## Terms and Conditions of the Notes

UBS AG (the “Issuer”) has established a programme under which it will issue notes and other debt securities (the “Notes”). The Notes will be issued in series (each a “Series”). Each Series may comprise one or more tranches of Notes issued on different issue dates (each a “Tranche”). The Notes of each Tranche will have identical terms and conditions, however, a Tranche may comprise Notes in bearer form and Notes in registered form. The Notes of each Series will have identical terms, however, the issue date for each Tranche will, and the issue price and the date for the first payment of interest of each Tranche may, be different from the issue date, the issue price and the date for the first payment of interest in other Tranches of the same Series.

In connection with the Programme, the Issuer has entered into an amended and restated issuing and paying agency agreement dated 3 July 2006 (as further amended and restated from time to time, the “Agency Agreement”) with HSBC Bank plc as issuing and paying agent (the “Agent” which expression includes any successor to HSBC Bank plc), U.S. Bank Trust National Association as registrar (the “Registrar” which expression includes any successor to U.S. Bank Trust National Association in its capacity as Registrar), HSBC Institutional Trust Services (Ireland) Limited as Irish paying agent (the “Irish Paying Agent” which expression includes any successor of HSBC Institutional Trust Services (Ireland) Limited as Irish Paying Agent) and certain other paying agents (the “Paying Agents” which expression shall include the Agent and any other paying agent appointed in accordance with the terms of the Agency Agreement) and transfer agents (the “Transfer Agents” which expression shall include Dexia Banque Internationale à Luxembourg S.A. and any other transfer agent appointed in accordance with the terms of the Agency Agreement) named in the Agency Agreement.

References to the parties herein and in the General Terms and Conditions (as defined below) include references to their successors, including without limitation, an entity which assumes the rights and obligations of the relevant party by operation of the law of the jurisdiction of incorporation or domicile of such party.

The Agency Agreement contains a set of general terms and conditions (the “General Terms and Conditions”). The General Terms and Conditions do not reflect the terms and conditions of any specific issue of Notes. The General Terms and Conditions may be amended from time to time.

For the purposes of Notes denominated in Swiss Francs (“Swiss Franc Notes”), the Issuer will, together with the Agent and the Dealer under the Programme specified in the Final Terms relating to the relevant issue of Notes as principal Swiss paying agent (the “Principal Swiss Paying Agent”), enter into a supplemental issuing and paying agency agreement. In addition, all references in the Terms and Conditions of the Notes to the Paying Agents shall, so far as the context permits, be construed as references only to the relevant Swiss Paying Agents, as set out in paragraph 9 of the Final Terms, and references in the Terms and Conditions of the Notes to “Euroclear” and/or “Clearstream, Luxembourg” shall be construed as including references to SIS SegalInterSettle AG, the Swiss Securities Services Corporation in Olten, Switzerland, which shall be considered an additional or alternative clearance system for the purposes of the final paragraph of Condition 2(b)(vi) of the Terms and Conditions of the Notes.

In connection with each issue of Notes, the Issuer will prepare final terms which will contain the information which specifically relates to that issue of Notes (the “Final Terms”). In relation to any issue of Notes, the Final Terms may contain provisions which supplement, modify or replace all or any part of the General Terms and Conditions for the purpose of that issue alone. The applicable provisions of the relevant Final Terms will be endorsed upon, or attached to, each temporary global Note, permanent global Note, definitive Bearer Note and Registered Note. A copy of the Final Terms for each issue of Notes will be available for inspection at the specified office of the Agent and, in the case of Notes in registered form, the Registrar. In addition, where Notes are admitted to the Official List of the UKLA and to trading on the regulated market of the London Stock Exchange, a copy of the Final Terms will be lodged with the FSA. In respect of Notes listed on the Luxembourg Stock Exchange, a copy of the Final Terms will be lodged with the Luxembourg Stock Exchange and will be available free of charge at the specified office of the Paying Agent and the Transfer Agent in Luxembourg. In respect of Notes listed on the Irish Stock Exchange, a copy of the Final Terms will be delivered to the Irish Stock Exchange.

To determine the terms and conditions which apply to a particular issue of Notes, it is necessary (i) to refer to the General Terms and Conditions in force on the date the Notes were issued and (ii) to consider the extent to which the General Terms and Conditions have been supplemented, modified or replaced by the information contained in the relevant Final Terms.

In relation to the terms and conditions of any issue of Notes, to the extent that there is any inconsistency between the General Terms and Conditions and the terms and conditions which appear in the relevant Final Terms, the terms and conditions which appear in the Final Terms shall prevail.

In relation to an issue of Notes where the Notes are printed in definitive form, for the purpose of printing the terms and conditions on the definitive Notes, a set of terms and conditions which apply specifically to the relevant issue may be prepared (“Specific Terms and Conditions”). If Specific Terms and Conditions are prepared, then, to the extent that there is any inconsistency between the Specific Terms and Conditions and either the General Terms and Conditions or the relevant Final Terms, the Specific Terms and Conditions shall prevail.

Each issue of Notes may be represented by (i) Notes in bearer form (“Bearer Notes”) or (ii) Notes in registered form (“Registered Notes”) or (iii) Bearer Notes or Registered Notes, as indicated in the relevant Final Terms. If the Final Terms for an issue of Notes specifies that the Notes may be represented by Bearer Notes or Registered Notes, then unless otherwise specified in the relevant Final Terms, Bearer Notes may be exchanged for Registered Notes of the same Series, however, it will not be possible to exchange Registered Notes for Bearer Notes.

