Any beneficial interest of an Indirect Holder in any Note represented by one of the Global Certificates that is transferred to a Person who takes delivery in the form of a beneficial interest in such Note represented by another Global Certificate will, upon transfer, cease to be a beneficial interest in such first Global Certificate and become a beneficial interest in the other Global Certificate and, accordingly, will thereafter be subject to all transfer restrictions, if any, and other procedures applicable to beneficial interests in such other Global Certificate for as long as it retains such an interest.

- (c) The Holder of a Global Certificate may grant written proxies and otherwise authorize any Person, including, without limitation, Indirect Holders, to take any action that a Holder is entitled to take under the Conditions or the Notes represented by such Global Certificate, and nothing in the Conditions will
 - (i) prevent the Issuer, the Agents or any of their respective agents from giving effect to any such proxies or other authorizations granted by the Holder of a Global Certificate and furnished to the Issuer or any such Agent, as the case may be, by the Depository or
 - (ii) impair, as between the Depository and its participants, the operation of customary practices of the Depository governing the exercise of the rights of an Indirect Holder of a Note represented by a Global Certificate.
- (d) None of the Issuer, the Fiscal Agent, the Registrar and the other Agents will have any responsibility or obligation to a participant of a Relevant Clearing System or any other Person with respect to the accuracy of the records of the Depository (or its nominee) or of any participant of a Relevant Clearing System, with respect to (i) any ownership interest in the Notes, (ii) the delivery of any notice (including any notice of redemption pursuant to Condition 6) under or with respect to the Notes or (iii) the payment of any amount or delivery of any Notes (or other security or property) under or with respect to the Notes. The Issuer, the Fiscal Agent, the Registrar and the other Agents may rely (and will be fully protected in relying) upon information furnished by the Depository with respect to its participants and/or any Indirect Holders of Notes represented by a Global Certificate.

2.3 Definitive Certificates

Definitive Notes in registered form (each, a “Definitive Certificate”) will be issued, and a Global Certificate will be exchanged, in whole, but not in part, for Definitive Certificates, if (and only if):

- (a) the Depository notifies the Issuer that it is unwilling or unable to continue as Depository for such Global Certificate or the Depository at any time ceases to be a “clearing agency” registered under the U.S. Exchange Act, and, in either case, a successor Depository is not appointed by the Issuer within 90 days of such notice or after the Issuer becomes aware of such event; or
- (b) an Event of Default has occurred and is continuing and the Depository requests the exchange of such Global Certificate for Definitive Certificates; or
- (c) the Issuer, in its sole discretion, elects to cause the issuance of Definitive Certificates.

If a Global Certificate is to be exchanged for Definitive Certificates pursuant to this Condition 2.3, the Issuer will procure the prompt delivery (free of charge) of Definitive Certificates, duly executed without interest coupons, registered in the names of the relevant Indirect Holders, addresses and denominations (subject to the Specified Denomination) provided by the Depository to the Fiscal Agent (which information shall be provided by the Depository subject to its procedures and also specify the taxpayer identification number, if any, of each Person in whose name such Definitive Certificates are to be registered). Upon written direction of the Issuer, the Fiscal Agent will deliver such Definitive Certificates to the Holders thereof not later than five Business Days after receipt by the Fiscal Agent of the information provided by the Depository referred to above (and any other necessary information as the Fiscal Agent may reasonably request from the Issuer at such time). The Fiscal Agent shall promptly cancel and deliver to the Issuer the surrendered Global Certificates. The form of Definitive Certificate that will be issued in exchange for a beneficial interest in a Note represented by a Rule 144A Global Certificate and the form of Definitive Certificate that will be issued in exchange for a beneficial interest in a Note represented by a Regulation S Global Certificate are set out in the Fiscal Agency Agreement, which forms will be made available by the Registrar to any Holder upon written request.

3. TRANSFERS OF NOTES

3.1 General

- (a) Title to the Notes shall pass by transfer (*Zession*) and due registration in the register that the Issuer shall ensure is maintained by the Registrar in accordance with the provisions of the Fiscal Agency Agreement (the “Register”). All transfers of Notes and entries on the Register will be made subject to the detailed regulations concerning transfers of Notes included in the Fiscal Agency Agreement. The regulations may be changed by the Issuer from time to time. A copy of the current regulations will be made available by the Registrar to any Holder upon written request.

- (b) Transfers of Notes and the issue of new Global Certificates or, as the case may be, new Definitive Certificates on transfer will be effected without charge by or on behalf of the Issuer or the Registrar, but upon payment of any tax or other governmental charges that may be imposed in relation to the transfer (or the giving of such indemnity as the Registrar may require).
- (c) No Holder may require the transfer of a Note to be registered (i) during the period of 15 days ending on (and including) the Maturity Date or any Optional Redemption Date (if such Note is to be redeemed pursuant to Condition 6.2, Condition 6.3, Condition 6.4 or Condition 6.5), or (ii) during the period beginning on (and including) any Record Date and ending on (but excluding) the next succeeding Interest Payment Date.
- (d) No Person (including any Indirect Holder) other than the Holder(s) shall have any rights, or be owed any obligations by the Issuer, under the Notes.

3.2 **Transfer of Notes represented by a Global Certificate**

- (e) Global Certificates may be transferred only in whole, but not in part, and only to a Relevant Clearing System or any successor or nominee of a Relevant Clearing System, in each case, located outside of Switzerland. Beneficial interests of Indirect Holders in Notes represented by Global Certificates will be transferred only in accordance with the rules and procedures of any Relevant Clearing System, the regulations concerning transfer of Notes included in the Fiscal Agency Agreement (which regulations will be made available by the Registrar to any Holder upon written request) and this Condition 3.2.
- (f) A beneficial interest in a Note represented by a Regulation S Global Certificate may be transferred to a Person who takes delivery in the form of a beneficial interest in a Note represented by a Rule 144A Global Certificate during the Restricted Period only if such transfer occurs in connection with a transfer of beneficial interests in the Notes pursuant to Rule 144A and the transferor first delivers to the Fiscal Agent and the Registrar a written certificate substantially in the form of the applicable certificate attached to the Fiscal Agency Agreement, which certificate will be made available by the Registrar to any Holder upon written request, to the effect that the beneficial interests in the Notes are being transferred to a Person who the transferor reasonably believes is a QIB, purchasing the beneficial interests in the Notes for its own account or the account of a QIB in a transaction meeting the requirements of Rule 144A and to whom notice is given that the transfer is being made in reliance on Rule 144A and in accordance with all applicable securities laws of the states of the United States and other jurisdictions.
- (g) A beneficial interest in a Note represented by a Rule 144A Global Certificate may be transferred to a Person who takes delivery in the form of a beneficial interest in a Note represented by a Regulation S Global Certificate, whether before or after the expiration of the Restricted Period, only if the transferor first delivers to the Fiscal Agent and the Registrar a written certificate substantially in the form of the applicable certificate attached to the Fiscal Agency Agreement, which certificate will be made available by the Registrar to any Holder upon written request, to the effect that the transfer is being conducted in compliance with Rule 903 or Rule 904 of Regulation S.

3.3 **Transfer of Notes represented by a Definitive Certificate**

- (h) If and when Definitive Certificates have been printed pursuant to Condition 2.3, one or more Notes may be transferred only in accordance with the form of transfer attached to such Definitive Certificate (or another form of transfer provided by the Issuer that is substantially in the same form and containing the same representations and certifications, unless otherwise agreed by the Issuer), duly completed and executed and any other evidence as the Issuer may reasonably require (including, if the Issuer so requests, an opinion of counsel). A new Definitive Certificate will be issued to the transferee in respect of the Notes that are the subject of the relevant transfer and, in the case of a transfer of part only of a holding of Notes represented by one Definitive Certificate, a new Definitive Certificate in respect of the balance of the Notes not transferred will be issued to the transferor (subject to the Specified Denomination). In the case of a transfer of Notes to a Person who is already a Holder, a new Definitive Certificate representing the enlarged holding may be issued but only concurrently (*Zug um Zug*) against surrender of the Definitive Certificate representing the existing holding of such Person.

- (i) Each new Definitive Certificate to be issued pursuant to Condition 3.3(a) will be available for delivery within three Business Days of receipt of the form of transfer and surrender of the relevant Definitive Certificate. Delivery of new Definitive Certificate(s) will be made at the Specified Office of the Registrar to whom delivery and surrender of such form of transfer and Definitive Certificate or, as the case may be, surrender of such Definitive Certificate, will have been made or, at the option of the relevant Holder and as specified in the relevant form of transfer or otherwise in writing, be mailed by uninsured post at the risk of the Holder entitled to the new Definitive Certificate to such address as may be so specified, unless such Holder requests otherwise and pays in advance to the Registrar the costs of such other method of delivery and/or such insurance as it may specify.

