¹ Refer to "Capital and total loss-absorbing capacity instruments" under "Bondholder information" at www.ubs.com/investors for more information about the key features and the terms and conditions of the capital instruments included in the table above. Instruments are listed according to their maturity and optional call date, if applicable. ² According to the eligibility criteria as per the Capital Adequacy Ordinance applicable as of 1 January 2020, instruments available to meet gone concern requirements remain eligible until one year before maturity without a haircut of 50% in the last year of eligibility. ³ Relates to deferred contingent capital plan (DCCP) awards. ⁴ Includes outstanding low-trigger loss-absorbing additional tier 1 (AT1) capital instruments, which are available under the Swiss SRB framework to meet the going concern requirements until their first call date. As of their first call date, these instruments are eligible to meet the gone concern requirements. ⁵ Non-Basel III-compliant tier 2 capital instruments qualify as gone concern instruments. ⁶ Information corresponds to the amortized face amount as of 30 September 2020, and therefore includes the applicable accrual yield. ⁷ The eligible amounts presented are adjusted for own credit related gains / losses.

Notice to investors | This document and the information contained herein are provided solely for information purposes, and are not to be construed as solicitation of an offer to buy or sell any securities or other financial instruments in Switzerland, the United States or any other jurisdiction. No investment decision relating to securities of or relating to UBS Group AG, UBS AG or their affiliates should be made on the basis of this document. Refer to UBS's third quarter 2020 report and its Annual Report 2019 for additional information. These reports are available at www.ubs.com/investors.

Rounding | Numbers presented throughout this report may not add up precisely to the totals provided in the tables and text. Percentages and percent changes are calculated on the basis of unrounded figures. Information about absolute changes between reporting periods, which is provided in text and which can be derived from figures displayed in the tables, is calculated on a rounded basis.

Tables | Within tables, blank fields generally indicate that the field is not applicable or not meaningful, or that information is not available as of the relevant date or for the relevant period. Zero values generally indicate that the respective figure is zero on an actual or rounded basis. Percentage changes are presented as a mathematical calculation of the change between periods.