Unless otherwise specified in the Final Terms, in relation to each issue of Notes for which Bearer Notes are available, the Bearer Notes may initially be represented by any one or more of (i) one or more temporary global Notes (each, a “Temporary Global Note”), (ii) one or more permanent global Notes (each, a “Permanent Global Note”) or (iii) definitive Notes. In the case of Bearer Notes initially represented by a Temporary or Permanent Global Note, if the Final Terms specify that the New Global Note form is not applicable, the Global Note will be deposited with a depositary for one, or a common depositary for more than one, clearing system, including Euroclear Bank SA/N.V., as operator of the Euroclear System (“Euroclear”), Clearstream Banking, *société anonyme*, (“Clearstream, Luxembourg”) and Clearstream Banking AG (“Clearstream, Frankfurt”). Otherwise, if the Final Terms specify that the New Global Note form is applicable, the Global Note will be deposited with a common safekeeper for Euroclear and/or Clearstream, Luxembourg. Temporary Global Notes will be exchanged for either (i) a Permanent Global Note which, if the Final Terms specify that the New Global Note form is not applicable, will be held by a depositary for one, or a common depositary for more than one, clearing system, or if the Final Terms specify that the New Global Note form is applicable, will be held by a common safekeeper or clearing system, as the case may be, or (ii) definitive Notes, in accordance with the provisions set out in the relevant Temporary Global Note. A Permanent Global Note may be exchanged for definitive Notes only in accordance with the provisions set out in the relevant Permanent Global Note. As a result of the issue of global Notes, rights conferred by Euroclear, Clearstream, Luxembourg or Clearstream, Frankfurt in relation to the Notes will be created in favour of Noteholders.

Registered Notes which are sold outside the United States (as such term is defined in Regulation S under the Securities Act of 1933) to non-US persons, will initially be represented by interests in a single, permanent global unrestricted registered Note (each an “Unrestricted Global Note”), without Coupons or Talons, which will be deposited with a depositary for, and registered in the name of a nominee of, Euroclear, Clearstream, Luxembourg and Clearstream, Frankfurt. Interests in each such Unrestricted Global Note may be held only through Euroclear, Clearstream, Luxembourg or Clearstream, Frankfurt.

Registered Notes sold to qualified institutional buyers in reliance upon Rule 144A will initially be represented by a single, permanent global restricted registered Note (each, a “Restricted Global Note” and, together with any Unrestricted Global Notes, the “Global Registered Notes”), without Coupons or Talons, which will be deposited with a custodian for, and registered in the name of a nominee of, The Depository Trust Company (“DTC”) or Euroclear. Holders of interests in a global Note representing Registered Notes may apply for definitive Registered Notes only in the limited circumstances set out in the relevant global Note.

A copy of the Temporary Global Note will be available for inspection at the office of the Agent and, in the case of Notes listed on the Luxembourg Stock Exchange, the Paying Agent in Luxembourg.
- (iv) As specified in the Final Terms, a Permanent Global Note may be exchanged for serially numbered definitive Notes only in accordance with the provisions set out in the relevant Permanent Global Note. A copy of the Permanent Global Note will be available for inspection at the office of the Agent and, in the case of Notes listed on the Luxembourg Stock Exchange, the Paying Agent in Luxembourg.
- (v) If so specified in the Final Terms, the Notes may be represented on issue by one or more Permanent Global Notes.
- (vi) Swiss Franc Notes will be represented exclusively by a Permanent Global Note which shall be deposited with SIS SegalInterSettle AG, Olten, Switzerland (“SIS”), or such other depositary as may be approved by the Admission Board of the SWS Swiss Exchange. The Permanent Global Note will be exchangeable for definitive Notes only if the Principal Swiss Paying Agent should deem, after consultation with the Issuer, the printing of definitive Notes to be necessary or useful, or if the presentation of definitive Notes is required by Swiss or other applicable laws and regulation in connection with the enforcement of the rights of Noteholders, or if the Principal Swiss Paying Agent at any time as its discretion determines to have definitive Notes issued. Holders of Swiss Franc Notes will not have the right to request a delivery of definitive Notes.

### **(c) Registered Notes**

In relation to each issue of Notes for which Registered Notes are available, the registered Notes may initially be represented by (i) one or more global Notes, (ii) one or more definitive Notes or (iii) both. Holders of

Registered Notes represented by a global Note may apply for definitive Registered Notes in accordance with the limited circumstances set out in the relevant global Note. A copy of the global Note will be available for inspection at the office of the Agent and the Registrar and, in the case of Notes listed on the Luxembourg Stock Exchange, the Transfer Agent in Luxembourg.

