

# How to get the most out of *your electronic banking solution.*

In order to use UBS KeyLink the following specifications apply:

- Windows XP, using
  - Internet Explorer 6, 7, 8
  - Firefox 3.6
- Windows Vista / Windows 7, using
  - Internet Explorer 7, 8
  - Firefox 3.6
- The browser must be Java and JavaScript enabled
- Sun Java Runtime Environment JRE 6 with the latest update.  
The recommended JRE version can be downloaded here:  
<http://www.ubs.com/1/e/ebanking/ubskeylink/technical.html>
- Adobe Reader 7 or more recent versions
- Internet access, broadband connection recommended

Configurations other than the above may work but are not guaranteed and not technically supported.

Please be advised that various changes to your company's firewall may be necessary.

We recommend that you keep your operating system and Internet browser updated with the latest security features and supporting updates.

For further Security Recommendations, please refer to the KeyLink Internet page:  
<http://www.ubs.com/1/e/ebanking/ubskeylink/security.html>

The offering and the functional range of UBS KeyLink are subject to the applicable local laws.

\* (a) E-mails can involve **substantial risks**, e.g. lack of confidentiality, potential manipulation of contents and/or sender's address, incorrect recipient (misdirection), viruses etc. UBS assumes no responsibility for any loss or damage resulting from the use of e-mails. UBS recommends in particular that you do **not send any sensitive information**, that you do not include details of the previous message in any reply, and that you enter e-mail address(es) manually every time you write an e-mail.

(b) As a matter of principle, UBS does **not** accept any **orders**, revocations of orders or authorizations, blocking of credit cards, etc., sent by e-mail. Should such an e-mail nevertheless be received, UBS is not obliged to act on or respond to the e-mail. Please notify UBS immediately if you received this e-mail by mistake or if you do not wish to receive any further e-mail correspondence.
