

UBS MTF Trading Notice

Rulebook and User Guide Updates

23 November 2017

Dear Member,

In accordance with Rule 4.2 of the UBS MTF Rulebook, we are taking the opportunity to issue a Trading Notice to notify you of several changes to the Rulebook and the User Guide that are required as a result of MiFID II.

Rulebook changes:

Effective 3 January 2018:

The changes have been highlighted in attached mark-up version and include changes to the Definitions, Members' obligations (sections 2.3 and 2.4); Trading Rules to reflect a change from Primary Market to Most Relevant Market (section 6.1); order submission rules (section 6.3, 6.4 and 6.11); and to the Suspension of automatic execution rules (section 6.9).

These changes will apply from 3 January 2018.

Effective 15 December 2017:

Minor changes are also highlighted in the Eligibility criteria (section 2.2). These changes will be effective ahead of MiFID II implementation and apply from 15 December 2017.

A consolidated marked-up version of the Rulebook highlighting the amended sections effective on 15 December and 3 January, together with a clean copy of the revised Rulebook are attached with this Trading Notice and are also available on our website (www.ubs.com/mtf).

User Guide updates:

Changes: UBS MTF has published a new User Guide on the UBS MTF website. The changes reflect the addition of a new throttling limit functionality and new MiFID Order to Transaction Ratio requirements, in sections 11.6 and 11.7.

Timing of Implementation: The new **throttling limit** will be implemented in Production on **11 December 2017**. The **Order to Transaction Ratio** changes are effective from **3 January 2018**.

The User Guide is available under <https://www.ubs.com/global/en/investment-bank/multilateral-trading-facility/member-information.html> and a copy is also attached to this Trading Notice.

If you have any queries regarding this notice, or comments on the MiFID II update above, please contact the UBS MTF Supervisors at +44 207 568 2052 or ubs_mtf@ubs.com.

- (b) UBS MTF Management will suspend, restrict or terminate that Member's access to the Matching Engine or the business conducted by the Member on the Matching Engine if requested to do so by the FCA.
- (c) UBS MTF Management may terminate a Member's access to the Matching Engine permanently upon at least three (3) calendar months' written notice.
- (d) The Member will be notified in writing of any action taken, proposed to be taken, by UBS MTF Management in accordance with this Rule.

2.5 Confidentiality

- (a) UBS MTF Management will treat as confidential any information received from Members in relation to any business carried out on UBS MTF except where:
 - (i) the information is in the public domain;
 - (ii) disclosure is required by law or requested by any tax or regulatory authority anywhere in the world;
 - (iii) disclosure is in accordance with any regulatory investigation conducted by a Competent Authority;
 - (iv) disclosure is expressly permitted by law;
 - (v) disclosure has been agreed to in writing by the Member; or
 - (vi) disclosure is made to facilitate the clearing and settlement of Relevant Transactions.

2.6 Substantial Shareholdings

- (a) A Member shall ensure that, where necessary, any Relevant Transactions executed on UBS MTF are incorporated into its calculations with regard to any applicable substantial shareholdings rules.
- (b) Where there is a requirement under any applicable substantial shareholdings rules to notify any person or body as to the existence of a substantial shareholding, each Member must ensure that it complies with any such obligations applicable to it. Notification to UBS MTF will not discharge any obligations under any applicable substantial shareholding rules or their equivalent.

2.7 Resignation

- (a) Members may resign by giving UBS MTF at least three (3) calendar months' written notice, unless such notice period is waived by UBS MTF in its absolute discretion.
- (b) UBS MTF Management may, in its absolute discretion, refuse to accept notice of resignation in the event that UBS MTF Management considers there is an outstanding matter concerning the Member that is subject to an ongoing investigation (in particular pending settlement of any unsettled market positions in respect of Securities).
- (c) Notwithstanding either the resignation by a Member of its membership of UBS MTF or the termination of a Member's membership of UBS MTF by UBS MTF Management, a

Member shall continue to be bound by these Rules in respect of all activity on UBS MTF until the latest of:

- (i) one year after it ceases to be a Member.
- (ii) the date on which all Relevant Transactions are settled and completed.
- (iii) the date on which all outstanding charges, or other sums due relating to activity on UBS MTF have been settled.

3. PAYMENTS

3.1 Fees and Charges

A Member shall pay to UBS MTF all applicable subscriptions, charges, fees and any other costs [including interests on any late payment](#) due pursuant to these Rules, the Membership Agreement or any fee schedule for UBS MTF as notified to all Members from time to time, [in the timeframe specified by UBS MTF](#).