3.4 Rule 144A

Each Note that is initially sold to a person reasonably believed to be a QIB has not been and will not be registered under the U.S. Securities Act, or with any securities regulatory authority of any state or other jurisdiction and such Notes may not be sold, pledged or otherwise transferred, except (w) in accordance with Rule 144A to a Person that the Holder and any Person acting on its behalf reasonably believe is a QIB that is acquiring such Notes for its own account or for the account of one or more QIBs, (x) in an offshore transaction to a non-U.S. person in accordance with Rule 903 or Rule 904 of Regulation S, (y) pursuant to an exemption from registration under Rule 144 under the U.S. Securities Act, if available, or (z) pursuant to an effective registration statement under the U.S. Securities Act, in each case, in accordance with any applicable securities laws of any state of the United States.

4. STATUS OF THE NOTES

The Notes constitute direct, unconditional, unsecured and unsubordinated obligations of the Issuer and rank *pari passu* with all other present or future unsecured and unsubordinated obligations of the Issuer and without any preference among themselves, except for such preference as is provided by any mandatory applicable provision of law.

5. INTEREST

The applicable Pricing Terms will indicate whether the Notes are Fixed Rate Notes, Fixed Rate/Fixed Rate Notes, Floating Rate Notes, Fixed Rate/Floating Rate Notes or Floating Rate/Fixed Rate Notes.

5.1 Interest on Fixed Rate Notes and Fixed Rate/Fixed Rate Notes

This Condition 5.1 applies to Fixed Rate Notes and Fixed Rate/Fixed Rate Notes only.

- (a) The Notes will bear interest on their principal amount at the applicable Fixed Rate of Interest from (and including) the Issue Date to (but excluding) (i) in the case of a Note redeemed early pursuant to Condition 6.2, Condition 6.3, Condition 6.4 or Condition 6.5, the applicable Optional Redemption Date, or (ii) otherwise, the Maturity Date; *provided, however*, that if (upon due presentation or surrender thereof where presentation or surrender is required) payment with respect to any Note is improperly withheld or refused on such Optional Redemption Date or the Maturity Date, as the case may be, interest will continue to accrue on the principal amount of such Note (both before and after judgment) at the Fixed Rate of Interest to (but excluding) the Relevant Date. Subject to Condition 5.4, interest on the Notes will be payable in arrear on each Interest Payment Date.
- (b) The amount of interest payable in respect of any Note on any Interest Payment Date or any other date will be calculated by:
 - (i) multiplying the applicable Fixed Rate of Interest by the principal amount of such Note;
 - (ii) multiplying the product thereof by the Day Count Fraction; and
 - (iii) rounding the resulting figure to the nearest sub-unit (with one-half sub-unit being rounded upwards).

- (c) In the case of Notes that are Fixed Rate/Fixed Rate Notes, (i) the Calculation Agent will determine, as soon as practicable after the Relevant Time on the Reset Determination Date, the Fixed Rate of Interest applicable to the Reset Period, and (ii) the Issuer will cause such Fixed Rate of Interest to be notified to any stock exchange or other relevant authority on which the Notes are at the relevant time listed and, in accordance with Condition 15, to the Holders.
- (d) In the case of Notes that are Fixed Rate/Fixed Rate Notes, the following provisions apply:
- (i) If the Replacement Rate Agent determines at any time at or prior to the Relevant Time on the Reset Determination Date that the rate appearing on the relevant screen page or published by the relevant source for purposes of calculating the Reset Reference Rate (the “Existing Reset Reference Rate”) has been discontinued, then it will determine whether to use a substitute or successor rate for purposes of determining the Reset Reference Rate on the Reset Determination Date that it has determined is most comparable to the Existing Reset Reference Rate had it not been discontinued. If the Replacement Rate Agent determines to use a substitute or successor rate pursuant to the immediately preceding sentence, it will select such rate, *provided* that if it determines there is an appropriate industry-accepted successor rate to the Existing Reset Reference Rate, the Replacement Rate Agent will use such industry-accepted successor rate.
 - (ii) If the Replacement Rate Agent has determined a substitute or successor rate in accordance with subclause (i) of this Condition 5.1(d) (such rate, the “Replacement Reset Reference Rate”), for purposes of determining the Fixed Rate of Interest applicable to the Reset Period, (A) the Replacement Rate Agent will determine (x) the method for obtaining the Replacement Reset Reference Rate (including any alternative method for determining the Replacement Reset Reference Rate if such substitute or successor rate is unavailable on the Reset Determination Date), which method shall be consistent with industry-accepted practices for the Replacement Reset Reference Rate, if any, and (y) any adjustment factor as may be necessary to reduce or eliminate, to the extent reasonably practicable under the circumstances, any economic prejudice or benefit (as applicable) to Holders as a result of the replacement of the Existing Reset Reference Rate with the Replacement Reset Reference Rate, which adjustment factors shall be consistent with any industry-accepted practices where the Replacement Reset Reference Rate has replaced the Existing Reset Reference Rate for fixed rate reset notes denominated in the Specified Currency, (B) references to the Reset Reference Rate in the Conditions will be deemed to be references to the Replacement Reset Reference Rate, including any alternative method for determining such rate and any adjustment factor as described in subclause (A) above, (C) if the Replacement Rate Agent determines that (1) changes to the definitions of Business Day, Day Count Fraction, Reset Determination Date or Relevant Time, and/or (2) any other technical changes to any other provision of the Conditions are necessary in order to implement the Replacement Reset Reference Rate as the Reset Reference Rate (including any alternative method or adjustment factor described in subclause (x) or subclause (y), respectively, above) in a manner substantially consistent with market practices (or, if the Replacement Rate Agent decides that adoption of any portion of such market practice is not administratively feasible or if the Replacement Rate Agent determines that no market practice for use of the Replacement Reset Reference Rate exists, in such other manner as the Replacement Rate Agent determines is reasonably necessary), such definitions and other provisions will be amended as contemplated in Condition 16.2 to reflect such changes, and (D) the Issuer will give notice or will procure that notice is given as soon as practicable to the Fiscal Agent, the Calculation Agent and the Paying Agents and, in accordance with Condition 15, the Holders, specifying the Replacement Reset Reference Rate, as well as the details described in subclause (A) above and the amendments implemented pursuant to Condition 16.2.
 - (iii) Any determination to be made by the Replacement Rate Agent pursuant to this Condition 5.1(d), including any determination with respect to a rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be made in the sole discretion of the Replacement Rate Agent acting in good faith and in a commercially reasonable manner.

5.2 Interest on Floating Rate Notes, Fixed Rate/Floating Rate Notes and Floating Rate/Fixed Rate Notes

This Condition 5.2 applies to Floating Rate Notes, Fixed Rate/Floating Rate Notes and Floating Rate/Fixed Rate Notes only.

