

**MASTER CONFIRMATION AGREEMENT FOR
NON-DELIVERABLE CURRENCY OPTION TRANSACTIONS (EUROPEAN STYLE)**

dated as of _____, _____ (the "Effective Date") between

UBS AG ("Party A") and

[_____] [[NAME] acting solely as [Investment Advisor]/[Asset
Manager] for each entity, severally and not jointly (each a "Party B") as set forth in the Schedule to the
ISDA Master Agreement referenced in the Addendum hereto, as amended from time to time]
("Party B")

The parties wish to facilitate the process of entering into and confirming European Style non-deliverable Currency Option Transactions and accordingly agree as follows:

1. **Application:** This Master Confirmation Agreement for Non-Deliverable Currency Option Transactions ("Master Confirmation") shall apply to each European Style non-deliverable Currency Option Transaction ("NDO Transaction") entered into between Party A and Party B on or after the Effective Date, unless the Addendum or a confirmation of a NDO Transaction specifies that this Master Confirmation does not apply. This Master Confirmation includes the Addendum hereto.
2. **FX Definitions:** The definitions and provisions contained in the 1998 FX and Currency Option Definitions (including Annex A thereto), as published by the International Swaps and Derivatives Association, Inc., EMTA, Inc. ("EMTA") and the Foreign Exchange Committee, and as modified or amended in the Master Agreement specified in the Addendum hereto (the "1998 Definitions"), are incorporated into this Master Confirmation. Any amendments or successor definitions to the 1998 Definitions are incorporated into this Master Confirmation with respect to each NDO Transaction that has a Trade Date that falls on or after the effective date of such amendments or successor definitions, and are referred to herein (together with the 1998 Definitions) as the FX Definitions. For the avoidance of doubt, if amendments or successor definitions to the 1998 Definitions become effective after the Trade Date of a NDO Transaction, such amendments or successor definitions shall not apply to or amend the terms of such NDO Transaction, unless otherwise agreed by the parties.
3. **Transaction Confirmation:** The parties shall confirm the Economic Terms (as defined in paragraph 5 below) of each NDO Transaction in a Confirmation (each such Confirmation, a "Transaction Confirmation"). Each Transaction Confirmation may be executed and delivered in counterparts (including by facsimile transmission), or may be created by an exchange of telexes, an exchange of electronic messages on an electronic messaging, trading or settlement system (including, without limitation, by means of matching electronic messages sent by each party), or an exchange of e-mails. Each Transaction Confirmation shall be deemed to incorporate and be subject to all of the terms of this Master Confirmation. This Master Confirmation, together with each Transaction Confirmation, constitutes a "Confirmation" as referred to in, and is subject to, the terms and conditions of the Master Agreement.
4. **Relevant EMTA Template:** If, on the Trade Date of a NDO Transaction, template terms for the confirmation of a NDO Transaction in the Currency Pair that is the subject of such NDO Transaction are recommended by EMTA or a recognized successor and have an effective date that falls on or before such Trade Date ("Relevant EMTA Template"), then all of the terms of such Relevant EMTA Template (published and available at www.emta.org or any successor website) shall apply to such NDO Transaction, except to the extent otherwise provided in the Addendum or a Transaction Confirmation. For the avoidance of doubt, if a Relevant EMTA Template becomes effective after the Trade Date of a

NDO Transaction, such Relevant EMTA Template shall not apply to or amend the terms of such NDO Transaction, unless otherwise agreed by the parties.

5. **Economic Terms:** Each Transaction Confirmation shall specify the following terms or, alternatively, the terms that the parties agree to specify in their Transaction Confirmation by using the facilities of a particular electronic messaging, trading or settlement system (“Economic Terms”):

Trade Date	
Buyer	
Seller	
Put Currency and Put Currency Amount	
Call Currency and Call Currency Amount	
Option Style	European
Option Type	
Reference Currency

Settlement Date	Specify date only; all other terms in the Relevant EMTA Template relating to Settlement Date apply.
Settlement	
Valuation Date	Specify date only; all other terms in the Relevant EMTA Template relating to Valuation Date apply.
Premium	
Premium Payment Date	

This Master Confirmation shall apply only if the Transaction Confirmation specifies, or the parties otherwise agree in the Transaction Confirmation, that Settlement is Non-Deliverable and that the Option Style is European.

6. **Priority:**

(a) In the event of any inconsistency between the FX Definitions and a Confirmation, the Confirmation shall prevail. In the event of any inconsistency between the provisions of a Transaction Confirmation and the Master Agreement, the Transaction Confirmation shall prevail for the purpose of the relevant NDO Transaction.