UBS MTF Fee Schedule is published on the UBS MTF website (www.ubs.com/mtf).

3.2 Taxes

- (a) A Member shall be liable for the payment of any applicable taxes, duties or deductions that arise from its trading of a Security on the Matching Engine, including, inter alia, stamp duty reserve tax.
- (b) Each Member is required to determine whether taxes, duties or deductions arise from its trading of a Security on the Matching Engine, and to apply for any exemptions from such taxes, duties or deductions.

3.3 PTM Levy

- (a) A Member is liable for the payment of the PTM Levy on behalf of itself or on behalf of its clients in respect of transactions, wherever they take place (including Relevant Transactions on UBS MTF), where the PTM Levy is applicable.
- (b) A Member is required to determine whether the PTM Levy is applicable, and also the rate at which it is payable.

4. NOTIFICATIONS AND AMENDMENTS

4.1 Notification by Members

- (a) All notifications by a Member under these Rules shall be made as soon as is reasonably practicable to the UBS MTF Management team using the details supplied to the Member upon successful completion of the application process. Where a notification is initially made verbally or via electronic mail there may be a requirement for the notice to be confirmed in writing.
- (b) A Member will notify UBS MTF in writing, or by electronic mail, at least twenty-one (21) calendar days in advance of the proposed effective date of any significant changes to its structure. The types of changes which would be considered relevant would include:

- (i) a change in control within the meaning given under FSMA;
- (ii) a change of name;
- (iii) a change of address;
- (iv) a change in its legal status;
- (v) an Insolvency Event;
- (vi) a material breach of these Rules;
- (vii) the commencement of any investigation or disciplinary action by the FCA or a Competent Authority relating to the Member's activities on the UBS MTF or which may otherwise be material in the exercise of the Member's obligations under these Rules;
- (viii) a material adverse change which affects the [Member's](#) ability to comply with these Rules;
- (ix) a change which results in the Member being unable to fulfil the Eligibility Criteria [or Continuing Obligations](#); or
- (x) a change in the Member's UBS MTF contacts or the Member's list of authorised persons (as supplied by the Member upon completion of the UBS MTF Member application form).

4.2 Amendments

- (a) UBS MTF may implement new Rules, amend existing Rules or revoke Rules in their entirety and will inform Members by an appropriate means, whether it be via letter, email, facsimile, notice on a website or by issuing some other communication (such means being a **Trading Notice**). In the event that UBS MTF proposes a material change in the Rules, it may, at its sole discretion, consult with Members for comments.
- (b) Trading Notice shall be given to Members at least ten (10) Business Days prior to the changes taking effect.
- (c) If any modification of the Rules, other than as required by European Community law, national laws or any Competent Authority, materially adversely affects the rights or obligations of any Member, that Member may terminate its UBS MTF membership by written notice given to UBS MTF within five (5) Business Days from the date of the relevant Trading Notice, it being understood that such request will be handled pursuant to the principles set out in Rules 2.7(b) and (c).

5. RESPONSIBILITY OF MEMBERS

5.1 Transaction Records

Each Member must retain a record of each Relevant Transaction entered into by it on UBS MTF in accordance with;

- (a) the five (5) year standard required pursuant to MiFID; and

- (b) any further regulatory or legal requirements applicable to the Member.

5.2 Misleading acts, conduct, security and prohibited practices

- (a) A Member shall not, in respect of its business on UBS MTF:
- (i) do or engage in any conduct which is in breach of ~~the Market Conduct sourcebook~~ MAR of the FCA Handbook. This may include but is not limited to:
 - (A) commit any act or engage in any course of conduct which creates, or is likely to create, a false or misleading impression of the market in, or the price or value of, any Security;
 - (B) cause or enter into any artificial transaction;
 - (C) submit an Order with a fictitious quantity or price onto the Matching Engine;
 - (D) effect a pre-arranged transaction that is designed to give the market a false view of supply, demand or pricing of a Security or index; or
 - (ii) commit any act or engage in any course of conduct which is likely to damage the fairness or integrity of UBS MTF;
 - (iii) commit any act or engage in any course of conduct which causes, or contributes to, a breach of the Rules by another Member;
 - (iv) do or engage in any conduct in breach of the Rules; or
 - (v) procure, require or encourage another to engage in conduct falling within any of the principles in this Rule 5.2(a).
- (b) A Member shall not commit any act or engage in any course of conduct the sole or main intention of which is to move the price of that Security or the level of any index of which that Security is a component.
- (c) UBS MTF Management may take disciplinary action under Rule 9.5 in relation to a Member's conduct which in the opinion of UBS MTF Management falls or could potentially fall within this Rule 5.
- (d) Each Member shall implement ~~reasonable~~ sufficient security procedures to prevent unauthorised use or misuse of the UBS MTF. Such procedures shall include, but are not limited to:
- (i) ensuring that the UBS MTF is only accessible by authorised personnel; and
 - (ii) ensuring that data entries entered by a Member are not altered, lost or destroyed.

