

# Following you abroad

A partner you can **trust** – your Swiss bank for your business in North America

As a highly experienced banker to subsidiaries of Swiss corporate clients in North America, UBS's Swiss Corporate Desk in New York delivers superior service and high-quality solutions customized to your specific local needs.

## Your advantages

### We are close to you

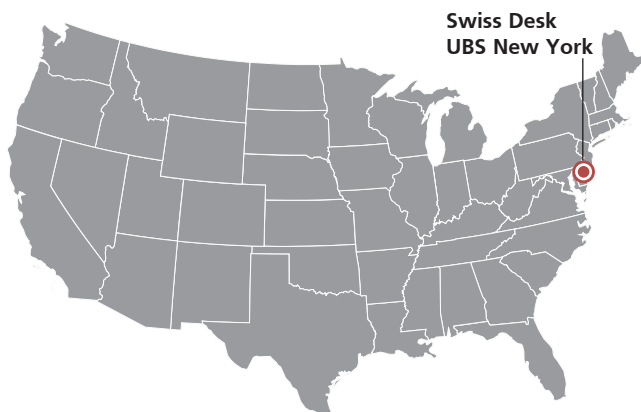

- We speak your language and share your culture and values
- You have direct access to a dedicated corporate client advisor
- You benefit from our expertise in both the Swiss and the North American markets

### We know you

- We are familiar with your parent company's business and management
- We ensure that you have a smooth start to your local banking relationship in North America
- You gain facilitated access to credit, since we can accept guarantees from your parent company

### Comprehensive offering and support

- With the Swiss Corporate Desk in New York as your main point of contact, you are supported locally by UBS's operations across North America
- You have access to our broad product offering and all our global resources, including the vast know-how of our UBS specialists
- UBS's significant presence in the USA means we can offer you excellent opportunities to network with Swiss service providers who are well positioned to meet your needs