- (a) The Notes will bear interest on their principal amount at the applicable Rate of Interest from (and including) the Issue Date to (but excluding) (i) in the case of a Note redeemed early pursuant to Condition 6.2, Condition 6.3, Condition 6.4 or Condition 6.5, the applicable Optional Redemption Date, or (ii) otherwise, the Maturity Date; *provided, however*, that if (upon due presentation or surrender thereof where presentation or surrender is required) payment with respect to any Note is improperly withheld or refused on such Optional Redemption Date or the Maturity Date, as the case may be, interest will continue to accrue on the principal amount of such Note (both before and after judgment) at the applicable Rate of Interest to (but excluding) the Relevant Date. Subject to Condition 5.4, interest on the Notes will be payable in arrear on each Interest Payment Date.
- (b) The amount of interest payable in respect of any Note on any Interest Payment Date or any other date will be calculated by:
 - (i) multiplying the applicable Rate of Interest by the principal amount of such Note;
 - (ii) multiplying the product thereof by the Day Count Fraction; and
 - (iii) rounding the resulting figure to the nearest sub-unit (with one-half sub-unit being rounded upwards).
- (c) With respect to each Interest Reset Period, (i) the Calculation Agent will calculate, as soon as practicable after Relevant Time on the related Interest Determination Date, the Reference Rate and the Floating Rate of Interest for such Interest Reset Period, and (ii) the Issuer will cause the Floating Rate of Interest for such Interest Reset Period to be notified to any stock exchange or other relevant authority on which the Notes are at the relevant time admitted to trading and/or listed and, in accordance with Condition 15, to the Holders. Unless the Reference Rate is Compounded Daily SOFR, at the written request of any Holder, the Calculation Agent will provide to such Holder the Floating Rate of Interest in effect at the time of such request and, if already determined, the Floating Rate of Interest that will become effective as of the next Interest Reset Date. If the Reference Rate is Compounded Daily SOFR, at the written request of any Holder, the Calculation Agent will provide to such Holder the Floating Rate of Interest in effect at the time of such request, if such Floating Rate of Interest is already determined.
- (d) If any Notes are to be redeemed pursuant to Condition 6.2, Condition 6.3, Condition 6.4 or Condition 6.5 and, in the case of Fixed Rate/Floating Rate Notes and Floating Rate/Fixed Rate Notes, the Optional Redemption Date falls in the Floating Rate Period, (i) the Calculation Agent will calculate any interest amount payable on such Notes on such Optional Redemption Date and (ii) the Issuer will cause such interest amount to be notified to any stock exchange or other relevant authority on which the Notes are at the relevant time admitted to trading and/or listed and, in accordance with Condition 15, to the Holders no later than two Business Days prior to such Optional Redemption Date.
- (e) If the Reference Rate is not Compounded Daily SOFR, the following provisions apply:
 - (i) If the Replacement Rate Agent determines at any time at or prior to the Relevant Time on any Interest Determination Date that the rate appearing on the relevant screen page or published by the relevant source for purposes of calculating the Reference Rate (the “Existing Reference Rate”) has been discontinued, then it will determine whether to use a substitute or successor rate for purposes of determining the Reference Rate on such Interest Determination Date and each Interest Determination Date thereafter that it has determined is most comparable to the Existing Reference Rate had it not been discontinued. If the Replacement Rate Agent determines to use a substitute or successor rate pursuant to the immediately preceding sentence, it will select such rate, *provided*

that, if it determines there is an appropriate industry-accepted successor rate to the Existing Reference Rate, the Replacement Rate Agent will use such industry-accepted successor rate.

- (ii) If the Replacement Rate Agent has determined a substitute or successor rate in accordance with subclause (i) of this Condition 5.2(e) (such rate, the “Replacement Reference Rate”), for purposes of determining the Floating Rate of Interest, (A) the Replacement Rate Agent will determine (x) the method for obtaining the Replacement Reference Rate (including any alternative method for determining the Replacement Reference Rate if such substitute or successor rate is unavailable on the relevant Interest Determination Date), which method shall be consistent with industry-accepted practices for the Replacement Reference Rate, if any, and (y) any adjustment factor as may be necessary to reduce or eliminate, to the extent reasonably practicable under the circumstances, any economic prejudice or benefit (as applicable) to Holders as a result of the replacement of the Existing Reference Rate with the Replacement Reference Rate, which adjustment factor shall be consistent with any industry-accepted practices where the Replacement Reference Rate has replaced the Existing Reference Rate for floating rate notes denominated in the Specified Currency at such time, (B) references to the Reference Rate in the Conditions will be deemed to be references to the Replacement Reference Rate, including any alternative method for determining such rate and any adjustment factor as described in subclause (A) above, (C) if the Replacement Rate Agent determines that (1) changes to the definitions of Business Day, Business Day Convention, Day Count Fraction, Interest Determination Date or Relevant Time, and/or (2) any other technical changes to any other provision of the Conditions are necessary in order to implement the Replacement Reference Rate as the Reference Rate (including any alternative method or adjustment factor described in subclause (x) or subclause (y), respectively, above) in a manner substantially consistent with market practices (or, if the Replacement Rate Agent decides that adoption of any portion of such market practice is not administratively feasible or if the Replacement Rate Agent determines that no market practice for use of the Replacement Reference Rate exists, in such other manner as the Replacement Rate Agent determines is reasonably necessary), such definitions and other provisions will be amended as contemplated in Condition 16.2 to reflect such changes, and (D) the Issuer will give notice or will procure that notice is given as soon as practicable to the Fiscal Agent, the Calculation Agent and the Paying Agents and, in accordance with Condition 15, the Holders, specifying the Replacement Reference Rate, as well as the details described in subclause (A) above and the amendments implemented pursuant to Condition 16.2.
- (iii) Any determination to be made by the Replacement Rate Agent pursuant to this Condition 5.2(c), including any determination with respect to a rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be made in the sole discretion of the Replacement Rate Agent acting in good faith and in a commercially reasonable manner.
- (f) If the Reference Rate is Compounded Daily SOFR, the following provisions apply:
 - (i) If the Benchmark Replacement is at any time required to be used pursuant to clause (c) of the definition of “SOFR Reference Rate,” then the Issuer or the Benchmark Replacement Agent, if any, will determine the Benchmark Replacement with respect to the then-current Benchmark in accordance with this Condition 5.2(f).
 - (ii) The “Benchmark Replacement” means, with respect to the then-current Benchmark, the first alternative set forth in the order presented below that can be determined by the Issuer or the Benchmark Replacement Agent, if any, as of the Benchmark Replacement Date with respect to the then-current Benchmark:
 - (A) the sum of (1) the alternate rate of interest that has been selected or recommended by the Relevant Governmental Body as the replacement for the then-current Benchmark for the applicable Corresponding Tenor and (2) the Benchmark Replacement Adjustment; or
 - (B) the sum of (1) the ISDA Fallback Rate and (2) the Benchmark Replacement Adjustment; or

- (C) the sum of (1) the alternate rate of interest that has been selected by the Issuer or the Benchmark Replacement Agent, if any, as the replacement for the then-current Benchmark for the applicable Corresponding Tenor, *provided* that, (x) if the Issuer or the Benchmark Replacement Agent, as the case may be, determines that there is an industry-accepted replacement rate of interest for the then-current Benchmark for U.S. dollar-denominated floating rate notes at such time, it shall select such industry-accepted rate, and (y) otherwise, it shall select such rate of interest that it has determined is most comparable to the then-current Benchmark, and (2) the Benchmark Replacement Adjustment.
- (iii) If the Issuer or the Benchmark Replacement Agent, as applicable, has determined the Benchmark Replacement in accordance with Condition 5.2(f)(ii):
 - (A) the Issuer or the Benchmark Replacement Agent, as applicable, shall also determine the method for determining the rate described in subclause (A)(1), (B)(1) or (C)(1), as applicable, of Condition 5.2(f)(ii) (including (1) the page, section or other part of a particular information service on or source from which such rate appears or is obtained (the “Alternative Relevant Source”), (2) the time at which such rate appears on, or is obtained from, the Alternative Relevant Source (the “Alternative Relevant Time”), (3) the day on which such rate will appear on, or is obtained from, the Alternative Relevant Source in respect of each U.S. Government Securities Business Day (the “Alternative Relevant Date”), and (4) any alternative method for determining such rate if is unavailable at the Alternative Relevant Time on the applicable Alternative Relevant Date), which method shall be consistent with industry-accepted practices for such rate, if any;
 - (B) from (and including) the Affected Day, references to the Relevant Time in the Conditions will be deemed to be references to the Alternative Relevant Time;
 - (C) if the Issuer or the Benchmark Replacement Agent, as applicable, determines that (1) changes to the definitions of Business Day, Business Day Convention, Compounded Daily SOFR, Day Count Fraction, Interest Determination Date, Interest Payment Date, Interest Reset Period, Observation Period, SOFR Reference Rate or U.S. Government Securities Business Day and/or (2) any other technical changes to any other provision of the Conditions are necessary in order to implement the Benchmark Replacement (including any alternative method described in subclause (A)(4) of this Condition 5.2(f)(iii)) as the Benchmark in a manner substantially consistent with market practices (or, if the Issuer or the Benchmark Replacement Agent, as the case may be, decides that adoption of any portion of such market practice is not administratively feasible or if the Issuer or the Benchmark Replacement Agent, as the case may be, determines that no market practice for use of the Benchmark Replacement exists, in such other manner as the Issuer or the Benchmark Replacement Agent, as the case may be, determines is reasonably necessary), such definitions and other provisions will be amended as contemplated in Condition 16.2 to reflect such changes; and
 - (D) the Issuer will give notice or will procure that notice is given as soon as practicable to the Fiscal Agent, the Calculation Agent and the Paying Agents and, in accordance with Condition 15, the Holders, specifying the Benchmark Replacement, as well as the details described in subclause (A) of this Condition 5.2(f)(iii) and the amendments implemented pursuant to Condition 16.2.
 - (iv) Notwithstanding the other provisions of this Condition 5.2(f), if the Issuer has appointed a Benchmark Replacement Agent and such Benchmark Replacement Agent is unable to determine whether a Benchmark Transition Event has occurred or, following the occurrence of a Benchmark Transition Event, has not selected the Benchmark Replacement as of the related Benchmark Replacement Date in accordance with this Condition 5.2(f), then, in such case, the Issuer will make such determination or select the Benchmark Replacement, as the case may be.

