

Welcome on board

Enjoy personalized service taken to new heights –
with customized aircraft financing delivering both
leverage and liquidity

The choice is yours

New or pre-owned, standard or customized – our financing solutions give you the freedom to choose the aircraft you want and need

Your own aircraft will get you faster from A to B, with more flexibility and more comfort. With our vast experience in aviation financing we'll make sure that purchasing or leasing your plane is just as rewarding as flying.

The right financing options for your needs

At UBS, we take the time to ensure that we fully understand your requirements. In every case our proposals are fine-tuned to your wishes and designed to maximize your return on investment. Depending on the jurisdiction involved, you can select from the following types of financing:

- Aircraft Mortgage Loan
- Refinancing
- Aircraft Finance Lease
- Sale and Leaseback

Unparalleled flexibility

A business or private aircraft delivers matchless flexibility when it comes to travel and making the most of your time. We believe that you deserve similar flexibility when financing your aircraft. You will have a choice of short- or long-term instruments denominated in USD or other major currencies. You can also draw on our experience with a wide range of sophisticated onshore or offshore structures using international Single-Purpose Vehicles.

As one of the world's largest wealth managers, we deliver outstanding personalized service and truly tailor-made financing solutions.

Exceptionally fast and efficient service

Our breadth and depth of experience serving clients in different jurisdictions, along with our dedication to providing the highest levels of service, ensure a uniquely fast and streamlined process for financing your aircraft. No matter how complex your personalized financing solution, you can rely on our know-how and networks to expedite your transaction at the highest professional standards.

Earn as you fly

Keep your assets constantly working in your investment portfolio – whether your aircraft is on the ground or in the air

Our customized financing solution for your private or business aircraft will be structured to allow you to fully benefit both from leverage and liquidity.

Extensive aviation expertise

The expertise of our global team extends over a wide variety of new and pre-owned corporate aircraft, including those made by manufacturers such as Airbus, Boeing, Bombardier, Cessna, Dassault, Embraer and Gulfstream. Thanks to our very high deal flow, our specialists are consistently up-to-date with the latest industry developments, and understand the markets intimately.

Choose with confidence

Your personal UBS advisor will be glad to give you access to our aviation specialists' global contacts with leading aircraft operators, brokers, and insurance companies. In addition, we are familiar with a wide range of aircraft registers.

The sky's the limit

Naturally, the doors we can open for you aren't confined to aircraft. Through your personal client advisor you can take advantage of UBS' comprehensive range of global wealth management services. Please tell us how we can be of service.
