The **UBS Customer Card** is the key to your bank

You can use it to do your most important banking transactions.

Services

Make cash withdrawals at any time

You can withdraw cash in Swiss francs or euros from any UBS Bancomat, regardless of bank opening hours. You can also check your current balance and the last five transactions on your accounts.

Use the deposit function at UBS Bancomat Plus

At every UBS Bancomat with a deposit function, you can use your UBS Customer Card to pay in banknotes in Swiss francs or euros straight into your account.

Conduct your banking transactions at the UBS Multimat

With UBS Multimat machines, you can pay your bills conveniently or access information about your accounts, including interest rates and prices. You can also make account transfers and manage your standing orders.