- (v) Any determination, decision or election that may be made by the Issuer or the Benchmark Replacement Agent, if any, pursuant to this Condition 5.2(f), including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event (including any determination that a Benchmark Transition Event and its related Benchmark Replacement have occurred with respect to the then-current Benchmark), circumstance or date and any decision to take or refrain from taking any action or any selection will be made in the sole discretion of the Issuer or the Benchmark Replacement Agent, as the case may be, acting in good faith and in a commercially reasonable manner.

5.3 **Calculations; Calculation Agent**

- (a) All percentages resulting from any calculation of an amount of interest payable in respect of a Note pursuant to this Condition 5 will be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (.0000001), with five one-millionths of a percentage point rounded upward.
- (b) All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of this Condition 5 will (in the absence of willful misconduct, bad faith and manifest error) be binding on the Issuer, the Calculation Agent, the Benchmark Replacement Agent, the Replacement Rate Agent, the Fiscal Agent, the Paying Agents and all Holders, and (in the absence of willful misconduct, bad faith and gross negligence) no liability to the Issuer or the Holders will attach to the Calculation Agent, the Benchmark Replacement Agent or the Replacement Rate Agent in connection with the exercise or non-exercise by it of its powers and duties under Condition 5.1 or Condition 5.2. Neither the Calculation Agent nor the Benchmark Replacement Agent nor the Replacement Rate Agent will be responsible to the Issuer, the Holders or any other Person (i) for failure by the Issuer or any other Person to fulfill their respective duties or meet their respective obligations with respect to the Notes, (ii) for obtaining quotations from any banks in connection with any determination to be made by the Calculation Agent, the Benchmark Replacement Agent or the Replacement Rate Agent in respect of the Notes, or (iii) as a result of the Calculation Agent, the Benchmark Replacement Agent or the Replacement Rate Agent having acted on any quotation or other information obtained from or provided by the Issuer, the Benchmark Replacement Agent, the Replacement Rate Agent or any other Person or source (including, without limitation, Reuters, Bloomberg and the U.S. Federal Reserve) that is subsequently found to be incorrect. Neither the Calculation Agent nor the Benchmark Replacement Agent nor the Replacement Rate Agent will be liable for any error resulting from the use of or reliance on a source of information used in good faith and with due care to make any calculation in respect of the Notes.

5.4 **Deferral, write-down, cancellation and/or conversion of interest**

Notwithstanding Condition 5.1 and Condition 5.2, payment of interest under this Condition 5 is subject to

- (a) deferral during a Suspension Period pursuant to the ordering of any Restructuring Protective Measures and
- (b) any write-down and cancellation and/or conversion into equity of the Issuer of the entire, or a portion of, the principal amount of, and/or accrued interest on, the Notes pursuant to the exercise of any Swiss Resolution Power, in the case of each of clauses (a) and (b), as described in Condition 12.

6. **REDEMPTION AND PURCHASE**

6.1 **Redemption at maturity**

Unless previously redeemed or purchased and cancelled, each Note will be redeemed by the Issuer on the Maturity Date at its principal amount, together with accrued and unpaid interest to (but excluding) the Maturity Date, if any.

6.2 **Redemption at the option of the Issuer for tax reasons**

If the Issuer has or will become obligated to pay Additional Amounts in respect of the Notes as a result of any change in, or amendment to, the laws (or any regulations or rulings promulgated thereunder) of any Tax Jurisdiction, or any change in the application or official interpretation of such laws, regulations or rulings, which change or amendment becomes effective on or after the Issue Date, and such obligation cannot be avoided by the Issuer taking reasonable measures available to it, the Issuer may, having given not less than 30 and not more than 60 days' (or such other minimum and/or maximum period as may be specified in the applicable Pricing Terms) notice to the Fiscal Agent and, in accordance with Condition 15, the Holders (which notice will, subject to Condition 6.6, be

irrevocable and shall specify the applicable Optional Redemption Date), redeem the Notes, in whole but not in part, on any Business Day (in the case of Fixed Rate Notes or Fixed Rate/Fixed Rate Notes or if the Notes are Fixed Rate/Floating Rate Notes or Floating Rate/Fixed Rate Notes and such redemption is during the Fixed Rate Period) or on any Interest Payment Date (in the case of Floating Rate Notes or if the Notes are Fixed Rate/Floating Rate Notes or Floating Rate/Fixed Rate Notes and such redemption is during the Floating Rate Period) at the applicable Optional Redemption Amount, together with accrued and unpaid interest to (but excluding) the applicable Optional Redemption Date.

6.3 **Redemption at the option of the Issuer (Issuer Call)**

The applicable Pricing Terms indicate whether the Notes are subject to redemption prior to the Maturity Date at the option of the Issuer (other than for tax reasons or pursuant to a Make-Whole Redemption or an Ineligibility Issuer Call) (such option, an “Issuer Call”). If the Issuer Call is specified as being applicable in the applicable Pricing Terms, then the Issuer may, having given not less than 10 and not more than 60 days’ (or such other minimum and/or maximum period as may be specified in the applicable Pricing Terms) notice to the Fiscal Agent and, in accordance with Condition 15, the Holders (which notice will, subject to Condition 6.6, be irrevocable and shall specify the applicable Optional Redemption Date and, if any pre-conditions to such redemption are specified in the applicable Pricing Terms, that such pre-conditions have been met), redeem the Notes, in whole or (subject to the Specified Denomination and any Minimum Redemption Amount and/or Maximum Redemption Amount) in part, on any Issuer Call Redemption Date at the applicable Optional Redemption Amount, together with accrued and unpaid interest to (but excluding) the applicable Optional Redemption Date.

6.4 **Redemption at the option of the Issuer (Make-Whole Redemption)**

The applicable Pricing Terms indicate whether the Notes are subject to redemption prior to the Maturity Date at the option of the Issuer (other than for tax reasons or pursuant to an Issuer Call or an Ineligibility Issuer Call) at the applicable Make-Whole Redemption Amount (such option, a “Make-Whole Redemption”). If a Make-Whole Redemption is specified as being applicable in the applicable Pricing Terms, then the Issuer may, having given not less than 10 and not more than 60 days’ (or such other minimum and/or maximum period as may be specified in the applicable Pricing Terms) notice to the Fiscal Agent and, in accordance with Condition 15, the Holders (which notice will, subject to Condition 6.6, be irrevocable and shall specify the applicable Optional Redemption Date and, if any pre-conditions to such redemption are specified in the applicable Pricing Terms, that such pre-conditions have been met), redeem the Notes, in whole or (subject to the Specified Denomination and any Minimum Redemption Amount and/or Maximum Redemption Amount) in part, on any Make-Whole Redemption Date at the applicable Make-Whole Redemption Amount, together with accrued and unpaid interest to (but excluding) the applicable Optional Redemption Date.

6.5 **Redemption at the option of the Issuer upon an Ineligibility Event (Ineligibility Issuer Call)**

The applicable Pricing Terms indicate whether the Notes are subject to redemption prior to the Maturity Date at the option of the Issuer if an Ineligibility Event has occurred and is continuing (such option, an “Ineligibility Issuer Call”). If an Ineligibility Issuer Call is specified as being applicable in the applicable Pricing Terms and an Ineligibility Event has occurred and is continuing, then the Issuer may, having given not less than 10 and not more than 60 days’ (or such other minimum and/or maximum period as may be specified in the applicable Pricing Terms) notice to the Fiscal Agent and, in accordance with Condition 15, the Holders (which notice will, subject to Condition 6.6, be irrevocable and shall specify the applicable Optional Redemption Date and, if any pre-conditions to such redemption are specified in the applicable Pricing Terms, that such pre-conditions have been met), redeem the Notes, in whole or (subject to the Specified Denomination and any Minimum Redemption Amount and/or Maximum Redemption Amount) in part, on any Business Day (in the case of Fixed Rate Notes or Fixed Rate/Fixed Rate Notes or if the Notes are Fixed Rate/Floating Rate Notes or Floating Rate/Fixed Rate Notes and such redemption is during the Fixed Rate Period) or on any Interest Payment Date (in the case of Floating Rate Notes or if the Notes are Fixed Rate/Floating Rate Notes or Floating Rate/Fixed Rate Notes and such redemption is during the Floating Rate Period) at the applicable Optional Redemption Amount, together with accrued and unpaid interest to (but excluding) the applicable Optional Redemption Date.

