## (Bloomberg Ticker: CSEVISC)

This Notice is addressed to all users and stakeholders of the Europa Aktienindex mit ISC (Intelligent Stability Control) (the “**Index**”) and is published by Credit Suisse International (“**CSI**”) in its capacity as Index Administrator (as defined below) of the Index.

CSI is authorised by the Prudential Regulation Authority (“**PRA**”) and regulated by the Financial Conduct Authority (“**FCA**”) and the PRA. CSI is registered with the FCA as a benchmark administrator.

### **Introduction and scope of Consultation**

CSI is the sponsor (the “**Index Sponsor**”) of the Index. CSI also acts as (i) the administrator (the “**Index Administrator**” and “**Index Administration**”) of the Index for the purposes of Regulation (EU) 2016/1011 of the European Parliament and of the Council of 8 June 2016 on indices used as benchmarks in financial instruments and financial contracts or to measure the performance of investment funds (“**EU BMR**”) as it forms part of the domestic law of the United Kingdom (the “**UK BMR**”) and (ii) the index calculation agent (the “**Index Calculation Agent**”). CSI, as the Index Sponsor and Index Administrator, may, acting through its index committee (the “**Index Committee**”), make decisions on any amendments to the Index Methodology (as defined below).

CSI, as Index Sponsor and Index Administrator has proposed amendments to the Index Methodology (as defined below) and as Index Administrator is hereby consulting on those proposed amendments (the “**Consultation**”).

The aim of the Consultation is to provide users and stakeholders with (i) applicable background information, (ii) the rationale for, and clear information on, the proposed amendments, (iii) an opportunity to ask questions or provide comments in respect of the proposed amendments and (iv) practical information on responding to the Consultation and next steps.

Capitalised terms used but not defined herein shall have the meaning ascribed to them in the CS Index Rules (as defined below).

If you do not understand the contents of this Notice or are unsure how this affects you, you should consult an appropriate professional adviser.

### **Current Index Methodology**

The current methodology used for the Index (the “**Index Methodology**”) is set out in the Index Rules dated as of 15 July 2020, as amended from time to time (the “**CS Index Rules**”).

### **Background to the Consultation and rationale for the proposed amendments to the Index Methodology**

On 12 June 2023, UBS announced the completion of the acquisition of Credit Suisse. Credit Suisse Group AG was merged into UBS Group AG (the “**UBS/CS Acquisition**”) and the combined entity has since operated as a consolidated banking group. CSI has become a wholly owned indirect subsidiary of UBS Group AG. Following the UBS/CS Acquisition the decision has been taken in conjunction with CSI and the Index Committee, to conduct an orderly exit (the “**Index Administrator Exit**”) from CSI’s role as an administrator under UK BMR and this will impact the Index.

As part of the implementation of the Index Administrator Exit, CSI on a date which is expected to be on or around 16 September 2024 (the "**Transfer Effective Date**"), proposes to transfer its role as Index Sponsor of the Index to Axa Investment Managers Paris ("**AXA**") (the "**Index Sponsor Transfer**"), which in turn proposes to appoint STOXX Ltd. ("**STOXX**") as Index Administrator and Index Calculation Agent (succeeding CSI in those capacities) for the Index (the "**Third Party Administrator Appointment**") on the Transfer Effective Date.

On 31 July, 2019, STOXX acquired recognition by the German Federal Financial Supervisory Authority as a third-country administrator in accordance with Art. 32 of EU BMR. STOXX and the indices administered by STOXX have been included in the ESMA Benchmarks register under Art. 36 of the EU BMR.

Further information on STOXX can be found at [www.stoxx.com/index-regulations](http://www.stoxx.com/index-regulations)

Amendments to the Index Methodology relating to the Index are necessary from the Transfer Effective Date, as a result of the proposed Index Sponsor Transfer, Index Administrator Exit and Third Party Administrator Appointment.

### **Proposed amendments to the Index Methodology**

In the context of the matters outlined above, it is proposed that with effect from the Transfer Effective Date the following amendments (the "**Amendments**") are to be made in respect of the Index:

- CSI will transfer its role as Index Sponsor to AXA and CSI will cease to be the Index Sponsor, Index Administrator and Index Calculation Agent;
- AXA, as Index Sponsor, will appoint STOXX to act as Index Administrator and Index Calculation Agent, replacing CSI in such roles;
- STOXX will publish and calculate the level of the Index under the same Bloomberg Ticker, in place of CSI; and
- the CS Index Rules for the Index will be replaced by the index rules prepared by STOXX (the "**STOXX Index Rules**"). The STOXX Index Rules will contain the Index Methodology, with amendments to reflect the changes above and certain other amendments to reflect the ongoing roles of STOXX as Index Administrator and Index Calculation Agent of the Index and AXA's roles as Index Sponsor.

For the avoidance of any doubt, no change to the index components, the index rebalancing mechanism or the index parameters applies as part of the Amendments.

### **Consultation Period and availability of documentation**

In order to take into account the views of users and stakeholders of the Index, CSI, as Index Administrator, is conducting the Consultation on the proposed amendments. The Consultation opens on 16 August 2024 and will run until close of business in New York on 10 September 2024 (the "**Consultation Period**").