(b) In the event of any inconsistency between the Addendum or a Transaction Confirmation and the applicable terms of a Relevant EMTA Template, the Addendum or Transaction Confirmation shall prevail, subject to the following. If the parties elect to include in the Addendum terms for a NDO Transaction with a Currency Pair for which a Relevant EMTA Template has not become effective on the effective date of the Addendum, such terms shall govern each NDO Transaction for such Currency Pair with a Trade Date that falls before the effective date of a Relevant EMTA Template for such Currency Pair. If a Relevant EMTA Template has become effective on or before the Trade Date of a NDO Transaction with such Currency Pair, the terms of the Relevant EMTA Template shall supersede the relevant terms in the Addendum, but shall not apply to or amend the terms of any NDO Transaction with a Trade Date that precedes the effective date of the Relevant EMTA Template, unless otherwise agreed by the parties.

(c) If the parties are or become subject to a multilateral form of a master confirmation agreement for NDO Transactions (a “Multilateral Master Confirmation”), by protocol or otherwise, the following rules of priority apply:

(i) If the parties sign onto or become subject to a Multilateral Master Confirmation after the Effective Date, in the event of any inconsistency between this Master Confirmation and such Multilateral Master Confirmation, such Multilateral Master Confirmation shall prevail with respect to NDO Transactions governed by such Multilateral Master Confirmation, unless otherwise agreed by the parties; and

(ii) If the parties have signed onto or are subject to a Multilateral Master Confirmation on or before the Effective Date, in the event of any inconsistency between this Master Confirmation and such Multilateral Master Confirmation, this Master Confirmation shall prevail with respect to the NDO Transactions governed by such Multilateral Master Confirmation, unless otherwise agreed by the parties.

For the avoidance of doubt, if the parties sign onto or become subject to a Multilateral Master Confirmation after the Trade Date of a NDO Transaction, such Multilateral Master Confirmation shall not apply to or amend the terms of such NDO Transaction, unless expressly specified in such Multilateral Master Confirmation or otherwise agreed by the parties.

7. **Quoting Dealing Disclaimer:** The parties acknowledge that one or both parties to a NDO Transaction, acting directly or through a branch or an affiliate, may be requested to provide a quotation or quotations from time to time for the purpose of determining an industry rate for the Currency Pair that is the subject of the NDO Transaction and that such quotation may affect, materially or otherwise, the settlement of the NDO Transaction.

8. **Representations:**

(a) This Master Confirmation is a legal, valid and binding obligation of each party, enforceable against each party in accordance with its terms.

(b) Each party will be deemed to represent to the other party on the date on which it enters into a NDO Transaction that (absent a written agreement between the parties that expressly imposes affirmative obligations to the contrary for that NDO Transaction): (i)(A) it is acting for its own account, and it has made its own independent decisions to enter into that NDO Transaction and as to whether that NDO Transaction is appropriate or proper for it based upon its own judgment and upon advice from such advisors as it has deemed necessary; (B) it is not relying on any communications (written or oral) of the other party as investment advice or as a recommendation to enter into that NDO Transaction, it being understood that information and explanations related to the terms and conditions of a NDO Transaction shall not be considered investment advice or a recommendation to enter into that NDO Transaction; and (C) it has not received from the other party any assurance or guarantee as to the expected results of that NDO Transaction; (ii) it is capable of evaluating and understanding (on its own behalf or through independent professional advice), and understands and accepts, the terms, conditions and risks of that NDO Transaction; and (iii) the other party is not acting as a fiduciary or an advisor for it in respect of that NDO Transaction.

9. **Governing Law/Jurisdiction:** This Master Confirmation shall be governed by the law, and the provisions on submission to jurisdiction, elected in the Master Agreement, if the parties have not executed a Master Agreement, the Addendum.

Upon execution and delivery by the parties of such an agreement, this Master Confirmation shall supplement, form part of, and be subject to that agreement. All provisions contained in or incorporated by reference in that agreement upon its execution will govern this Master Confirmation except as expressly modified below. Until the parties execute and deliver that agreement, this Master Confirmation, together with all other documents referring to the ISDA Form confirming FX Transactions entered into between us (notwithstanding anything to the contrary in a Confirmation), shall supplement, form a part of, and be subject to, an agreement in the form of the ISDA Form as if an agreement had been executed in such form (but without any Schedule, except for the following elections: (i) New York law as the governing law, (ii) U.S. Dollars as the Termination Currency, (iii) subparagraph (ii) of section 2(c) will not apply, (iv) for purposes of section 6(e), loss and second method shall apply and (v) for purposes of “Withholding Tax imposed on payments to non-US counterparties under the United States Foreign Account Tax Compliance Act”: (a) “Indemnifiable Tax” as defined in Section 14 of the ISDA Form shall not include any U.S. federal withholding tax imposed or collected pursuant to Sections 1471 through 1474 of the U.S. Internal Revenue Code of 1986, as amended (the “Code”), any current or future regulations or official interpretations thereof, any agreement entered into pursuant to Section 1471(b) of the Code, or any fiscal or regulatory legislation, rules or practices adopted pursuant to any intergovernmental agreement entered into in connection with the implementation of such Sections of the Code (a “FATCA Withholding Tax”), (b) for the avoidance of doubt, a FATCA Withholding Tax is a Tax the deduction or withholding of which is required by applicable law for the purposes of Section 2(d) of the ISDA Form, and (c) if the parties each independently decide to adhere to any ISDA Protocol on FATCA Withholding Tax, upon effective adherence by both parties, the provisions of such Protocol shall supersede the foregoing provision) on the Trade Date of the first such Transaction between the parties. In the event of any inconsistency between the provisions of that agreement and this Master Confirmation, this Master Confirmation will prevail for the purpose of this FX Transaction. For the avoidance of doubt, any FX Transaction entered into prior to the execution of the ISDA Form and this Master Confirmation shall be subject to the terms of such ISDA Form and Master Confirmation as though such FX Transaction had been entered into after the parties had executed such ISDA Form and Master Confirmation between them.

