

UBS MTF Market Notice

Network Upgrades on 9 February

25 January 2019

Dear Member,

We would like to inform you that on Saturday 9 February 2019 we will be performing some network upgrades to our equipment at our Slough datacentre.

This is part of routine maintenance and we do not expect any changes to your service. Please be advised that network alarms may be triggered during the maintenance work as network (BGP) peerings and interfaces will reload. This is a network only activity. All routing should be the same post the upgrades and we will be verifying this before closing the works.

Member testing is not required however if you wish to participate in a sanity check on Saturday 9 February, between 12:00 and 14:00 UK Time, this can be arranged with the MTF Supervisors.

If you have any queries regarding this notice please contact the UBS MTF Supervisors at +44 207 568 2052 or ubs_mtf@ubs.com.

UBS MTF Management

Notice N2 2019