An “Ineligibility Event” has occurred if a change in the Capital Adequacy Ordinance and/or FSB TLAC Standard occurs after the Issue Date having the effect that the entire principal amount of the Notes ceases to be treated as both (i) debt instruments for loss absorbency in the course of insolvency measures (*Schuldinstrumente zur*

Verlusttragung bei Insolvenzmassnahmen) under the Capital Adequacy Ordinance and (ii) External TLAC under the FSB TLAC Standard.

6.6 Conditions to redemption

Notwithstanding Conditions 6.1 to 6.5,

- (a) any redemption of the Notes under this Condition 6 is subject to any write-down and cancellation and/or conversion into equity of the Issuer of the entire, or a portion of, the principal amount of, and/or accrued interest on, the Notes pursuant to the exercise of any Swiss Resolution Power and, in the case of Condition 6.1, to deferral during a Suspension Period pursuant to the ordering of any Restructuring Protective Measures;
- (b) if the Issuer has given a notice of redemption pursuant to Condition 6.2, Condition 6.3, Condition 6.4 or Condition 6.5, but, prior to payment of the applicable Optional Redemption Amount or Make-Whole Redemption Amount, as applicable, with respect to such redemption, CSG Restructuring Proceedings are opened, then such redemption notice will be automatically rescinded and will be of no force and effect, such redemption will be cancelled, payment of such Optional Redemption Amount or Make-Whole Redemption Amount, as applicable, in respect of such redemption will no longer be due and payable and no such redemption of the relevant Notes shall take place;
- (c) the Issuer may only redeem the Notes pursuant to Condition 6.2, Condition 6.3, Condition 6.4 or Condition 6.5 if the Regulator has approved such redemption on or prior to the relevant Optional Redemption Date, if such approval is then required under applicable Swiss banking laws applicable to the Issuer from time to time; and
- (d) prior to the giving of any notice of redemption to the Holders pursuant to Condition 6.2 or Condition 6.5, the Issuer shall deliver to the Fiscal Agent to make available at its Specified Office to the Holders (i) a certificate signed by two Authorized Persons stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to its right to redeem have occurred and such certificate will be conclusively binding on the Holders, and (ii) in the case of Condition 6.2 only, a legal opinion from independent counsel of recognized standing to the effect that the Issuer has or will become obligated to pay Additional Amounts in respect of the Notes as a result of the relevant change in, or amendment to, the laws (or any regulations or rulings promulgated thereunder) of the relevant Tax Jurisdiction, or the relevant change in the application or official interpretation of such laws, regulations or rulings.

6.7 Partial redemption at the option of the Issuer

If less than all the Notes are to be redeemed pursuant to Condition 6.3, Condition 6.4 or Condition 6.5, the Fiscal Agent shall select, *pro rata*, by lot or in such manner as it shall deem appropriate and fair, the Notes to be redeemed in whole or in part; *provided, however*, that, if the Notes to be partially redeemed are represented by one or more Global Certificates, such selection will be subject to the applicable procedures of the Depositary. Any such partial redemption must be of an aggregate principal amount of Notes not less than the Minimum Redemption Amount and not more than the Maximum Redemption Amount, if any.

6.8 Purchases

Subject to the prior approval of the Regulator if then required under Swiss banking laws applicable to the Issuer from time to time, the Issuer or any of its subsidiaries or any of their respective affiliates may at any time purchase or procure others to purchase beneficially for its account Notes in any manner and at any price. Notes so purchased may, at the Issuer's discretion, be held, resold or surrendered to the Fiscal Agent for cancellation.

6.9 Cancellation

All Notes redeemed by the Issuer pursuant to this Condition 6 will immediately be cancelled and may not be reissued or resold. All Notes purchased and surrendered to the Fiscal Agent pursuant to Condition 6.8 shall immediately be cancelled upon surrender and may not be reissued or resold.

7. PAYMENTS

- (a) Subject to clause (b) of this Condition 7,
- (i) all payments required to be made under the Notes will be made in U.S. dollars in immediately available funds to the Fiscal Agent on behalf of the Holders;
 - (ii) the Holder of a Note at the close of business New York City time on any Record Date with respect to any Interest Payment Date (other than the Maturity Date) will be entitled to receive the interest, if any, payable on such Interest Payment Date notwithstanding any transfer or exchange of such Note subsequent to the Record Date and prior to such Interest Payment Date;
 - (iii) interest payable, if any, on the Maturity Date or any Optional Redemption Date will be payable to the Person to whom the principal amount of the relevant Note is payable; and
 - (iv) all payments required to be made under the Notes (including, without limitation, any Additional Amounts) shall be made to the relevant Holders in U.S. dollars without collection costs, without any restrictions and whatever the circumstances may be, irrespective of nationality, domicile or residence of the relevant Holder and without certification, affidavit or the fulfillment of any other formality; *provided, however*, that, in the case of Definitive Certificates, the relevant Definitive Certificate must be presented and, in the case of redemption, surrendered at the Specified Office of the relevant Paying Agent as a condition to receipt of such payment.
- (b) If the Specified Currency is not U.S. dollars, any payment on a Note on an Interest Payment Date or the Maturity Date (or any Optional Redemption Date if such Note is to be redeemed pursuant to Condition 6.2, Condition 6.3, Condition 6.4 or Condition 6.5) or any Deferred Payment Date will be made in the Specified Currency as provided in clause (a) of this Condition 7. If the Specified Currency is not available to the Issuer for making any payment on a Note due to the imposition of exchange controls or other circumstances beyond the control of the Issuer or is no longer used by the government of the country issuing the Specified Currency or for the settlement of transactions by public institutions within the international banking community, then the Issuer will be entitled to satisfy such payment obligation to such Holder by making such payment in U.S. dollars on the basis of the Market Exchange Rate on the applicable Scheduled Due Date or, if the Market Exchange Rate is not available on such date, as of the most recent practicable date. Any payment made by the Issuer under such circumstances in U.S. dollars will not constitute a default or Event of Default. Any determinations made by the Issuer pursuant to this clause (b) will be made in its sole discretion acting in good faith and in a commercially reasonable manner and will (in the absence of willful misconduct, bad faith and manifest error) be conclusive for all purposes and binding on the Holders.
- (c) If the Scheduled Due Date (including, in the case of Notes that are Fixed Rate Notes or Fixed Rate/Fixed Rate Notes, any Interest Payment Date, and, in the case of Notes that are Fixed Rate/Floating Rate Notes or Floating Rate/Fixed Rate Notes, any Interest Payment Date falling in the Fixed Rate Period) for any payment in respect of the Notes is not a Business Day, then the Holders will not be entitled to payment thereof until the first Business Day immediately following the Scheduled Due Date, and the Holders will not be entitled to any further interest or other payment in respect of such delay.

8. TAXATION

- (a) All payments of principal and interest to Holders by or on behalf of the Issuer in respect of the Notes (including, for the avoidance of doubt, amounts paid by a Paying Agent) shall be made without withholding or deduction for, or on account of, any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by any governmental or other taxing authority, unless such withholding or deduction is required by law. In the event that any payment to be made by or on behalf of the Issuer in respect of the Notes (including, for the avoidance of doubt, amounts paid by a Paying Agent) is subject to any such withholding or deduction imposed, levied, collected, withheld or assessed by a Tax Jurisdiction, the Issuer will pay such additional amounts as are necessary so that the net payment received by the Holders after such withholding or deduction is equal to the amount that would otherwise have been received by the Holders in the absence of such withholding or deduction (“Additional Amounts”).

- (b) No Additional Amounts will be payable pursuant to clause (a) of this Condition 8 in relation to any Note for or on account of:
 - (i) any such taxes, duties, assessments or other governmental charges imposed in respect of such Note by reason of the Holder or Indirect Holder thereof having some connection with a Tax Jurisdiction other than the mere holding of such Note; or
 - (ii) any such taxes, duties, assessments or other governmental charges imposed in respect of such Note presented for payment more than 30 days after the Relevant Date except to the extent that the Holder thereof would have been entitled to such Additional Amounts on presenting such Note for payment on such thirtieth day assuming that day to have been a Business Day; or
 - (iii) any such taxes, duties, assessments or other governmental charges imposed in respect of such Note required to be made pursuant to laws enacted by Switzerland changing the Swiss federal withholding tax system from an issuer-based system to a paying agent-based system pursuant to which a person in Switzerland other than the issuer is required to withhold tax on any interest payments; or
 - (iv) where such withholding or deduction is imposed on any payment by reason of FATCA; or
 - (v) any combination of two or more items described in subclauses (i) through (iv) above.
- (c) Payments on the Notes will be subject in all cases to any withholding or deduction required pursuant to FATCA.
- (d) Any reference in the Conditions to amounts payable by the Issuer in respect of the Notes includes any Additional Amounts payable pursuant to this Condition 8.

