

## **For the distribution period ended 31 December 2014**

### **Notice/Details for the purposes of subsection 12-395(3) of Subdivision 12-H of Schedule 1 of the Taxation Administration Act 1953 ("TAA 1953")**

A Managed Investment Trust ("MIT") that makes a "fund payment" to a recipient not within section 12-410 (e.g. an Australian resident) must make certain details available to such recipients by notice or on a website, to enable them to comply with their own withholding tax or disclosure obligations under Subdivision 12H. This notice is not provided, and should not be relied upon, for any other purpose.

The details noted below constitute those required in accordance with subsection 12-395(3) of Schedule 1 of the Tax Administration Act 1953.

In particular:

1. The part of the total payment received by the recipient (the "fund payment" portion) from which an amount would be withheld (if it was paid directly to a non-resident) includes the components (listed below) marked with a Grouping "D", and is calculated as the sum of the following amounts:
  - a) Australian income – Other income
  - b) Discount capital gain (TARP) - double this amount
  - c) Capital gains – indexation method TARP
  - d) Capital gains – other method TARP
2. The income year of the trust (being a MIT) to which the "fund payment" relates is the year ended 30 June 2015.

Notes:

- A. The amounts of 1(a) to (d) above that constitute the "fund payment" portion of the total payment received by the recipient can be calculated by multiplying the CPU amount for each component by the number of units that the recipient held at the time its entitlement to the distribution was determined.
- B. The net cash distribution and cents per unit for the above funds are confirmed and should not change for this distribution period. The distribution has been determined based on information currently available. The component breakdowns in this document are best estimates at this point in time. We reserve the right to adjust these estimates up to the time of issue of annual tax statements.
