2. Classification of the Funds under SFDR

As you are aware, the Funds are currently classified as Article 6 products under the Sustainable Finance Disclosure Regulation (EU) 2019 / 2088 (“**SFDR**”).

Each New Index is designed to reflect the performance of an investment strategy that, by tilting away from free-float market cap weights, seeks to gain exposure to those companies demonstrating both a robust Environmental, Social and Governance (ESG) profile as well as a positive trend in improving that profile, using minimal exclusions from their respective parent indices as set out in the supplements relating to the Funds.

Registered in Ireland. Company Number 507439.
Registered Office: As above

An open-ended variable capital umbrella investment company with limited liability
and with segregated liability between sub-funds.

Directors: Markus Goetschi (Swiss), Audrey Collins, Naomi Daly, Marie Antoinette Petrini (Spanish) and Alan White.

As a result of the index replacements, the Manager, together with UBS Asset Management (UK) Ltd (the “**Investment Manager**”), has determined that each Fund will promote, among other characteristics, environmental or social characteristics, or a combination of those characteristics, and that the companies in which the investments are made follow good governance practices and Shareholders are advised that the Manager considers it appropriate to reclassify the Funds as Article 8 products under the SFDR.

In addition, the reclassification of the Funds under SFDR will also result in the Funds aligning with the requirements set out in AMF Position 2020-03 on the information to be provided by collective investment schemes incorporating non-financial approaches, and the necessary disclosures to satisfy the AMF requirements have been included for the Funds.

3. **Rights of Shareholders and Procedural Aspects**

The replacement of each Current Index will enter into force on or around 31 July 2023, subject to the approval of the Central Bank. Shareholders who do not agree with the change have the right to request the redemption of their shares free of charge until and including 27 July 2023 at 4.30 p.m. (Dublin time). After this deadline, the replacement of each Current Index will be binding on all Shareholders who have not exercised their redemption right.

Shareholders may contact the manager of the Company, UBS Fund Management (Ireland) Limited (the “**Manager**”), to obtain additional information on the intended change to the relevant index.