9. STATUTE OF LIMITATIONS

In accordance with Swiss law, claims for payment of principal and interest under the Notes will become time-barred unless made within a period of ten years (in the case of principal) and five years (in the case of interest) after the date on which such payment first became due and payable.

10. CONSOLIDATION, MERGER OR SALE

The Issuer shall not consolidate with, merge with or into, or sell, convey, transfer, lease or otherwise dispose of all or substantially all of its property and assets (as an entirety or substantially as an entirety in one transaction or a series of related transactions) to, any Person (other than a Subsidiary of the Issuer) or permit any Person to merge with or into the Issuer unless either (a) the Issuer is the continuing Person or (b) the Person (if other than the Issuer) formed by such consolidation or into which the Issuer is merged or that acquired or leased such property and assets of the Issuer expressly assumes in writing (or, in the case of an acquisition of property and assets, guarantees) all of the obligations of the Issuer under (i) the Notes, (ii) the Fiscal Agency Agreement, (iii) in the case of Notes that are Floating Rate Notes or (if after the Fixed Rate Period) Fixed Rate/Floating Rate Notes or (if prior to the Fixed Rate Period) Floating Rate/Fixed Rate Notes or (if prior to the Reset Date) Fixed Rate/Fixed Rate Notes and/or subject to a Make-Whole Redemption, the Calculation Agency Agreement, and (iv) in the case of Notes with a Specified Currency that is not U.S. dollars, the Exchange Rate Agency Agreement.

11. EVENTS OF DEFAULT AND ENFORCEMENT

An “Event of Default” means any one of the following events:

- (a) default in the payment by the Issuer of all or any part of the principal amount of any Note when the same becomes due and payable at the Maturity Date, upon redemption, or otherwise, and such default continues for a period of 30 days; or
- (b) default in the payment by the Issuer of any interest on any Note when the same becomes due and payable, and such default continues for a period of 30 days; or

- (c) a default or breach by the Issuer of any other covenant or agreement of the Issuer in the Conditions or in the Notes and such default or breach continues for a period of 60 days after written notice thereof specifying such default or breach and requiring it to be remedied and stating that such notice is a “Notice of Default” shall have been given to the Issuer and the Fiscal Agent at its Specified Office by Holders of 25% or more in aggregate principal amount of the outstanding Notes; or
- (d) commencement of an involuntary case or other proceeding against the Issuer, with respect to the Issuer or its debts under any bankruptcy, administration, insolvency or other similar law now or hereafter in effect seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official of the Issuer or for any substantial part of the property and assets of the Issuer (other than when previously approved by the Holders), and such involuntary case or other proceeding shall remain undismitted and unstayed for a period of 60 days; or an order for relief shall be entered against the Issuer under any bankruptcy, administration, insolvency or other similar law now or hereafter in effect; or
- (e) other than when previously approved by the Holders, commencement by the Issuer of a voluntary case under any applicable bankruptcy, administration, insolvency or other similar law now or hereafter in effect, or the Issuer’s consent to the entry of an order for relief in an involuntary case under any such law, or its consent to the appointment of or taking possession by a receiver, liquidator, assignee, custodian, trustee, sequestrator or similar official of the Issuer or for all or substantially all of the property and assets of the Issuer, or any general assignment by the Issuer for the benefit of creditors;

provided, however, that none of (i) the opening of CSG Restructuring Proceedings, (ii) the exercise of any Swiss Resolution Power with respect to the Issuer that requires or results in any write-down and cancellation and/or conversion into equity of the Issuer of the entire, or a portion of, the principal amount of, and/or accrued interest on, the Notes, (iii) the ordering of any Restructuring Protective Measures that require or result in the deferment of payment of principal and/or interest under the Notes and (iv) any consequences resulting from any of the foregoing, will constitute an Event of Default. However, any consequences resulting from any Non-Restructuring Protective Measures that would otherwise constitute an Event of Default will constitute an Event of Default.

If an Event of Default described in clause (a), (b) or (c) of this Condition 11 occurs and is continuing, then, and in each and every such case, unless the entire aggregate principal amount of the Notes has already become due and payable, the Holders of not less than 25% in aggregate principal amount of the outstanding Notes may, by notice in writing to the Issuer and the Fiscal Agent at its Specified Office, declare the Notes to be immediately due and payable, and upon any such declaration the Notes will become immediately due and payable, at their principal amount together with accrued interest thereon without further formality unless such Event of Default has been remedied prior to the receipt of such notice by the Fiscal Agent.

If an Event of Default described in clause (d) or (e) occurs, then the Notes will become immediately due and payable at their principal amount together with accrued interest thereon without any notice or other action by any Holder, to the full extent permitted by applicable law.

Upon the Notes becoming immediately due and payable under this Condition 11, the Issuer will give notice of this fact to the Holders in accordance with Condition 15.

12. SWISS RESOLUTION POWER AND RESTRUCTURING PROTECTIVE MEASURES AND SUSPENSION PERIOD

12.1 Holder consent to write-down, conversion and deferral; Holders rights may be altered without their consent

Each Holder and Indirect Holder, by acceptance of any direct or beneficial interest in a Note, acknowledges, agrees to be bound by, and consents to the exercise of, any Swiss Resolution Power with respect to the Issuer that results in the write-down and cancellation and/or conversion into equity of the Issuer of the entire, or a portion of the, principal amount of, and/or accrued interest on, the Notes, irrespective of whether such amounts have already become due and payable prior to such action. Each Holder and Indirect Holder, by acceptance of any direct or beneficial interest in a Note, further acknowledges, agrees to be bound by, and consents to the ordering of any Restructuring Protective Measures that result in the deferment of payment of principal and/or interest under the Notes. Each Holder and Indirect Holder, by acceptance of any direct or beneficial interest in a Note, further acknowledges and agrees that its rights are subject to, and, if necessary, will be altered without such Holder’s or Indirect Holder’s consent, including by means of an amendment or modification to the Conditions or the Notes so as

to give effect to, any such exercise of Swiss Resolution Power or any such ordering of Restructuring Protective Measures. For the avoidance of doubt, this acknowledgement, agreement and consent does not qualify as a waiver of the rights, procedural or otherwise, existing for creditors generally, and a Holder specifically, under the applicable banking regulation pursuant to which any Swiss Resolution Power is exercised.

12.2 Waiver of claims by Holders; write-down/conversion and cancellation of Notes

Each Holder and Indirect Holder, by acceptance of any direct or beneficial interest in a Note, automatically and irrevocably waives its right to claim or receive, and will not have any rights against the Issuer with respect to repayment of, any principal amount of the Notes and/or any accrued and unpaid interest on the Notes (or any Additional Amounts payable in connection therewith) that is written-down and/or converted into equity of the Issuer as a result of the exercise of any Swiss Resolution Power. Following the occurrence of a write-down of, or conversion into equity of the Issuer of, all or a portion of the principal amount of and/or interest on the Notes, the Notes will be cancelled with respect to the principal amount subject to such write-down or conversion and no principal amount or interest with respect to such written-down or converted principal amount shall be due and payable by the Issuer, and, thereafter, no payment default under the Notes shall exist with respect to the aggregate principal amount or interest (including any Additional Amounts payable in connection therewith) so written-down or converted.

12.3 Acquisition of Notes in the secondary market

Each Holder and Indirect Holder that acquires a direct or beneficial interest in a Note in the secondary market, by acceptance of such direct or beneficial interest, acknowledges, agrees to be bound by and consents to the provisions specified in the Conditions and the Notes to the same extent as the Holders and Indirect Holders that acquire a direct or beneficial interest in a Note upon its initial issuance, including, without limitation, with respect to the acknowledgement and agreement to be bound by and consent to the Conditions, including those terms and provisions relating to any Swiss Resolution Power and any Restructuring Protective Measures.

12.4 Holder consent to lack of notice

Each Holder and Indirect Holder, by acceptance of any direct or beneficial interest in a Note, consents to the lack of prior notice by the Swiss Resolution Authority of its decision to exercise any Swiss Resolution Power or order any Restructuring Protective Measure.

12.5 Holder authorization to the Agents and the Depositary

Each Holder and Indirect Holder, by acceptance of any direct or beneficial interest in a Note, shall be deemed to have authorized, directed and requested the Agents and the Depositary and any direct participant in the Depositary or other intermediary through which it holds such Notes or beneficial interest to take any and all necessary action, if required, to implement any such exercise of any Swiss Resolution Power and/or ordering of any Restructuring Protective Measures, without any further action or direction on the part of such Holder or Indirect Holder.

