## *Large in Scale and Order Book Sweep Reminder*

12 January 2017

Dear Member,

UBS MTF would like to remind Members of our upcoming functionality changes as announced previously in our Market Notice of 18<sup>th</sup> November 2016.

From 16<sup>th</sup> January 2017, UBS MTF will support the Large in Scale Waiver (LIS) in addition to our current Reference Price Waiver (RPW) for executions in the three Order Books. Members will also be able to use a new execution instruction to allow one single order to seek liquidity in the three order books, known as Order Book Sweep.

Details of these new functionalities are published on the UBS MTF web site in our Rules of Engagement and revised Rulebook.

As announced in our previous notice, these functionalities are available in our Test environment and Members can contact our Deployment & Testing team to arrange testing.