**3. TITLE**

- (a) Title to Bearer Notes, Coupons and Receipts will pass by delivery. Title to Registered Notes will pass by registration in the register which is maintained by the Registrar.
- (b) In relation to any Note, Coupon or Receipt (except as ordered by a court of competent jurisdiction or required by law), the relevant Noteholder, Couponholder or Talonholder shall be deemed to be, and the Issuer, Registrar and Paying Agents shall be entitled to treat the relevant Noteholder, Couponholder and Talonholder as, the absolute owner of the relevant Note, Coupon or Receipt for all purposes whether or not the relevant Note, Coupon or Talon is overdue and notwithstanding any notice of ownership, theft or loss of, or any writing on, the relevant Note, Coupon or Receipt. In addition, in relation to any Note, Coupon or Receipt, no one shall be required to obtain any proof of (i) ownership of the relevant Note, Coupon or Receipt or (ii) the identity of the relevant Noteholder, Couponholder or Receiptholder. No person shall have any right to enforce any term or condition of any Note under the Contracts (Rights of Third Parties) Act 1999.

**4. TRANSFER OF REGISTERED NOTES**

- (a) A Registered Note may, upon the terms and subject to the conditions set forth in the Agency Agreement, be transferred in whole or in part only (provided that such part is, or is an integral multiple of, the minimum denomination specified in the relevant Final Terms) upon the surrender of the Registered Note to be transferred, together with the form of transfer endorsed on it duly completed and executed, at the specified office of the Registrar or any Transfer Agent. A new Registered Note will be issued to the transferee and, in the case of a transfer of part only of a Registered Note, a new Registered Note in respect of the balance not transferred will be issued to the transferor.
- (b) Each new Registered Note to be issued upon the transfer of Registered Notes will, upon the effective receipt of such form of transfer by the Registrar at its specified office, be available for delivery at the specified office of the Registrar or any Transfer Agent. For these purposes, a form of transfer received by the Registrar or any Transfer Agent during the period of fifteen London or, as the case may be, Relevant Banking Days ending on the due date for any payment on the relevant Registered Notes shall be deemed not to be effectively received by the Registrar or any Transfer Agent until the day following the due date for such payment. For the purposes of these Terms and Conditions, “London Banking Day” means a day on which commercial banks are open for business (including dealings in foreign exchange and foreign currency deposits) in London and “Relevant Banking Day” means a day on which commercial banks are open for business (including dealings in foreign exchange and foreign currency deposits) in the place where the specified office of the Registrar or any Transfer Agent is located.
- (c) The issue of new Registered Notes on transfer will be effected without charge by or on behalf of the Issuer or the Registrar or any Transfer Agent, but upon payment by the applicant of (or the giving by the applicant of such indemnity as the Registrar or Transfer Agent may require in respect of) any tax or other governmental charges which may be imposed in relation thereto.
- (d) For so long as any of the Registered Notes remain outstanding and are “restricted securities” within the meaning of Rule 144(a)(3) under the Securities Act, the Issuer has agreed that it will, during any period in which it is neither subject to the reporting requirements of Section 13 or 15(d) under the United States Securities Exchange Act of 1934, as amended (the “Exchange Act”) nor exempt from reporting under the Exchange Act pursuant to Rule 12g3-2(b) thereunder, furnish, upon request, to any person in whose name such restricted securities are registered, to any owner of a beneficial interest in such restricted securities, and to any prospective purchaser of such restricted securities or beneficial interest therein designated by any such person or beneficial owner, in connection with resale of a beneficial interest in such restricted securities by such person or beneficial owner, as the case may be, the information specified in Rule 144A(d)(4) under the Securities Act.
- (e) Registered Notes will, if so specified in the relevant Final Terms, be the subject of an application by the Issuer to The Depository Trust Company (“DTC”) for the acceptance of such Registered Notes into

DTC's book-entry settlement system. If such application is accepted, one or more registered Notes (each a "DTC Note") in denominations equivalent in aggregate to the aggregate principal amount of relevant Registered Notes which are to be held in such system will be issued to DTC and registered in the name of Cede & Co., or such other person as may be nominated by DTC for the purpose, as nominee for DTC provided that no DTC Note may have a denomination of more than US\$500,000,000 and that, subject to such restriction, DTC Notes will always be issued in the largest possible denomination. Thereafter, such registered nominee will be the holder of record and entitled to rights in respect of each DTC Note.

Accordingly, each person having a beneficial interest in a DTC Note must rely on the procedures of the institutions having accounts with DTC to exercise any rights of such person. So long as Registered Notes are traded through DTC's book-entry settlement system, ownership of beneficial interest in the relevant DTC Note will (unless otherwise required by applicable law or regulatory requirement) be shown on, and transfers of such beneficial interest may be effected only through, records maintained by (i) DTC or its registered nominee (as to participant-interests) or (ii) institutions having accounts with DTC.

## **5. STATUS OF THE NOTES**

### **(a) In the case of Senior Notes**

If the Notes are specified as senior Notes ("Senior Notes") in the Final Terms, the Notes and the relevant Receipts and Coupons are direct, unconditional, unsubordinated and unsecured obligations of the Issuer and rank *pari passu* among themselves and (save for certain debts required to be preferred by law) equally with all other outstanding unsecured and unsubordinated obligations of the Issuer.