6. TRADING RULES

6.1 Securities traded on UBS MTF

- (a) UBS MTF Management will determine in its absolute discretion which Securities are eligible for trading on UBS MTF.

- (b) UBS MTF will publish daily on the UBS MTF website a list of instruments available for trading. ~~The UBS MTF Stock Universe together with a delta file is available to Members only identifying changes from the previous trading day.~~
- (c) Orders ~~shall~~must be ~~made~~submitted in the same currency as the currency in which the relevant Security trades on the Primary Most Relevant Market. ~~If a Security trades in more than one currency on the relevant Primary Market, UBS MTF may in its absolute discretion support multiple order books representing each of the currencies in which that Security trades.~~
- (d) UBS MTF may in its absolute discretion prohibit or suspend any transaction or class of transactions from being ~~dealt~~traded at any time for any reason.

6.2 Hours of operation

- (a) UBS MTF will be open for business every day that the Primary Most Relevant Market is open in respect of the relevant Security unless Members are notified to the contrary by UBS MTF Management.
- (b) The hours of operation will be as decided by UBS MTF Management and communicated to Members.

6.3 Access to UBS MTF

- (a) A Member is responsible for all obligations and liabilities arising from the entry, deletion and execution of all Orders submitted to the Matching Engine by that Member.
- (b) UBS MTF Management reserves the right to restrict a Member's access to and use of the Matching Engine.
- (c) UBS MTF Management reserves the right to delete any Order submitted to the Matching Engine where UBS MTF Management believes it necessary in order to preserve market orderliness.
- (d) Trading sessions shall be limited to ten (10) per Member. Additional sessions will require the express agreement of UBS MTF Management and may incur a fee, as specified in the UBS MTF Fee Schedule.
- (e) A Member that permits DEA services onto UBS MTF must:
 - (i) be an entity of the type specified by Rule 5.3.A.9 of MAR;
 - (ii) set and apply criteria for the suitability of persons to whom DEA services are provided;
 - (iii) apply appropriate pre-trade risk controls on DEA orders;
 - (iv) be able to identify and stop Orders by a person using the DEA service;
 - (v) have arrangements in place to suspend or terminate the provision of DEA service in the case of any non-compliance with these Rules;

and in all cases, the Member will retain full responsibility and accountability for any and all Orders and trades submitted to UBS MTF in the context of any DEA service.

6.4 Orders

- (a) All Orders submitted to the Matching Engine must be either Pegged Orders or Sweep Orders. When submitting any Order, Members must therefore specify whether their Order is
- (i) a Pegged Order, and if so whether it is pegged to the bid, mid or the offer price, or
 - (ii) a Sweep Order, where permitted, and if so with an instruction to conduct a half or full Sweep; and
 - (iii) in either case, whether the Order is an IOC Order or a Day Order;

Orders that do not comply with these requirements will be rejected.

- (b) When submitting a Pegged Order or a Sweep Order, a Member may also specify a maximum or minimum price at which its Order will be permitted to match.

(c) A Sweep Order must meet the Large in Scale parameters (Sweep Orders outside of those parameters will be rejected).

~~(e)~~(d) A Member may submit an instruction to the Matching Engine that its Order must not be matched against another Order unless that other Order is of a minimum acceptable quantity.

~~(d)~~(e) A Member may submit an instruction to the Matching Engine that its Order must only be executed ~~under the Large in Scale Waiver~~. If an instruction is not received from a Member, UBS MTF Management, in its absolute discretion, will determine whether an Order is executed under the Large in Scale Waiver.

(f) Orders that are not eligible for execution under the Large in Scale Waiver will only be eligible for execution at the mid-price of the Most Relevant Market.

~~(e)~~(g) Orders shall be made in accordance with such technical specifications as UBS MTF Management may specify from time to time.

~~(f)~~(h) All Orders entered on to the Matching Engine will be treated by UBSL as firm and available for execution and therefore, when executed, will be binding on the Member placing the Order (unless otherwise provided in these Rules) even if the Order was placed on behalf of a third party.

~~(g)~~(i) A Member that submits or routes Orders to the Matching Engine shall, at all times, have sufficient order management systems, procedures and controls designed to prevent the entry of Erroneous Orders to the Matching Engine.

