Electronic Communication (E-Mail)

The Internet is a universally accessible medium. Ordinary e-mail messages sent over the Internet are neither confidential nor secure. They may be easily accessible by third parties and may entail a considerable amount of danger and risk including: (a) lack of confidentiality (e-mails and their attachments can be read and/or monitored without detection); (b) manipulation or falsification of the sender's address or of the e-mail's (or attachment's) content (e.g. changing the sender's address(es) or details); (c) system outages and other transmission errors, which can cause e-mails and their attachments to be delayed, mutilated, misrouted and deleted; (d) viruses, worms, Trojan horses etc. may be spread undetected by third parties and may cause considerable damage; and (e) interception by third parties.

You are therefore recommended to communicate with UBS-SFA by using a secure channel if such channel is provided by UBS-SFA. In no event should you use ordinary E-mail to transmit personal or confidential information such as any account related data.

Unless explicitly stated otherwise, UBS-SFA does not accept any orders or instructions sent by E-mail or any other electronic messaging system.

UBS-SFA shall not be liable to you or anybody else for any damages incurred in connection with any messages sent to UBS-SFA using ordinary E-mail or any other electronic messaging system.

Please see our [E-Mail Disclosure](#) for more information about our e-mail practices and policy.

UBS-SFA has established a Privacy Statement, as modified from time to time, which explains how personal data is collected on the UBS-SFA Website and used. The Privacy Statement is part of these Terms of Use and is incorporated herein by reference.

Severability Clause

To the extent that any provision of these Terms of Use is found by any competent court or authority to be invalid, unlawful or unenforceable in any jurisdiction, that provision shall be deemed to be severed from these Terms of Use but such finding shall not affect the validity, lawfulness or enforceability of the remainder of these Terms of Use in that jurisdiction, nor shall it affect the validity, lawfulness or enforceability of these Terms of Use in any other jurisdiction.

Conflict with Additional Terms

Certain web pages or areas on the UBS-SFA Website may contain additional terms, conditions, disclosures and disclaimers (collectively, the "Additional Terms"). In the event of a conflict between these Terms of Use and the Additional Terms, the Additional Terms will govern for those web pages or areas.