### **(b) In the case of Subordinated Notes**

- (i) **Subordinated Notes issued by UBS AG London Branch, UBS AG Jersey Branch or UBS AG Australia Branch:** If the Notes are specified as subordinated Notes ("Subordinated Notes"), the Subordinated Notes constitute unsecured obligations of UBS AG London Branch, UBS AG Jersey Branch or UBS AG Australia Branch, as the case may be, and UBS AG and rank *pari passu* without any preference among themselves. The Subordinated Notes constitute subordinated debt obligations and rank *pari passu* with all other subordinated debt obligations of UBS AG other than subordinated debt obligations which rank below the Notes. Accordingly, payments of principal and interest are conditional upon the Issuer being solvent at the time of payment by the Issuer and no principal or interest shall be payable in respect of the Notes except to the extent that the Issuer could make such payment and still be solvent immediately thereafter. For the purpose of this Condition 5(b), the Issuer shall be solvent if (i) it is able to pay its debts as they fall due and (ii) its Assets exceed its Liabilities (in each case as defined below) (other than its Liabilities which are not Senior Claims).

For the purposes of these Conditions, "Senior Claims" means the aggregate amount of all claims in respect of the deposit liabilities of the Issuer and all other liabilities of the Issuer (including all deposit liabilities and other liabilities of UBS AG London Branch, UBS AG Jersey Branch or UBS AG Australia Branch, as the case may be, the head office and all other offices of the Issuer wherever located), except those liabilities which by their terms rank *pari passu* with or are subordinated to the Notes; "Assets" means the non-consolidated total assets of the Issuer and "Liabilities" means the non-consolidated total liabilities of the Issuer, all as shown by the latest published audited balance sheet of the Issuer but adjusted for contingencies and for subsequent events.

Subject to applicable law, no Noteholder may exercise or claim any right of set-off, compensation or retention in respect of any amount owed to it by the Issuer, arising under or in connection with the Notes and each Noteholder shall, by virtue of his subscription, purchase or holding of any Note, be deemed to have waived all such rights of set-off, compensation or retention.

- (ii) **Subordinated Notes issued by other branches of the Issuer:**

Where Subordinated Notes are to be issued by branches (other than UBS AG London Branch, UBS AG Jersey Branch or UBS AG Australia Branch), the provisions dealing with subordination will be included in the Final Terms.

## **6. INTEREST**

### **(a) Interest – Fixed Rate**

If the Interest Basis specified in the Final Terms is "Fixed", then the Notes shall bear interest from and including the Issue Date or, if different, the Interest Commencement Date specified in the Final Terms at the

## General Terms and Conditions

---

Rate of Interest specified in the Final Terms. Interest will be payable in arrear on the Interest Payment Dates specified in the Final Terms and on the Maturity Date specified in the Final Terms. Interest will be calculated on the Fixed Day Count Fraction specified in the Final Terms.

Except as provided in the applicable Final Terms, the amount of interest payable on each Interest Payment Date will amount to the Fixed Coupon Amount. Payments of interest on any Interest Payment Date will, if so specified in the applicable Final Terms, amount to the Broken Amount so specified.

If interest is required to be calculated for a period ending other than on an Interest Payment Date, such interest shall be calculated by applying the Rate of Interest to each Specified Denomination, multiplying such sum by the applicable Fixed Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

For the purposes of these Conditions, “Fixed Day Count Fraction” means, in respect of the calculation of an amount for any period of time (the “Calculation Period”):

- (i) if “Actual/Actual (ISMA)” is specified in the applicable Final Terms:
  - (a) where the Calculation Period is equal to or shorter than the Regular Period during which it falls, the actual number of days in the Calculation Period divided by the product of (1) the actual number of days in such Regular Period and (2) the number of Regular Periods in any year; and
  - (b) where the Calculation Period is longer than one Regular Period, the sum of:
    - (A) the actual number of days in such Calculation Period falling in the Regular Period in which it begins divided by the product of (1) the actual number of days in such Regular Period and (2) the number of Regular Periods in any year; and
    - (B) the actual number of days in such Calculation Period falling in the next Regular Period divided by the product of (1) the actual number of days in such Regular Period and (2) the number of Regular Periods in any year;
- (ii) if “30/360” is specified in the applicable Final Terms, the number of days in the Calculation Period from and including the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to but excluding the relevant payment date (such number of days being calculated on the basis of 12 30-day months) divided by 360; and

“sub-unit” with respect to any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, with respect to euro, means one cent.

### **(b) Interest – Floating Rate**

- (i) If the Interest Basis specified in the Final Terms is “Floating” then the Notes shall bear interest from the Interest Commencement Date specified in the Final Terms.
- (ii) If the Interest Payment Date Convention specified in the Final Terms is “FRN Convention”, then interest shall be payable in arrear on each date (each, an “FRN Interest Payment Date”) which numerically corresponds to the Interest Commencement Date or, as the case may be, the preceding FRN Interest Payment Date in the calendar month which is the number of months specified in the Final Terms after the calendar month in which the Interest Commencement Date or, as the case may be, the preceding FRN Interest Payment Date occurred.
  - (A) If there is no such numerically corresponding day in the calendar month in which an Interest Payment Date should occur, then the relevant FRN Interest Payment Date will be the last day which is a Business Day in that calendar month.
  - (B) If an FRN Interest Payment Date would otherwise fall on a day which is not a Business Day, then the relevant FRN Interest Payment Date will be the first following day which is a Business Day unless that day falls in the next calendar month, in which case it will be the first preceding day which is a Business Day.