(j) A Member that submits an Order to the Matching Engine shall, at all times, meet the MiFIR order record keeping requirements as specified by ~~U~~BS MTF ~~(add reference to our document once finalised in the MiFID II Identifier Management specification)~~ and provide the required information on each individual Order.

6.5 Extended best bid and offer price check

- (a) UBS MTF will maintain a European best bid and offer price ("**EBBO**"), which shall comprise the highest available bid price ("**EBBO Best Bid Price**") and the lowest available offer price ("**EBBO Best Offer Price**") across a range of relevant markets for each Security, and aggregated using UBS MTF's market data infrastructure.
- (b) For each reference market used by UBS MTF for these purposes, the Trading Venues contributing to the EBBO will comprise the [PrimaryMost Relevant](#) Market where the relevant share is admitted to trading together with a maximum of three other pan-European Trading Venues selected by UBS MTF. Where no Trading Venues other than the [PrimaryMost Relevant](#) Market are available, the EBBO shall comprise the [PrimaryMost Relevant](#) Market reference price.
- (c) UBS MTF will select contributing Trading Venues in its absolute discretion, taking account of those venues' European equities market share. UBS MTF reserves the right to remove a Trading Venue from the calculation of the EBBO at any time, if:
 - (i) the Trading Venue ceases to operate entirely; or
 - (ii) the technology platform of the Trading Venue ceases to meet with UBS MTF Management's ongoing suitability criteria including, but not limited to resilience and latency issues, ownership and membership structure, price and execution performance.
- (d) A list of the current Trading Venues which contribute to the EBBO are published on the UBS MTF website (<https://www.ubs.com/mtf>) and updated from time to time.
- (e) UBS MTF may remove a market, temporarily or permanently, from the EBBO calculation if:
 - (i) UBS MTF Management determines a system problem has occurred or is likely to occur; or
 - (ii) it is requested to do so by the FCA or a Competent Authority; or
 - (iii) it considers in its sole discretion that there has been or is likely to be a threat to the stability of fair and orderly markets by trading a Security; or
 - (iv) the [PrimaryMost Relevant](#) Market of the Security has suspended or cancelled trading of the relevant Security; or
 - (v) UBS MTF Management, in its absolute discretion, considers it appropriate to do so.

6.6 Order Matching

- (a) Continuous matching will occur during normal trading sessions.
- (b) Orders will be matched using the following criteria in order of precedence:
 - (i) eligibility to execute under Large In Scale Waiver;
 - (ii) price; and

- (iii) time (time priority in the Matching Engine is initially based on the time stamped on an Order when it arrived in the Matching Engine. When a Member requests amendment of an Order and the request is accepted, the time priority of the Order is modified to reflect the time at which the Matching Engine received the cancel/replace request)
- (c) Matching Orders will only execute in the following circumstances:
 - (i) Both the [PrimaryMost Relevant](#) Market and EBBO must be unlocked such that:
 - (A) lowest [PrimaryMost Relevant](#) Market reference bid price is lower than the highest [PrimaryMost Relevant](#) Market reference offer price; and
 - (B) The EBBO Best Bid Price is lower than the EBBO Best Offer Price,
and
 - (ii) The Primary Market reference price must be equal to or better than the relevant EBBO price as follows:
 - (A) [PrimaryMost Relevant](#) Market reference bid price is equal to or greater than the EBBO Best Bid Price;
 - (B) [PrimaryMost Relevant](#) Market reference offer price is equal to or lower than the EBBO Best Offer Price.
- (d) When an Order is matched on UBS MTF in accordance with these Rules, it will create a binding contract on the Member placing the order (unless otherwise provided for in these Rules).

6.7 Auctions

- (a) UBS MTF will neither operate an opening nor a closing auction.
- (b) UBS MTF will not match Orders whilst an auction is underway on the [relevant PrimaryMost Relevant](#) Market on which the Security concerned is listed.

6.8 Entry and deletion of Orders

- (a) A Member may only submit, amend, or delete Orders from the Matching Engine during the times specified by UBS MTF.
- (b) A Member shall not submit Orders or amend Orders on the Matching Engine in a Security which is subject to a regulatory suspension. Orders which are unmatched in UBS MTF in such a Security may be deleted from the Matching Engine.