12.6 No payment after write-down, conversion and/or deferral

No payment of the principal or interest under the Notes shall become due and payable after (a) the exercise of any Swiss Resolution Power with respect to the Issuer that results in the write-down and cancellation and/or conversion into equity of the Issuer of the entire, or a portion of the, principal amount of, and/or accrued interest on, the Notes or (b) the ordering of any Restructuring Protective Measures that require or result in the deferment of payment of principal and/or interest under the Notes, in the case of each of clause (a) and (b), unless, at the time that such payment is scheduled to become due, such payment would be permitted to be made by the Issuer under the laws and regulations of Switzerland then applicable to the Issuer.

12.7 Suspension Period

- (a) If the Swiss Resolution Authority orders any Restructuring Protective Measures requiring the deferral, but not cancellation, of the payment of any principal amount of the Notes due, or that would otherwise become due, and/or any interest due, or which would otherwise become due, on the Notes, such payment will be deferred, but not cancelled, for the duration of the applicable Suspension Period. Interest payments on the

Notes will be cumulative, so that following the termination of a Suspension Period, the Issuer will be required to make any payment of principal that was due or became due and/or accrued and unpaid interest that was deferred during such Suspension Period (but only to the extent such principal and/or accrued and unpaid interest was not subsequently fully or partially written-down and cancelled and/or converted into equity of the Issuer during such Suspension Period through the exercise of a Swiss Resolution Power). The deferral of any payment of principal or interest in accordance with this Condition 12.7 will not constitute a default or Event of Default.

- (b) Any payment of principal and/or interest that was due or became due, or which would otherwise have become due, but was not paid prior to or during any Suspension Period in accordance with the first sentence of clause (a) of this Condition 12.7 will be payable (without interest on such previously due and unpaid amounts and only to the extent such principal and/or interest was not subsequently fully or partially written-down and cancelled and/or converted into equity of the Issuer during such Suspension Period) on the later of (x) the first succeeding Interest Payment Date after the date on which such Suspension Period ends and (y) the date that is 15 Business Days after the date on which such Suspension Period ends (such date, the “Deferred Payment Date”).
- (c) In the case of any payment of deferred principal and/or interest required to be made pursuant to clause (b) of this Condition 12.7, the Issuer will make such payment to the Holders in whose names the relevant Notes are registered at the close of business (New York City time) on a special record date for such payment (a “Deferred Special Record Date”), which date will be fixed as follows:
 - (i) the Issuer will notify the Fiscal Agent in writing of the amount of the deferred principal and/or interest to be paid and the applicable Deferred Payment Date;
 - (ii) the Fiscal Agent, at the prior written direction of the Issuer, shall fix the Deferred Special Record Date for the payment of such amount, which date will be not more than 15 days and not less than five days prior to the Deferred Payment Date and not less than three Business Days after the receipt by the Fiscal Agent of the notice described in subclause (i) of this Condition 12.7(c); and
 - (iii) the Issuer will cause notice of the payment and the applicable Deferred Special Record Date to be given to the Holders in accordance with Condition 15 not less than three Business Days prior to such Deferred Special Record Date.

12.8 Notice of events

The Issuer shall provide written notice as soon as practicable to Holders through the Depositary upon the occurrence of (i) the opening of CSG Restructuring Proceedings, (ii) the exercise of any Swiss Resolution Power that affects, or may affect, the Notes, (iii) the ordering of any Protective Measures that affect, or may affect, the Notes, or (iv) the conclusion of any Suspension Period. The Issuer shall also provide written notice of any such event directly to the Fiscal Agent as soon as practicable for information purposes, which notice must be accompanied by a certificate signed by two Authorized Persons stating which of the foregoing events has occurred. The Fiscal Agent shall not be deemed to have knowledge of any of the foregoing events or be required to reflect any of the foregoing events in its books and records relating to the Notes until and unless it receives notice of the same from the Issuer as aforesaid. Any such notice to the Depositary and the Fiscal Agent pursuant to this Condition 12.8 shall (i) set forth the effect, or potential effect, of any of the foregoing on the Notes to the extent known, and (ii) including a request, if applicable, to cancel the Notes subject to any write-down or conversion into equity of the Issuer or to decrease the applicable Global Certificate by the portion of the Note subject to any write-down or conversion into equity of the Issuer, and the Fiscal Agent shall effect such cancellation or decrease, as applicable. The Fiscal Agent shall not be liable or responsible on account of any action it takes or omits to take based on the failure, for whatever reason, to receive notice under this Condition 12.8.

13. REPLACEMENT OF NOTES

If any Certificate is lost, stolen, mutilated, defaced or destroyed, it may be replaced at the Specified Office of the Registrar upon payment by the claimant of the fees, costs and expenses incurred by the Registrar, the Fiscal Agent and the Issuer in connection therewith and on such terms as to evidence, security and indemnity (which may provide, among other things, that if the Certificate allegedly or actually lost, stolen or destroyed is subsequently presented for payment, there shall be paid to the Issuer on demand the amount payable by the Issuer in respect of

such Certificate subsequently presented) as the Issuer or the Fiscal Agent may require. Mutilated or defaced Certificates must be surrendered before replacements will be issued.

14. APPOINTMENT AND TERMINATION OF AGENTS

- (a) Subject to clause (b) of this Condition 14,
- (i) the Issuer reserves the right to terminate the appointment of any Agent, as well as to appoint or, after any such appointment, to terminate the appointment of, one or more other paying agents to carry out any payment functions in respect of the Notes (each, a “Paying Agent,” which term includes any Swiss Paying Agent), *provided* that (A) so long as any Note is outstanding, there will at all times be a Fiscal Agent, (B) so long as any Note is outstanding, there will at all times be a Registrar and Paying Agent (which term for purposes of this Condition 14(a)(i)(B) includes the Fiscal Agent) and, for all successor Paying Agents following the initial Paying Agent, such successor Paying Agent shall have a Specified Office, (C) in the case of Notes admitted to trading and listed on the SIX Swiss Exchange, for so long as the Notes are admitted to trading and listed on the SIX Swiss Exchange (or any other trading venue (exchange or multilateral trading facility) in Switzerland), the Issuer shall maintain a Paying Agent in Switzerland, which agent shall have an office in Switzerland and be a bank or securities firm subject to supervision by FINMA, to perform the functions of a Swiss paying agent (the “Swiss Paying Agent”), (D) in the case of Notes with a Specified Currency that is not U.S. dollars, there will at all times be an Exchange Rate Agent, (E) in the case of Notes that are Floating Rate Notes, there will at all times be a Calculation Agent, (F)(x) in the case of Notes that are (prior to the Reset Date) Fixed Rate/Fixed Rate Notes, Fixed Rate/Floating Rate Notes and/or subject to a Make-Whole Redemption, there will at all times prior to the earlier of the Floating Rate Commencement Date or the Reset Date, as applicable, and the earliest date, if any, on which the Issuer provides notice to the Holders of any Make-Whole Redemption in accordance with Condition 6.4, and (y) in the case of Notes that are Floating Rate/Fixed Rate Notes, there will at all times during the Floating Rate Period be, a Calculation Agent, and (G) in the case of Notes with respect to which a Calculation Agent has been appointed, any successor Calculation Agent must be a leading bank or financial institution that is experienced in the calculations and determinations to be made by the Calculation Agent under the Conditions; and
- (ii) if at any time (A) the Fiscal Agent or the Registrar, (B) in the case of Notes that are Floating Rate Notes, the Calculation Agent, (C) in the case of Notes that are Fixed Rate/Fixed Rate Notes, Fixed Rate/Floating Rate Notes, Floating Rate/Fixed Rate Notes and/or subject to a Make-Whole Redemption and with respect to which a Calculation Agent is required to be appointed pursuant to subclause (i) of this Condition 14(a) at such time, the Calculation Agent, (D) in the case of Notes with a Specified Currency that is not U.S. dollars, the Exchange Rate Agent, or (E) any Paying Agent, if such Paying Agent is the only Paying Agent located in a place where the Issuer is required to maintain a Paying Agent under the Conditions, (x) becomes incapable of acting, or (y) is adjudged bankrupt or insolvent, or files a voluntary petition in bankruptcy, or makes an assignment for the benefit of its creditors, or consents to the appointment of a receiver of all or any substantial part of its property, or admits in writing its inability to pay or meet its debts as they mature, or if an order of any court is entered approving any petition filed by or against it under the provisions of any applicable bankruptcy or insolvency law, or if a receiver of it or of all or any substantial part of its property is appointed, or if any public officer takes charge or control of it or of its property or affairs for the purpose of rehabilitation, conservation or liquidation (any such event, an “Agent Insolvency Event”), then the Issuer will terminate the appointment of such Agent in accordance with the Fiscal Agency Agreement and appoint a successor Agent.
- (b) Any appointment or termination of appointment of, or any resignation by, any Agent may only take effect not more than 45 and not less than 30 days after the Issuer has notified the Holders of such appointment, termination or resignation pursuant to Condition 15; *provided, however*, that, in the case of the termination of an Agent with respect to which an Agent Insolvency Event has occurred, such termination may take effect prior the expiry of such 30-day notice period, so long as a successor Agent has been appointed to the extent required by the immediately succeeding sentence. Notwithstanding the foregoing, any termination of the appointment of, or resignation by, (i) the Fiscal Agent or the Registrar, (ii) any Paying Agent, if such Paying Agent is the only Paying Agent located in a place where the Issuer is required to maintain a Paying