- (C) If the Interest Commencement Date or the preceding FRN Interest Payment Date occurred on the last day in a calendar month which was a Business Day, then all subsequent FRN Interest Payment Dates will be the last day which is a Business Day in the calendar month which is the specified number of months after the calendar month in which the Interest Commencement Date or, as the case may be, the preceding FRN Interest Payment Date occurred.
- (iii) If the Interest Payment Date Convention specified in the Final Terms is “Following Business Day Convention”, then interest shall be payable in arrear on such dates (each a “Following Interest Payment Date”) as are specified in the Final Terms; provided that if any Interest Payment Date would otherwise fall on a date which is not a Business Day, the relevant Following Interest Payment Date will be the first following day which is a Business Day.
- (iv) If the Interest Payment Date Convention specified in the Final Terms is “Modified Following Business Day Convention”, then interest shall be payable in arrear on such dates (each, a “Modified Interest Payment Date”) as are specified in the Final Terms; provided that, if any Modified Interest Payment Date would otherwise fall on a date which is not a Business Day, the relevant Modified Interest Payment Date will be the first following day which is a Business Day unless that day falls in the next calendar month, in which case the relevant Modified Interest Payment Date will be the first preceding day which is a Business Day.
- (v) The period beginning on (and including) the Interest Commencement Date and ending on (but excluding) the first Interest Payment Date and each period beginning on (and including) an Interest Payment Date and ending on (but excluding) the next Interest Payment Date is herein called an “Interest Period”.
- (vi) In relation to Floating Rate Notes, the Final Terms will specify the Interest Rate Basis. The Calculation Agent will calculate the rate of interest which will apply to the Notes for each Interest Period (the “Rate of Interest”) in accordance with the following terms, unless otherwise specified in the Final Terms.

(A) ISDA Determination for Floating Rate Notes

Where ISDA Determination is specified in the Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the Final Terms) the Margin (if any). For the purposes of this sub-paragraph (A), “ISDA Rate” for an Interest Period means a rate equal to the Floating Rate that would be determined by the Agent under an interest rate swap transaction if the Agent were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (1) the Floating Rate Option is as specified in the Final Terms;
- (2) the Designated Maturity is a period specified in the Final Terms; and
- (3) the relevant Reset Date is either (i) if the applicable Floating Rate Option is based on the London inter-bank offered rate (LIBOR) for a currency, the first day of that Interest Period or (ii) in any other case, as specified in the Final Terms.

For the purposes of this sub-paragraph (A), “Floating Rate”, “Calculation Agent”, “Floating Rate Option”, “Designated Maturity” and “Reset Date” have the meanings given to those terms in the ISDA Definitions.

(B) Screen Rate Determination for Floating Rate Notes

Where Screen Rate Determination is specified in the Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject as provided below, be either:

- (1) the offered quotation; or
- (2) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen Page as at 11.00 a.m. (London time or, in the case of EURIBOR, Brussels time) on the Interest Determination Date in question plus or minus (as indicated in the Final Terms) the Margin (if any), all as determined by the Agent or such other person specified in the Final Terms. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

The Agency Agreement contains provisions for determining the Rate of Interest in the event that the Relevant Screen Page is not available or if, in the case of (1) above, no such quotation appears or, in the case of (2) above, fewer than three such offered quotations appear, in each case as at the time specified in the preceding paragraph.

If the Reference Rate from time to time in respect of Floating Rate Notes is specified in the Final Terms as being other than LIBOR or EURIBOR, the Rate of Interest in respect of such Notes will be determined as provided in the Final Terms.

(vii) The Calculation Agent will, as soon as practicable after determining the Rate of Interest in relation to each Interest Period, calculate the amount of interest (the "Interest Amount") payable in respect of the principal amount of the smallest or minimum denomination of such Notes specified in the Final Terms for the relevant Interest Period. The Interest Amount will be calculated by applying the Rate of Interest for such Interest Period to such principal amount, multiplying the product by Day Count Fraction and rounding the resulting figure to the nearest sub-unit of the currency in which such Notes are denominated or, as the case may be, in which such interest is payable (one half of any such sub-unit being rounded upwards).

**(c) Notification of Rates of Interest, Interest Amounts and Interest Payments Dates**

- (i) The Calculation Agent will cause each Rate of Interest, Interest Payment Date, Interest Amount or floating amount, and such other information as may be, determined by it, to be notified to the Paying Agents and, in the case of Registered Notes, the Registrar and the Transfer Agents (from whose respective specified offices such information will be available) as soon as practicable after such determination but in any event not later than the fourth London Banking Day after the Interest Determination Date and, in the case of Notes admitted to the Official List of the UKLA and to trading on the regulated market of the London Stock Exchange, the Luxembourg Stock Exchange's regulated market or the Irish Stock Exchange's regulated market, cause each such Rate of Interest, Interest Amount and such other information as the case may be, to be notified to the FSA, Luxembourg Stock Exchange or Irish Stock Exchange no later than the first day of the relevant Interest Period. The Calculation Agent will be entitled to amend any Rate of Interest, Interest Amount, Interest Payment Date or other information (or to make appropriate alternative arrangements by way of adjustment) without notice in the event of the extension or abbreviation of the relevant Interest Period or calculation period. Notice of any amendment will be given in accordance with this Condition.
- (ii) All determinations made by the Calculation Agent for the purposes of this Condition shall, in the absence of manifest error, be final and binding on all parties.

