-----	----------------

- 1 Plus value-added tax (VAT) at the standard rate applicable for clients domiciled in Switzerland and the Principality of Liechtenstein. Fees are calculated monthly in CHF on the basis of the safekeeping account value, including accrued interest, and levied in the reference currency – generally at the end of a quarter.
- 2 The basic fee is calculated according to a staggered tariff so the rate applicable for a specific component of the safekeeping account value, as defined according to the tariff, is applied in each case. An individual fee is charged for services which are unusual, rare or require additional processing.
- 3 Please ask your Relationship Manager for further information.
- 4 Applicable to short and long positions.
- 5 The fees will be charged quarterly. However, the bank reserves the right at any time to change the frequency of the charging periods. The relevant fees will be adjusted as of the start of the following month.