6.9 Suspension of automatic execution

- (a) UBS MTF Management may suspend the automatic execution of Orders on the Matching Engine in one or more Securities if:
 - (i) UBS MTF Management determines a system problem has occurred or is likely to occur; or

- (ii) it is requested to do so by the FCA or a Competent Authority; or
- (iii) it considers in its sole discretion that there has been or is likely to be a threat to the stability of fair and orderly markets by trading a Security; or
- (iv) the Primary Most Relevant Market of the Security has suspended or cancelled trading of the relevant Security; or
- (v) UBS MTF Management, in its absolute discretion, considers it appropriate to do so; or
- (vi) UBS MTF Management, in its absolute discretion, considers that a Member has failed, or is likely to fail, to comply with its obligations under Rule 5.

(b) UBS MTF Management may suspend trading under a specific waiver at its sole discretion or if requested to do so by the FCA. These suspensions may occur during trading hours and UBS MTF will inform Members via Market Notice in such circumstances.

6.10 Cancellation of Relevant Transactions

- (a) UBS MTF Management has discretion to cancel a Relevant Transaction in whatever circumstances it considers appropriate, including but not limited to circumstances where UBS MTF Management decides that a Relevant Transaction is an Erroneous Trade.
- (b) If an Order appears to be an Erroneous Trade in the opinion of UBS MTF Management, UBS MTF Management may contact the relevant Member to verify the validity of the Order (but shall be under no obligation to do so).
- (c) When considering whether to cancel an Order or a Relevant Transaction, UBS MTF Management will take into account:
 - (i) the size of the Order or the Relevant Transaction; and
 - (ii) the price of the Order or the Relevant Transaction.

6.11 Order to Trade Ratio

- (i) Members must ensure that their ratio of Orders to ~~executed trades~~ transactions remains at all times within parameters published from time to time on UBS MTF website (<https://www.ubs.com/mtf>).
- (ii) UBS MTF will publish two maximum ratios of unexecuted Order to transactions as defined under MiFID on the UBS MTF website and Members are required not to exceed the maximum ratio of unexecuted orders to transactions calculated by UBS MTF.

7. CLEARING AND SETTLEMENT

7.1 The relevant CCP will administer the clearing and settlement of all Relevant Transactions on UBS MTF and the relevant CCP's rules will govern such clearing and settlement in addition to these Rules.

7.2 A Member must comply with the rules and procedures of the relevant CCP in respect of the clearing and settlement of the Relevant Transactions. Where the rules and procedures of the CCP with respect to clearing and settlement conflict with this Rule 7, the rules and procedures of the relevant CCP shall take precedence.

7.3 Obligations on Members

- (a) A Member must be a clearing member of a central counterparty approved by UBS MTF Management or have made satisfactory arrangements with an entity that is.
- (b) Where a Member is acting as agent for another person, and failure to deliver Securities and/or cash is the fault of another person, that Member will be bound as principal with the counterparty to the Relevant Transaction.
- (c) A Member must settle a Relevant Transaction on the standard settlement cycle and in the standard place for settlement for the relevant Security.
- (d) A Member shall ensure that Securities and/or cash delivered in settlement of a Relevant Transaction are free of any lien, charge or encumbrance.
- (e) UBS MTF may postpone or extend a settlement period for all transactions or for transactions in specified Securities affected on a given day, indefinitely or for a specified period.
- (f) In case of settlement default by a Member, or its client, with regard to a Relevant Transaction, the rules and procedures of the relevant CCP shall be applied.

7.4 Corporate Actions

- (a) A Member shall treat a Security as being 'ex' a benefit from the time that security is marked 'ex' that benefit on the ~~Primary~~Most Relevant Market.
- (b) UBS MTF will take no responsibility for marking a Security as 'ex' or 'cum' a benefit on the UBS MTF. The responsibility for accurately pricing a Security undergoing a corporate action is solely with the Member.

8. DEFAULT

8.1 If at any time a Member suffers an Event of Default, UBS MTF may take action in its sole discretion as it deems appropriate. Such actions may include but shall not be limited to the following:

- (a) to cancel some or all Orders or Relevant Transactions;
- (b) to suspend the Member's participation on UBS MTF;

- (C) to treat any or all Orders or Relevant Transactions then outstanding as having been repudiated by the Member, in which case UBS MTF's obligations under such Orders and / or Relevant Transactions shall be cancelled and terminated.

8.2 UBS MTF is not responsible for and shall not be liable for the default of any Member on any Relevant Transaction. Relevant Transactions undertaken on the Matching Engine are not subject to any compensation scheme.

9. INFORMATION, MONITORING AND INVESTIGATION

9.1 Monitoring

- (a) UBS MTF Management will have systems in place to monitor compliance with the Rules, disorderly trading conditions and conduct that may amount to market abuse.
- (b) UBS MTF Management will report to the FCA any material breaches of the Rules, disorderly trading conditions and any conduct that may involve market abuse, will supply information to the FCA as required and will assist the FCA, any other Competent Authority or relevant supervisory or investigative public body in any investigation of market abuse.

