**Notice to shareholders of Credit Suisse Nova (Lux) – UBS Nova (Lux) Global Senior Loan Fund** (the "**Sub-Fund**") **– I-A3 JPY Hedged** (the "**Share Class**") (ISIN: LU3415110207)

The shareholders of the Share Class are hereby informed that the board of directors of the Company (the "Board of Directors") has decided to implement a share consolidation of the Share Class, with effect from 1st October 2026 (the "Effective Date"), on the following basis:

10 existing shares = 1 new share

Accordingly, for every ten shares held immediately before the Effective Date, shareholders will receive one share following the implementation of the consolidation.

This share consolidation will not affect the aggregate value of any shareholder's investment in the Share Class, nor will it alter the shareholder's proportionate economic interest therein. Furthermore, the share consolidation will not result in any change to the investment objective, investment policy or risk profile of the Sub-Fund, and the rights attached to the Share Class will remain unchanged. The number of shares held by each shareholder will be reduced by a factor of ten, while the NAV per share will increase proportionately.

Luxembourg, 1st October 2026