ANNEX

OTC COUNTERPARTY(IES): TIMELY CONFIRMATIONS

The parties seek to enter into the Master Confirmation as they currently enter into OTC derivative contracts with each other. Given their derivatives trading activity, Party A assumes that Party B will already be aware of the new regulatory framework set out in the EU [European Market Infrastructure Regulation \("EMIR"\)](#)¹ and will have made its own independent assessment of its impact on operations and compliance obligations of Party. Below, the parties have set out certain details which will impact their relationship when they trade certain classes of OTC derivative contracts with each other.

Timely Confirmation requirement

EMIR introduces various requirements designed to address the risks associated with the OTC derivatives markets. One of these requirements is for the timely confirmation of the terms of OTC derivative contracts (the "**EMIR Timely Confirmation Rules**"). This requirement came into effect on 15 March 2013.

This requirement will affect all OTC derivative contracts between Party A and Party B. Consequently, the amendments set out at section 2 below shall, by execution of the Master Confirmation as set out below, be deemed to be incorporated into each trading agreement between Party A and Party B (including, insofar as is relevant and without limitation, any ISDA Master Agreement, *Deutscher Rahmenvertrag*, European Master Agreement, China NAFMII, AFB Master Agreement, Swiss Master Agreement or applicable terms of business), whether dated prior to or subsequent to the Master Confirmation (each, an "**Agreement**"). However, this Annex affects only Relevant Negative Affirmation Transactions (as defined below).

Amendments to Trading Agreement(s)

General Terms

If the parties have previously entered into an Agreement dated prior to the date of the Master Confirmation, they hereby agree to amend the Agreement by the terms of this Annex (this "**Amendment**") as of the date of Party B executing the Master Confirmation (such date, the "**Amendment Date**"). Party A and Party B further agree that the terms of this Amendment shall be deemed to be incorporated into any Agreement dated subsequent to the Amendment Date as of such subsequent date.

The specific modifications that the parties wish to incorporate in the Agreement are set forth herein. The purpose of this Amendment is to amend the Agreement on the terms set forth herein. Any defined terms used herein but not otherwise defined shall bear the meaning ascribed to them in the relevant Agreement.

Accordingly, in consideration of the mutual agreements contained in this Amendment, the parties agree as follows:

¹ Regulation (EU) No 648/2012 of 4 July 2012 on OTC derivatives, central counterparties and trade repositories

Amendment of the Agreement

The Agreement is amended in accordance with the amendments set forth herein.

Representations

Each party represents to the other party in respect of the Agreement, as amended pursuant to this Amendment, that all representations made by it pursuant to the Agreement are true and accurate as of the Amendment Date.

Miscellaneous

Entire Agreement; Restatement.

This Amendment constitutes the entire agreement and understanding of the parties with respect to its subject matter and supersedes all oral communication and prior writings (except as otherwise provided herein) with respect thereto.

Except for any amendment to the Agreement made pursuant to this Amendment, (i) all terms and conditions of any Agreement between the parties executed before the Amendment Date will continue in full force and effect in accordance with its provisions on the date of this Amendment, and (ii) all terms and conditions of any Agreement between the parties executed subsequent to the Amendment Date will take their full force and effect in accordance with its provisions as of the date of such execution. References to the Agreement will be to the Agreement, as amended by this Amendment.

Amendments.

No amendment, modification or waiver in respect of the matters contemplated by this Amendment will be effective unless signed by both parties to the Agreement.

Counterparts.

This Amendment may be executed and delivered in counterparts (including transmission by facsimile, electronic messaging system or e-mail), each of which will be deemed an original.

Headings.

The headings used in this Amendment are for convenience of reference only and are not to affect the construction of or to be taken into consideration in interpreting this Amendment.