9.2 Information

(a)

~~(a)(b)~~ Each Member is required to notify UBS MTF Management immediately it becomes aware of a significant contravention by itself, or any other Member, of these Rules.

~~(b)(c)~~ UBS MTF Management may require the immediate provision by a Member of accurate information about its Relevant Transactions in a format, electronic or otherwise, as specified by UBS MTF.

~~(e)(d)~~ UBS MTF Management may require the immediate production of documents relating to UBS MTF in the Member's possession, custody, power or control.

~~(d)(e)~~ Notwithstanding Rule 2.5, UBS MTF Management may disclose any information or documents for the purpose of enabling it to institute, continue, or defend any proceedings, including any court proceedings.

~~(e)(f)~~ UBSL may keep information or documents which come into its possession under these Rules for such period as it considers appropriate.

9.3 Investigation

- (a) Once UBS MTF Management has determined in its absolute discretion that a Rule breach has occurred (whether such Rule breach is detected by UBS MTF Management or reported by a Member), UBS MTF Management will consider all the circumstances of the case in order to determine whether to invoke sanctions under Rule 9.5. In considering whether to impose such sanctions, UBS MTF Management will have regard to the following factors:

- (i) The nature and seriousness of the breach:

- (A) whether the Rule breached is of high importance to the running of an orderly market;
 - (B) whether the breach was deliberate or reckless and/or whether the Member acted with a lack of integrity in the course of the breach or the subsequent investigation;
 - (C) the market impact of the breach on the orderliness of the market, including whether the integrity of UBS MTF is damaged and whether proper standards of market conduct were disregarded;
 - (D) the duration and/or frequency of the breach;
 - (E) the amount of any benefit gained or loss avoided as a result of the breach;
 - (F) whether the breach reveals systemic weakness in the Member's internal systems and controls relating to the Member's participation and trading on UBS MTF;
 - (G) whether there are a number of small issues, which individually may not justify sanctions, but which do so when taken collectively.
- (ii) The conduct of the Member before and after the breach:
- (A) If the breach was not identified by UBS MTF Management, how quickly, effectively and completely the Member brought the breach to the attention of UBS MTF Management;
 - (B) The degree of cooperation the Member showed during the investigation of the breach;
 - (C) any remedial action taken by the Member since the Rule breach was identified (including taking disciplinary action against employees, agents or customers involved; addressing any systemic failures; and taking action designed to ensure that similar issues did not arise in the future); and
 - (D) the likelihood that the same type of Rule breach will recur if no action is taken.
- (iii) The previous compliance record of the Member:
- (A) Whether UBS MTF Management has previously requested the Member take remedial action to rectify the same or similar issue;
 - (B) Whether the Member has previously given undertakings to UBS MTF Management that similar issues have been resolved and a particular behaviour has ceased;
 - (C) Whether UBS MTF Management has previously invoked sanctions against the Member for the breach in question; and
 - (D) The general compliance history of the Member.
- (iv) Action taken by UBS MTF Management in previous similar cases:

UBS MTF Management will take account of the action it has taken previously in the same or related cases and will record any investigations on the Member's compliance record.

9.4 Assistance

Members will provide all reasonable assistance ~~to requested by~~ UBS MTF Management and its delegates ~~including, to UBS MTF Management's satisfaction. This assistance shall be provided within the timeframes specified and shall include, without limitation providing, the submission of information,~~ access to information, premises and individuals reasonably within the control of the Member regarding:

- (a) the provision of all information (including responding to questionnaires) and documents requested by UBS MTF Management; and
- (b) investigations by UBS MTF Management of a Member's compliance with these Rules.

9.5 Sanctions

In the interests of maintaining a fair and orderly market, UBS MTF Management will have absolute discretion in using any/all of the following sanctions for breach of the Rules in relation to a Member or a former Member who is still bound by the Rules in accordance with Rule 2.7 and will notify a Member of any decision to apply any such sanction:

- (i) written warning;
- (ii) temporary suspension;
- (iii) publication of details of the offender and rule infringement;
- (iv) levying a fine or additional charges;
- (v) issuing a cease and desist order;
- (vi) termination of participation.

9.6 Complaints

- (a) Any complaint about the conduct of a Member or suspicion that any of the foregoing has committed or is about to commit a breach of these Rules, shall be made in writing, where possible, and be addressed to UBS MTF.
- (b) If UBS MTF considers the complaint to have merit and that it may constitute a breach of these Rules he or she may recommend to UBS MTF Supervisor that it commence an investigation into the potential breach of the Rules. UBS MTF Management may give notice to a Member of the results of any such investigation which may include notice of a sanction pursuant to Rule 9.5.