Agent under the Conditions, (iii) in the case of Notes with a Specified Currency that is not U.S. dollars, the Exchange Rate Agent, (iv) in the case of Notes that are Floating Rate Notes, the Calculation Agent, or (v) in the case of Notes that are Fixed Rate/Fixed Rate Notes, Fixed Rate/Floating Rate Notes, Floating Rate/Fixed Rate Notes and/or subject to a Make-Whole Redemption and with respect to which a Calculation Agent is required to be appointed pursuant to subclause (i) of this Condition 14(a) at the time of such termination or resignation, the Calculation Agent, may not take effect until the Issuer has appointed a successor Fiscal Agent, Registrar, Paying Agent, Exchange Rate Agent or Calculation Agent, as applicable; *provided, however*, that, if no such successor has been appointed within 30 days of the scheduled effectiveness of such termination or resignation, any Holder (on behalf of itself and all others similarly situated) or, pursuant to and in accordance with the Fiscal Agency Agreement, (A) the Fiscal Agent or the Registrar, (B) any Paying Agent, (C) in the case of Notes with a Specified Currency that is not U.S. dollars, the Exchange Rate Agent, or (D) in the case of Notes that are Floating Rate Notes, Fixed Rate/Fixed Rate Notes, Fixed Rate/Floating Rate Notes or Floating Rate/Fixed Rate Notes and/or subject to a Make-Whole Redemption, the Calculation Agent, as the case may be, may petition any court of competent jurisdiction for the appointment of a successor, at the expense of the Issuer.

- (c) Notwithstanding anything to the contrary expressed or implied in the Conditions, none of the Agents will be (i) under any duty towards any Person other than the Issuer, (ii) responsible for or liable in respect of the authorization, validity or legality of any offering materials issued in connection with the Notes, (iii) responsible for or liable in respect of any act or omission of any other Person (including, without limitation, any other Person referenced in the Conditions) or (iv) under any obligation towards any Person other than the Issuer. Each Holder and Indirect Holder, by acceptance of any direct or beneficial interest in a Note, acknowledges and agrees that, in acting in connection with the Notes, each Agent is acting solely as agent of the Issuer and does not assume any fiduciary obligation toward or relationship of agency or trust for or with any Holder or Indirect Holder, except that any funds held by any such Agent for payment of principal, interest or any other amount payable to Holders in respect of the Notes shall be held by such Agent and applied as set forth in the Conditions.

16. MEETINGS OF HOLDERS AND AMENDMENT

16.1 Meetings of Holders

- (a) The provisions on bondholder meetings contained in article 1157 et seq. of the Swiss Federal Code of Obligations apply in relation to meetings of Holders.
- (b) So long as the Notes are represented by one or more Global Certificates deposited with the Custodian or the Depository, although the Holders are the only Persons entitled to participate in, and vote at, any meeting of the Holders, the Holder of a Global Certificate may (i) grant written proxies to the relevant Indirect Holders or any other Person to vote at such meeting in respect of each Note represented by such Global Certificate or (ii)(A) obtain instructions from the relevant Indirect Holders in respect of any meeting of Holders, (B) vote at such meeting of Holders in respect of each Note represented by such Global Certificate in accordance with the instructions received from the relevant Indirect Holder and (C) abstain from representing any Note represented by such Global Certificate at a meeting of Holders for which it has not received an instruction from the relevant Indirect Holder.

16.2 Amendment

Subject to the mandatory provisions of Swiss law, the Issuer may, without the consent or approval of the Holders, make such amendments to the terms of the Notes that (a) the Issuer considers necessary or desirable to give effect to (i) any Replacement Reset Reference Rate or Replacement Reference Rate determined by the Replacement Rate Agent pursuant to, and in accordance with, Condition 5.1(d) or Condition 5.2(e), respectively, or (ii) any Benchmark Replacement determined by the Issuer or by the Benchmark Replacement Agent, as the case may be, pursuant to and in accordance with Condition 5.2(f), or (b) in Issuer's opinion are (i) of a formal, minor or technical nature, (ii) made to correct a manifest or proven error or (iii) not materially prejudicial to the interests of the Holders.

The Issuer shall notify the Holders of any amendments made pursuant to this Condition 16.2 in accordance with Condition 15, which notice shall state the date on which such amendment will be effective.

17. NO SET-OFF

Subject to applicable law, each Holder and Indirect Holder, by acceptance of any direct or beneficial interest in a Note, agrees that it shall not be entitled to exercise, claim or plead any right of set-off, compensation or retention or netting arrangement in respect of any amount payable to it by the Issuer in respect of, or arising under or in connection with, the Notes, and to have waived all such rights of set-off, compensation or retention, or in respect of such netting arrangement, whether arising before or during any Restructuring Proceedings or winding up of the Issuer.

18. CURRENCY INDEMNITY

This Condition 18 applies only to Notes with a Specified Currency that is U.S. dollars.

U.S. dollars is the sole currency of account and payment for all amounts payable by the Issuer under or in connection with the Notes, including damages. Any amount received or recovered in a currency other than U.S.

dollars (whether as a result of, or of the enforcement of, a judgment or order of a court of any jurisdiction, in the winding up or dissolution of the Issuer or otherwise) by any Holder in respect of any amount owed by the Issuer to such Holder under the Notes will only constitute a discharge to the Issuer to the extent of the amount of U.S. dollars that such Holder is able to purchase with the amount so received or recovered in such other currency on the date of such receipt or recovery (or, if it is not practicable to make such purchase on such date, on the first date on which it is practicable to do so). If that U.S. dollar amount that such Holder is able to purchase is less than the U.S. dollar amount owed by the Issuer to such Holder under the Notes, the Issuer shall indemnify such Holder against any loss sustained by it as a result. In addition, the Issuer shall indemnify such Holder against the cost of making any such purchase. For the purposes of this Condition 18, it will be sufficient for the Holder to demonstrate that it would have suffered a loss had an actual purchase been made. The indemnities under this Condition 18 (i) will constitute a separate and independent obligation from the Issuer's other obligations hereunder, (ii) give rise to a separate and independent cause of action, (iii) apply irrespective of any indulgence granted by any Holder and (iv) continue in full force and effect despite any other judgment, order, claim or proof for a liquidated amount in respect of any amount due under any Note or any other judgment or order.

19. FURTHER ISSUES

The Issuer may from time to time without the consent of the Holders issue further notes and, *provided* that such notes have the same terms and conditions as the relevant Notes in all respects (or in all respects except for the issue date, first date on which interest is paid and/or first date on which interest begins to accrue), such further notes will be consolidated and form a single series with the Notes. Notwithstanding the foregoing, any further issue of notes shall be issued under a separate Committee on Uniform Securities Identification Procedures (CUSIP) or International Securities Identification Number (ISIN) number unless the additional notes are issued pursuant to a "qualified reopening" of the original series or are otherwise treated as part of the same "issue" of debt instruments as the original series of Notes for U.S. federal income tax purposes. If the Issuer issues any such further notes pursuant to this Condition 19, references in the Conditions to "Notes" will include such further notes, unless the context otherwise requires.

20. RULE 144A INFORMATION

If at any time the Issuer is neither a reporting company under Section 13 or Section 15(d) of the U.S. Exchange Act, nor exempt from reporting pursuant to Rule 12g3-2(b) under the U.S. Exchange Act, the Issuer will comply with any applicable requirements of Rule 144A(d)(4) under the U.S. Securities Act in relation to the Notes.

21. GOVERNING LAW AND JURISDICTION

The Conditions and the Notes are governed by, and shall be construed in accordance with, the laws of Switzerland.
