

Following completion of the merger of UBS AG and Credit Suisse AG, Credit Suisse AG's business was transferred to UBS AG, and Credit Suisse AG ceased to exist. At this time however, the two entities did not operationally merge and, as a result, we continue to have two sets of operational infrastructure and processes during this transitional period.

Consequently UBS AG is now the sole parent entity and all direct subsidiaries of Credit Suisse AG have become direct subsidiaries of UBS AG, and all branches of Credit Suisse AG have been absorbed into existing or established as new branches of UBS AG (as the case may be). As such, Credit Suisse AG's branches have been renamed as UBS Branches, with the exceptions of Credit Suisse AG, Taipei Securities Branch and Credit Suisse AG Shanghai Branch.

CS as Strategy Sponsor may supplement, amend (in whole or in part), revise or withdraw the Strategy Rules at any time. The Strategy Rules may change without prior notice.

CS will apply the Strategy Rules in its discretion acting in good faith and in a commercially reasonable manner and (where there is a corresponding applicable regulatory obligation) shall take into account whether fair treatment is achieved by any such calculation, determination and exercise of discretion in accordance with its applicable regulatory obligations, and in doing so may rely upon other sources of market information.

CS as Strategy Sponsor does not warrant or guarantee the accuracy or timeliness of calculations of Strategy Levels or the availability of a Strategy Level on any particular date or at any particular time.

Neither CS nor any of its affiliates (including their respective officers, employees and delegates) shall be under any liability to any party on account of any loss suffered by such party (however such loss may have been incurred) in connection with anything done, determined, interpreted, amended or selected (or omitted to be done, determined or selected) by it in connection with the Strategy and the Strategy Rules. Neither CS nor any of its affiliates shall be liable for any loss suffered by any party as a result of any determination, calculation, interpretation, amendment or selection it makes (or fails to make) in relation to the construction or the valuation of the Strategy and the application of the Strategy Rules and, once made, neither CS nor any of its affiliates shall be under any obligation to revise any calculation, determination, amendment, interpretation and selection made by it for any reason. Neither CS nor any of its affiliates makes any warranty or representation whatsoever, express or implied, as to the results to be obtained from the use of the Strategy, or as to the performance and/or the value thereof at any time (past, present or future).

The Strategy is proprietary methodology of the Strategy Sponsor. The Strategy is subject to change at any time by the Strategy Sponsor but subject to consultation with the Index Committee (if applicable). Neither CS nor its affiliates shall be under any liability to any party on account of any loss suffered by such party, in connection with any change in any such strategy, or determination or omission in respect of such strategy.

Neither CS nor any of its affiliates is under any obligation to monitor whether or not a Strategy Disruption Event has occurred and shall not be liable for any losses resulting from (i) any determination that a Strategy Disruption Event has occurred or has not occurred, (ii) the timing relating to the determination that a Strategy Disruption Event has occurred or (iii) any actions taken or not taken by CS or any of its affiliates as a result of such determination.

Unless otherwise specified, CS shall make all calculations, determinations, amendments, interpretations and selections in respect of the Strategy. Neither CS nor any of its affiliates (including their respective officers, employees and delegates) shall have any responsibility for good faith errors or omissions in its calculations, determinations, amendments, interpretations and selections as provided in the Strategy Rules. The calculations, determinations, amendments, interpretations and selections of CS shall be made by it in accordance with the Strategy Rules, acting in good faith and in a commercially reasonable manner and (where there is a corresponding applicable regulatory obligation) shall take into account whether fair treatment is achieved by any such calculation, determination, amendment, interpretation and selections in accordance with its applicable regulatory obligations (having regard in each case to the criteria stipulated herein and (where relevant) on the basis of information provided to or obtained by employees or officers of CS responsible for making the relevant calculations, determinations, amendments, interpretations and selections). For the avoidance of doubt, any calculations or determinations made by CS under the Strategy Rules on an estimated basis may not be revised following the making of such calculation or determination.
