Shareholders who do not agree with the proposed Merger have the option of redeeming all or part of their shares free of charge until 6 October 2020, 05:00 p.m. Luxembourg time.

#### **4. Procedural Aspects**

As of the Effective Date, all the assets and liabilities of the Merging Sub-Funds will be transferred to the Receiving Sub-Fund in accordance with Article 1 (20) (a) of the 2010 Law. The Merging Sub-Funds shall cease to exist and all of their shares in issue shall be cancelled.

Shareholders of the Merging Sub-Funds will receive shares in the Receiving Sub-Fund and, if applicable, a residual cash payment. The number of shares in the Receiving Sub-Fund and, if applicable, the amount of the residual cash payment, will be determined by multiplying the number of shares in the Merging Sub-Funds by the exchange ratio.

The exchange ratio will be calculated on 13 October 2020 by dividing the net asset value per share of the Merging Sub-Funds by the net asset value per share of the Receiving Sub-Fund, based on the closing prices as of 12 October 2020, subject to any accounting adjustments and corrections deemed necessary. The net asset value used for the purposes of the merger factor calculation of the Merging Sub-Funds may differ from the relevant last published net asset value price used for dealing.

Should the application of the exchange ratio result in an allocation of fractional shares in the Receiving Sub-Fund to a Shareholder of the Merging Sub-Funds, the value of such holding following the application of the exchange ratio will be rounded down to the nearest whole share and the value of the fractional entitlement will be distributed to the relevant Shareholder by way of a residual cash payment in the base currency of the relevant Merging Sub-Fund. Residual cash payments, where applicable, will be made to shareholders of the Merging Sub-Fund as soon as reasonably practicable after the Effective Date of the Merger.

The time(s) at which Shareholders of the Merging Sub-Funds receive any such residual cash payments will depend on the timeframes and arrangements agreed between Shareholders and their depositary, broker and/or relevant central securities depositary for processing such payments.

In the morning of 29 September 2020 the trading of the shares on the relevant stock exchanges will be suspended. Last trading day on the secondary market is 28 September 2020. Further information on such suspension will be published by the relevant stock exchanges.

If Shareholders wish to maintain their investment through the Receiving Sub-Fund, they do not need to take any further action. Such Shareholders of the Merging Sub-Funds will receive shares in the relevant share class of the Receiving Sub-Fund as set out in the table in section 2 above of an equivalent value to the shares they hold in the Merging Sub-Funds. The Management Company will send or cause to be sent confirmation on behalf of the Fund shortly after the Effective Date detailing the Shareholders' new holdings. There will be no initial sales charge applied to the new shares. Shareholders will automatically be registered in the shareholder register of the Receiving Sub-Fund.

Shareholders who do not agree with the proposed Merger will be able to redeem shares of the Merging Sub-Funds, respectively of the Receiving Sub-Fund, until 6 October 2020, 05:00 p.m. Luxembourg time, free of charge. Any such redemption requests should be submitted to UBS Fund Management Luxembourg S.A., 33A, Avenue J.F. Kennedy, L-1855, Luxembourg, Grand Duchy of Luxembourg. Any redemption applications in the Merging Sub-Funds received after 05:00 p.m. Luxembourg time on 6 October 2020 will not be processed. Redemption applications in the Receiving Sub-Fund received after 5:00 p.m. Luxembourg time on 6 October 2020 will be processed at the next possible redemption date in accordance with the terms of the Prospectus of the Fund. Shareholders of the Merging Sub-Funds not making use of their right to redeem shares until 6 October 2020, 05:00 pm Luxembourg time, will receive shares in the Receiving Sub-Fund as set out above and will be able to redeem their shares in the Receiving Sub-Fund in accordance with the provisions of the Prospectus on the Effective Date or thereafter.