**(d) Dual Currency Notes**

In the case of Dual Currency Notes, if the rate or amount of interest falls to be determined by reference to an exchange rate, the rate or amount of interest payable shall be determined in the manner specified in the Final Terms.

**(e) Partly Paid Notes**

In the case of partly paid Notes (other than partly paid Notes which are zero coupon Notes) interest will accrue as aforesaid on the paid-up principal amount of such Notes and otherwise as indicated in the Final Terms.

## **7. REDEMPTION AND PURCHASE**

### **(a) Final Redemption**

Unless previously redeemed, or purchased and cancelled, Notes shall be redeemed by the Issuer at the Redemption Amount as specified in, or determined in the manner specified in, the Final Terms on the Maturity Date or Dates specified in the Final Terms.

### **(b) Redemption for Taxation Reasons**

The Issuer may at any time redeem all of the Notes (but may not partially redeem the Notes) at their principal amount or the Tax Redemption Amount specified in the Final Terms (together in each case with accrued interest in the case of interest bearing Notes), on giving not less than 30 and not more than 45 days' notice to the Noteholders and the Agent (and in the case of Registered Notes, the Registrar) of its intention to redeem the Notes in accordance with this Condition, if:

- (i) on the occasion of the next payment due under the Notes, the Issuer has or will become obliged to pay Additional Amounts as provided or referred to in Condition 10 (Taxation) as a result of any change in, or amendment to, the laws or regulations of the Relevant Jurisdiction (as defined in Condition 10 (Taxation) below) or any political subdivision or any authority thereof or therein having power to tax, or any change in the application or official interpretation of such laws or regulations, which change or amendment becomes effective on or after the Issue Date of the first Tranche of the Notes; and
- (ii) such obligation cannot be avoided by the Issuer taking reasonable measures available to it;

provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer would be obliged to pay such Additional Amounts were a payment in respect of the Notes then due.

### **(c) Redemption at the Option of the Issuer**

If the Issuer is specified in the Final Terms as having an option to redeem, the Issuer may, having given:

- (i) not less than 15 nor more than 35 days' notice to the Noteholders in accordance with this Condition; and
- (ii) not less than 15 days before the giving of the notice referred to in (i), notice to the Agent and the Registrar, (which notices shall be irrevocable), redeem all or some only of the Notes then outstanding on any Optional Redemption Date and at the Optional Redemption Amount(s) specified in, or determined in the manner specified in, the Final Terms together, if appropriate, with interest accrued to (but excluding) the relevant Optional Redemption Date; Provided that, in the case of Subordinated Notes, the Optional Redemption Date may not fall earlier than five years and one day after the Issue Date. Any such redemption must be of a nominal amount equal to the Minimum Redemption Amount or a Higher Redemption Amount each as indicated in the Final Terms.

### **(d) The Appropriate Notice**

The notice referred to in paragraphs (b) and (c) of this Condition is a notice given by the Issuer to the Noteholders, the Agent and the Registrar (in the case of Registered Notes), which shall be signed by two authorised signatories of the Issuer and shall specify the following details:

- (i) the Series of Notes subject to redemption;
- (ii) whether such Series is to be redeemed in whole or in part only and, if in part only, the aggregate principal amount of the Notes of the relevant Series which are to be redeemed;
- (iii) the due date for such redemption, which shall be a Business Day; and
- (iv) the circumstances giving rise to the Issuer's entitlement to effect such redemption.

Any such notice shall be irrevocable, and the delivery thereof shall oblige the Issuer to make the redemption therein specified.

**(e) Redemption at the Option of the Noteholders**

If the Noteholders are specified in the Final Terms as having an option to redeem, upon the holder of any Note giving to the Issuer not less than 15 nor more than 30 days' notice prior to the relevant Optional Redemption Date or such other period of notice as is specified in the Final Terms the Issuer will, upon the expiry of such notice, redeem, subject to, and in accordance with, the terms specified in the Final Terms, in whole (but not in part), such Note on the Optional Redemption Date and at the Optional Redemption Amount specified in, or determined in the manner specified in, the Final Terms together, if appropriate, with interest accrued to (but excluding) the Optional Redemption Date; Provided that, in the case of Subordinated Notes, the Optional Redemption Date shall not fall earlier than five years and one day after the Issue Date.

If this Note is in definitive form, to exercise the right to require redemption of this Note, the holder of this Note must deliver such Note at the specified office of any Paying Agent at any time during normal business hours of such Paying Agent falling within the notice period, accompanied by a duly completed and signed notice of exercise in the form (for the time being current) obtainable from any specified office of any Paying Agent (a "Put Notice") and in which the holder must specify a bank account (or, if payment is by cheque, an address) to which payment is to be made under this Condition.

Any Put Notice given by a holder of any Note pursuant to this paragraph shall be irrevocable except where prior to the due date of redemption an Event of Default shall have occurred and be continuing in which event such holder, at its option, may elect by notice to the Issuer to withdraw the notice given pursuant to this paragraph and instead to declare such Note forthwith due and payable pursuant to Condition 12 (Events of Default).

**(f) Purchases**

The Issuer or any of its subsidiaries or affiliates may at any time purchase Notes at any price in the open market or otherwise. Such Notes may be held, reissued, resold or, at the option of the Issuer, surrendered to any Paying Agent for cancellation.