9.7 Waiver

UBS MTF Management may, at its discretion, waive the enforcement of these Rules but any waiver shall not prevent or restrict UBS MTF Management from taking action to enforce these Rules whether in respect of any other infringement of them (even if related) or against any other Member in relation to the same breach.

10. PRE- AND POST TRADE TRANSPARENCY

- (a) UBS MTF Management will ensure that, in accordance with the principles in MAR 5.7.1(2)(a), UBS MTF will not make public the current bid and / or offer prices, or the depth of trading interests at those prices in any circumstances.
- (b) UBS MTF Management will ensure that all Relevant Information for each Relevant Transaction is published immediately on the conclusion of such Relevant Transaction regardless of the transaction size. This will constitute a trade report for the purposes of the FCA Rules.
- (c) Members must not submit trade reports for the Relevant Transactions concluded on UBS MTF elsewhere in satisfaction of any trade reporting requirement imposed by MiFID.

11. GOVERNING LAW

These Rules are governed by, and shall be construed in accordance with, the laws of England and Wales.

1. Introduction

- 1.1. This Guide explains the policies, procedures and technology used by UBS Limited to operate the UBS multilateral trading facility.
- 1.2. Terms defined in the UBS MTF Rulebook shall have the same meaning in this Guide.

2. Overview of How UBS MTF Works

- 2.1. UBS MTF is an FCA authorised Multilateral Trading Facility (UBS MTF). It is a dark pool that allows professional investors to trade pan-European securities. Trades are matched anonymously through the UK based UBS MTF matching engine at the midpoint, bid or offer of the relevant primary exchange. UBS MTF offers a simple, transparent fee structure based on value traded.
- 2.2. UBS MTF, operating as a dark pool, is eligible for the pre-trade transparency waivers available to reference price systems and to orders that are large in scale compared to Normal Market Size under the Markets in Financial Instruments Directive.
- 2.3. This Guide aims to provide you with an understanding of UBS MTF's most relevant features but you should also read the related documents, including but not limited, to the UBS MTF Rulebook and the UBS MTF Membership Agreement.

3. Technology

- 3.1. UBS Limited has a wealth of experience of providing and managing data, developed through its extensive Equities businesses. UBS MTF was delivered by similar standards of excellence, using IT systems already in place. UBS Limited has proven experience of providing high levels of security and reliability which continue to be evident in the maintenance of UBS MTF.

4. Participation in UBS MTF

- 4.1. Participation in UBS MTF is open to all who meet the Eligibility Criteria delineated in the UBS MTF Rulebook.
- 4.2. As UBS MTF operates as a dark pool, there is complete pre- and post-trade anonymity. All trades are reported to CBoe BXTR on a real-time basis.

5. Applications

- 5.1. Applications for participation may be made using the UBS MTF application form, available upon request.
- 5.2. UBS MTF may also request additional information and will request any such information as it may from time to time require.

6. Continuing Obligations

- 6.1. Members are responsible for ensuring that, at all times, they, their directors, officers, employees and agents who have access to the UBS MTF have adequate experience, knowledge and competency to conduct transactions on UBS MTF.
- 6.2. Members must have and maintain adequate internal procedures and controls to ensure the competency of their staff. The procedures are detailed further in the UBS MTF Rulebook.
- 6.3. Members must have in place a valid agreement with a UBS MTF central counterparty for clearing and settlement services in accordance with the Rules in the MTF Rulebook.

UBS MTF does not cross orders during suspensions or trading halts on the primary markets, or when crossing is prevented due to well-formed market checks. Please note that UBS MTF has no opening or closing auctions and there will be no matching on UBS MTF during auctions on the primary markets.

9. Market Data

UBS MTF trade reports to the Cboe BXTR service. As the MTF is a “dark” venue, pre-trade market data such as bid / ask, market depth, and turnover is not published.

10. Securities Available On UBS MTF

UBS MTF offers trading in pan-European Equity instruments, including shares, Depository Receipts and ETFs.

11. Order Functionality Available On UBS MTF

11.1. Visibility

All Orders are dark and as such will not be displayed to other participants on UBS MTF.

11.2. Duration

UBS MTF accepts only Pegged, IOC and Day Orders (See Rulebook for definitions of order types).

11.3. Minimum order size

The minimum order size is 1.

11.4. Peg Types / MAQ / Sweep Order

Orders must be pegged to the best bid, mid or offer of the primary market.

