is directly dependent on the performance of the underlying index. Losses that could be avoided via active management will not be offset.

Please note that additional fees (e.g. entry or exit fees) may be charged. Please refer to your financial adviser for more details. Investors should read the Key Investor Information Document (KIID), Prospectus and any applicable local offering document prior to investing and to get complete information of the risks. Investors are acquiring units or shares in a fund, and not in a given underlying asset such as building or shares of a company. For a definition of financial terms refer to the glossary available at www.ubs.com/am-glossary.

For marketing and information purposes by UBS. UBS funds under Swiss law. Arrangements for marketing fund units mentioned in this document may be terminated at the initiative of the management company of the fund(s). Prospectuses, key information document, the articles of association or the management regulations as well as annual and semi-annual reports of UBS funds are available in a language required by the local applicable law free of charge from UBS Asset Management Switzerland AG, c/o UBS AG, Bahnhofstrasse 45, 8001 Zürich or from UBS Fund Management (Switzerland) AG, P.O. Box, CH-4002 Basel. Before investing in a product please read the latest prospectus and key information document carefully and thoroughly. Any decision to invest should take into account all the characteristics or objectives of the fund as described in its prospectus, or similar legal documentation. Investors are acquiring units or shares in a fund, and not in a given underlying asset such as building or shares of a company. The information and opinions contained in this document have been compiled or arrived at based upon information obtained from sources believed to be reliable and in good faith, but is not guaranteed as being accurate, nor is it a complete statement or summary of the securities, markets or developments referred to in the document. Members of the UBS Group may have a position in and may make a purchase and / or sale of any of the securities or other financial instruments mentioned in this document. Units of UBS funds mentioned herein may not be eligible for sale in all jurisdictions or to certain categories of investors and may not be offered, sold or delivered in the United States. The information mentioned herein is not intended to be construed as a solicitation or an offer to buy or sell any securities or related financial instruments. Past performance is not a reliable indicator of future results. The calculated performance takes all costs on the fund level into consideration (ongoing costs). The entry and exit costs, which would have a negative impact on the performance, are not taken into consideration. If whole or part of the total costs to be paid is different from your reference currency, the costs may increase or decrease as a result of currency and exchange rate fluctuations. Commissions and costs have a negative impact on the investment and on the expected returns. If the currency of a financial product or financial service is different from your reference currency, the return can increase or decrease as a result of currency and exchange rate fluctuations. This information pays no regard to the specific or future investment objectives, financial or tax situation or particular needs of any specific recipient. Future performance is subject to taxation which depends on the personal situation of each investor and which may change in the future.