**(g) Instalment Notes**

If the Notes are repayable in instalments, they will be redeemed in the Instalment Amounts specified in the Final Terms and on the Instalment Dates specified in the Final Terms. In the case of early redemption, the Early Redemption Amount will be determined pursuant to paragraph (i) below.

**(h) Cancellation**

All Notes redeemed in accordance with this Condition 7 shall be cancelled (together with all unmatured Receipts, Coupons and Talons attached thereto or surrendered therewith at the time of redemption) and may not be reissued or resold.

**(i) Early Redemption Amounts**

For the purpose of paragraph (g) above and Condition 12, the Notes will be redeemed at the Early Redemption Amount calculated as follows:

- (i) in the case of Notes with a Redemption Amount equal to the Issue Price, at the Redemption Amount thereof; or
- (ii) in the case of index linked Notes, credit linked Notes or otherwise (other than Zero Coupon Notes but including Instalment Notes and Partly Paid Notes) with a Final Redemption Amount which is or may be less or greater than the Issue Price or which is payable in a Specified Currency other than that in which the Notes are denominated, at the amount specified in, or determined in the manner specified in, the Final Terms or, if no such amount or manner is so specified in the Final Terms, at their nominal amount; or
- (iii) in the case of Zero Coupon Notes, at an amount (the "Accreted Face Amount") equal to the sum of:
  - (A) the Reference Price specified in the Final Terms (the "Reference Price"); and
  - (B) the product of the Accrual Yield (compounded annually) being applied to the Reference Price from (and including) the Issue Date to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable.

Where such calculation is to be made for a period which is not a whole number of years, it shall be made on the basis of a 360-day year consisting of 12 months of 30 days each or such other calculation basis as may be specified in the Final Terms.

## **8. REDENOMINATION AND EXCHANGEABILITY**

Where Redenomination is specified in the Final Terms as being applicable and notwithstanding the provisions of Condition 15, the Issuer may, without the consent of the Noteholders, on giving at least 30 days' prior notice to the Noteholders in accordance with Condition 14, designate a Redenomination Date.

With effect from the Redenomination Date:

- (i) each Note and, in the case of a Fixed Rate Note, each amount of interest specified in the Coupons, shall (unless already so provided by mandatory provisions of applicable law) be deemed to be redenominated into such amount of euro in the denomination of euro 0.01 with a principal amount of each Note equal to the principal amount of that Note in the relevant currency (as specified in the Final Terms) converted into euro at the rate for the conversion of the relevant currency into euro established by the Council of the European Union pursuant to Article 123(4) of the Treaty establishing the European Communities, as amended (the "Treaty") (including compliance with rules relating to roundings in accordance with European Community regulations) provided however, that if the Issuer determines, with the agreement of the Agent that market practice in respect of the redenomination into euro 0.01 of internationally offered securities is different from that specified above, such provisions shall be deemed to be amended so as to comply with such market practice and the Issuer shall promptly notify the Noteholders and Couponholders, each stock exchange (if any) on which the Notes are then listed and the Paying Agents of such deemed amendments;
- (ii) all payments in respect of the Notes, other than payments of interest in respect of periods commencing before the Redenomination Date, will be made solely in euro, as though references in the Notes to the relevant currency were to euro. Such payments will be made in euro by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee;
- (iii) where Exchangeability is specified in the Final Terms as being applicable, the Issuer may elect that the Notes shall be exchangeable for Notes, expressed to be denominated in euro in accordance with such arrangements as the Issuer may decide, having regard to the then prevailing market practice after consultation with the Agent, and as may be specified in the notice, including arrangements under which Receipts and Coupons unmaturing at the date so specified become void;
- (iv) if the Notes are Fixed Rate Notes and interest is required to be calculated for a period of less than one year, it will be calculated in accordance with Condition 6(a)(i) (Interest-Fixed Rate);
- (v) if the Notes are Floating Rate Notes, any applicable changes to the provisions relating to interest will be specified in the Final Terms; and
- (vi) such other changes will be made to the terms and conditions of the Notes as the Issuer may decide, after consultation with the Agent, to conform such Notes to conventions then applicable to instruments denominated in euro. Any such other change will not take effect until they have been notified to the Noteholders in accordance with Condition 14. (Notices).

Neither the Issuer nor any Paying Agent will be liable to any Noteholder or other person for any commissions, costs, losses or expenses in relation to or resulting from the credit or transfer of euro or any currency conversion or rounding effected in connection therewith.

As used in these Conditions:

"Participating Member State" means a member state of the European Communities which adopts the euro as its lawful currency in accordance with the Treaty.

"Redenomination Date" means a date which:

- (i) in relation to interest-bearing Notes, shall be an Interest Payment Date;

- (ii) is specified by the Issuer in the notice given to the Noteholders pursuant to this Condition; and
- (iii) falls on or after the country of the relevant currency becomes or announces its intention of becoming a Participating Member State.