UBS MTF permits a Member to place an order which excludes matching against another order unless that other order is of a minimum acceptable quantity.

A sweep order allows a Member to seek liquidity at two or more of the Primary Market best bid, mid or offer prices in order of increasing price if a buy order or decreasing price if a sell order. A half sweep order seeks liquidity in the first two price points; a full sweep order seeks liquidity in all three price points.

11.5. Self-Cross Prevention

Orders may be instructed not to cross against other orders entered under the same participant ID. If no such instruction is given, orders are eligible to cross against any matching order, including orders entered by the same participant.

11.6. Throttling limit

UBS MTF throttling limit is set at 1,000 messages per second per trading session. New Order and Order Amend messages will be rejected when the limit above is breached. Order Cancel messages will be accepted.

11.7. Order to Transaction Ratio

UBS MTF has published two *Order to Transaction ratios* on the UBS MTF website. These ratios may be amended from time to time and Participants will be notified by Market Notice:

Order to Transaction Ratio is set to set to 750; and

Order volume to transaction volume ratio is set to 15000 shares

12. Fees

- 12.1. Fees and charges are applicable as laid out in the UBS MTF Rules, Membership Agreement, and Fee Schedule as notified to all Members from time to time. The UBS MTF Fee Schedule is published on the UBS MTF website at <http://www.ubs.com/mtf>.
- 12.2. Members will pay settlement fees to the central counterparty it has chosen to settle transactions on the MTF. Pricing of this service will depend on the terms of the agreement between the central counterparty and the Member.
- 12.3. There are no membership fees and no per trade or cancellation fees. However, Members shall pay to UBS MTF all applicable subscriptions, charges, fees and any other costs due in accordance with the UBS MTF Rulebook, the UBS MTF Membership Agreement or the fee schedule for UBS MTF as notified to all Members from time to time.

13. Tick Sizes

- 13.1. UBS MTF follows the tick size structure as defined by the reference market for each instrument.

14. Notifications

- 14.1. Notification of changes to UBS MTF by Members (as delineated within the UBS MTF Rulebook) should be made as soon as is reasonably practicable and, in any event, wherever possible at least twenty-one (21) calendar days prior to the effective date of any such change.

15. Substantial Shareholdings

- 15.1. A Member should ensure that, where necessary, any Relevant Transactions executed on UBS MTF are incorporated into its calculations with regard to any applicable substantial shareholdings rules.
- 15.2. Where there is a requirement under any applicable substantial shareholdings rules to notify any person or body as to the existence of a substantial shareholding, Members must ensure compliance with such obligations. Please note that notification to UBS MTF will not discharge any obligations under any applicable substantial shareholding rules or their equivalent.

16. Rules of fair practice

- 16.1. Each Member shall ensure its compliance with the UBS MTF Rulebook and the rules and guidance of the FCA and any other relevant regulatory authority, the EU Market Abuse Directive 2014/57/EU, Market Abuse Regulation (EU) No 596/2014, and any other applicable regulation or law.

17. Erroneous transactions

- 17.1. The UBS MTF Management has discretion to cancel an order or transaction where it decides that an order or transaction is erroneous.

18. Default

- 18.1. If at any time a Member suffers an Event of Default, UBS MTF may take action in accordance with Rule 8 of the UBS MTF Rulebook. Pursuant to Rule 8, UBS MTF shall be entitled, without prior notice to the relevant Member, to take any actions it deems appropriate at its sole discretion. Such actions may include but shall not be limited to the following:
- a) to cancel some or all orders or transactions;
 - b) to suspend the Member's participation on UBS MTF;
 - c) to treat any or all Orders or Relevant Transactions then outstanding as having been repudiated by the Member, in which case UBS MTF's obligations under such Orders and / or Relevant Transactions shall be cancelled and terminated.

19. Clearing and Settlement

- 19.1. Members must have in force a valid clearing agreement with a CCP. The CCP concerned will administer the clearing and settlement of all transactions on UBS MTF and the relevant CCP's rules will govern such clearing and settlement in addition to these Rules.
- 19.2. The standard settlement cycle / the standard place for settlement for the relevant security will apply to transactions on the MTF.
- 19.3. Members must ensure that securities and/or cash delivered in settlement of a transaction are free of any lien, charge or encumbrance.
- 19.4. A Member shall treat a security as being 'ex' a benefit from the time that security is marked 'ex' that benefit on the Primary Market. However, UBS MTF will take no responsibility for marking a security as 'ex' or 'cum' a benefit on the UBS MTF. The responsibility for accurately pricing a security undergoing a corporate action is solely with the Member.