**9. PAYMENTS**

**(a) Payments – Bearer Notes**

- (i) Payment of amounts (including accrued interest) due on the redemption of Bearer Notes will be made against presentation and, save in the case of a partial redemption, surrender of the relevant Bearer Notes at the specified office of any of the Paying Agents or to the order of any Paying Agents.
- (ii) Payment of amounts due in respect of interest on Bearer Notes will be made in accordance with the following provisions:
  - (A) In the case of a Temporary Global Note or Permanent Global Note, against presentation of the relevant Temporary Global Note or Permanent Global Note at the specified office of any of the Paying Agents outside the United States and, in the case of a Temporary Global Note, upon due certification as required therein.
  - (B) In the case of definitive Bearer Notes without Coupons attached thereto at the time of their initial delivery, against presentation of the relevant definitive Bearer Notes at the specified office of any of the Paying Agents outside the United States.
  - (C) In the case of definitive Bearer Notes delivered with Coupons attached thereto, against surrender of the relevant Coupons at the specified office of any of the Paying Agents outside the United States.
- (iii) If the due date for payment of any amount due (whether in respect of principal, interest or otherwise) in respect of any Bearer Notes is not a Payment Business Day in the place of presentation, then the Noteholder will not be entitled to payment thereof until the next following such Payment Business Day and no further payment shall be due in respect of such delay save in the event that there is a subsequent failure to pay in accordance with these Terms and Conditions.

As used in this Condition 9(a)(iii), “Payment Business Day” means:

- (i) if the currency of payment is euro, any day which is:
  - (A) a day on which the banks in the relevant place of presentation are open for presentation and payment of bearer debt securities and for dealings in foreign currencies; and
  - (B) in the case of payment by transfer to an account, a day on which the TARGET System is operating; or

Any notice shall be deemed to have been given on the date of such publication or, if so published more than once, on the date of first publication. If publication is not practicable in any such newspaper, notice will be validly given if made in such other manner, and shall be deemed to have been given on such date as the Agent may approve.

For Swiss Franc Notes, notices to Noteholders will be deemed to have been given if published by the Principal Swiss Paying Agent at the expense of the Issuer, (i) by means of electronic publication on the internet website of the SWX Swiss Exchange ([www.swx.com](http://www.swx.com)) or (ii) otherwise in accordance with the regulations of the SWX Swiss Exchange. With respect to Registered Notes listed on the Luxembourg Stock Exchange, any notices to Noteholders must also be published in a Luxembourg daily newspaper (which is expected to be the *d'Wort*) and, in addition to the foregoing will be deemed validly given only after the date of such publication.

## **15. MEETINGS OF NOTEHOLDERS AND MODIFICATIONS OF TERMS AND CONDITIONS**

- (a) The Agency Agreement contains provisions for convening meetings of the Noteholders to consider any matters affecting their interests, including modification of the Notes and any provisions of the Agency Agreement applicable to the Notes. Any such modification must be authorised by an extraordinary resolution of the Noteholders (an "Extraordinary Resolution", which means a resolution passed by a majority consisting of not less than 75 per cent. of the votes cast thereon). The quorum at any meeting will be two or more persons present in person holding or representing a clear majority in principal amount of the Notes for the time being outstanding, and at any adjourned meeting two or more persons being or representing holders of the Notes whatever the principal amount of Notes so held or represented provided that at any such meeting, the business of which includes the modification of certain of these Terms and Conditions, the necessary quorum for passing an Extraordinary Resolution is two or more persons holding or representing not less than 75 per cent. or, at any adjourned meeting, one or more persons holding or representing a clear majority, in principal amount of the Notes for the time being outstanding. An Extraordinary Resolution duly passed at a meeting will be binding on all the Noteholders (whether present at the meeting or not) and on all the Receiptholders and Couponholders.
- (b) The Agent may agree without the consent of the Noteholders, Receiptholders or the Couponholders to any modification to the Agency Agreement which, in the reasonable opinion of the Agent, is not materially prejudicial to the interest of the Noteholders or the Couponholders or which is of a formal, minor or technical nature or to any modification which is necessary, to correct a manifest error.

## **16. FURTHER ISSUES**

The Issuer may from time to time without the consent of the Noteholders, Receiptholders or the Couponholders create and issue further notes and, provided that such further notes have the same terms and conditions as the Notes in all respects (or in all respects except for the first payment of interest on them), the further notes shall be consolidated and form a single series with the Notes. In such circumstances, references in these Conditions to "Notes" include (unless the context requires otherwise) any other notes issued pursuant to this Condition and forming a single series with the Notes.

**17. GOVERNING LAW AND JURISDICTION**

- (a) The Agency Agreement, the Notes, the Coupons and the Talons are governed by and shall be construed in accordance with English law.
- (b) The courts of England are to have jurisdiction to settle any disputes which may arise out of or in connection with the Notes, the Coupons or the Talons and accordingly any legal action or proceedings arising out of or in connection with the Notes, the Coupons or the Talons (“Proceedings”) may be brought in such courts. The Issuer irrevocably submits to the jurisdiction of such courts and waives any objection to Proceedings in any such courts whether on the ground of venue or on the ground that the Proceedings have been brought in an inconvenient forum. This submission is made for the benefit of each of the Noteholders, the Couponholders and the Talonholders and shall not limit the right of any of them to take Proceedings in any other court of competent jurisdiction nor shall the taking of Proceedings in one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not).
- (c) The Issuer agrees that the documents which start any Proceedings and any other documents required to be served in relation to those Proceedings may be served on it by being delivered to it at 1 Finsbury Avenue, London EC2M 2PP or at any other address of the Issuer in Great Britain at which service of process may be served on it in accordance with Part XXIII of the Companies Act 1985. Nothing herein shall affect the right to serve process in any other manner permitted by law.
