TERMS AND CONDITIONS OF THE NOTES

This Note is one of a Series (as defined below) of Notes issued by Credit Suisse AG (the **Issuer**) pursuant to the Agency Agreement (as defined below).

References herein to the **Notes** shall be references to the Notes of this Series and shall mean:

- (a) in relation to any Notes represented by a global Note (a **Global Note**), units of each Specified Denomination in the Specified Currency;
- (b) any Global Note;
- (c) any definitive Notes in bearer form (**Bearer Notes**) issued in exchange for a Global Note in bearer form;
- (d) any definitive Notes in registered form (**Registered Notes**) (whether or not issued in exchange for a Global Note in registered form); and
- (e) any Notes in uncertificated form (**Uncertificated Notes**).

The Notes and the Coupons (as defined below) have the benefit of an Amended and Restated Agency Agreement dated 2nd August 2016, as supplemented by a supplemental agency agreement dated 24th May 2017, a second supplemental agency agreement dated 24th May 2018, a third supplemental agency agreement dated 24th May 2019, a fourth supplemental agency agreement dated 22nd May 2020 and a fifth supplemental agency agreement dated 21st May 2021 (together, the **Agency Agreement**, such Agency Agreement as may be further amended and/or supplemented and/or restated from time to time), each between, among others, the Issuer and BNP Paribas Securities Services, Luxembourg Branch as issuing and principal paying agent and agent bank in respect of all Notes other than Notes represented on issue by a Swiss Global Note and other than Uncertificated Notes (the **Agent**, which expression shall include any successor agent and, together with any other paying agents appointed under the Agency Agreement, the **Paying Agents**, which expression shall include any additional or successor paying agents), BNP Paribas Securities Services, Luxembourg Branch as registrar (the **Registrar**, which expression shall include any successor registrar) and as transfer agent (together with any other transfer agents appointed under the Agency Agreement, the **Transfer Agents**, which expression shall include any additional successor transfer agents) and Credit Suisse AG as issuing and principal paying agent in respect of Notes represented on issue by a Swiss Global Note and Uncertificated Notes (the **Swiss Agent**, which expression shall include any successor Swiss Agent). If so specified in the applicable Final Terms, the Issuer will also appoint a calculation agent with respect to a Series (the **Calculation Agent**, which expression shall include any successor calculation agent and any other calculation agent specified in the applicable Final Terms). If the Notes are represented on issue by a Swiss Global Note or in the case of Uncertificated Notes, the Swiss Agent and the other Swiss paying agents named in the applicable Final Terms will act as Agent and Paying Agents, respectively, in respect of the Notes and the expressions **Agent** and **Paying Agents** shall be construed accordingly.

Interest bearing definitive Bearer Notes have interest coupons (**Coupons**) and, in the case of Bearer Notes which, when issued in definitive form, have more than 27 interest payments remaining, talons for further Coupons (**Talons**) attached on issue. Any reference herein to Coupons or coupons shall, unless the context otherwise requires, be deemed to include a reference to Talons or talons. Registered Notes and Global Notes do not have Coupons or Talons attached on issue. Any references in these Terms and Conditions (the **Conditions**) to Coupons or Talons shall not apply to Uncertificated Notes.

The final terms for this Note (or the relevant provisions thereof) are set out in Part A of the Final Terms attached to or endorsed on or applicable to this Note which complete the Conditions and, in the case of a Note which is neither admitted to trading on a regulated market in the European Economic Area (**EEA**) nor offered in the EEA in circumstances where a prospectus is required to be published under the Prospectus Regulation, may specify other terms and conditions that will, to the extent so specified or to the extent inconsistent with the Conditions, replace or modify the Conditions for the purposes of this Note. References to the **applicable Final Terms** are to Part A of the Final Terms (or the relevant provisions thereof) attached to or endorsed on or applicable to this Note. The expression **Prospectus Regulation** means Regulation (EU) 2017/1129. For the purposes of the Conditions, references to EEA include the United Kingdom.

The applicable Final Terms will indicate whether in issuing this Note the Issuer is acting through its Zurich head office or a specified branch of the Issuer (the **Designated Branch**).

Other than in the case of Bearer Notes represented by a Swiss Global Note or Uncertificated Notes, any reference to **Noteholders** or **holders** in relation to any Notes shall mean (in the case of Bearer Notes) the holders of the Notes and (in the case of Registered Notes) the person in whose name the Notes are registered and shall, in relation to any Notes represented by a Global Note, be construed as provided below. Any reference herein to **Couponholders** shall mean the holders of the Coupons and shall, unless the context otherwise requires, include the holders of the Talons.

As used herein, **Tranche** means Notes which are identical in all respects (including as to listing and admission to trading) and **Series** means a Tranche of Notes together with any further Tranche or Tranches of Notes which (a) are expressed to be consolidated and form a single series and (b) have the same terms and conditions or terms and conditions which are the same in all respects save for the issue date, the amount and date of the first payment of interest thereon and the date from which interest starts to accrue.

The Noteholders and the Couponholders are entitled to the benefit of a Deed of Covenant (such Deed of Covenant as modified and/or supplemented and/or restated from time to time, the **Deed of Covenant**) dated 13th May 2015 and made by the Issuer. The original of the Deed of Covenant is held by the common depositary for Euroclear (as defined below) and Clearstream, Luxembourg (as defined below).

Copies of the Agency Agreement and the Deed of Covenant (i) are available for inspection or collection during normal business hours at the specified office of each of the Paying Agents and Transfer Agents or (ii) may be provided by email to a Noteholder following their prior written request to any Paying Agent, the Transfer Agent or the Issuer and provision of proof of holding and identity (in a form satisfactory to the relevant Paying Agent, the Transfer Agent or the Issuer, as the case may be). If the Notes are to be admitted to trading on the regulated market of the Luxembourg Stock Exchange the applicable Final Terms will be published on the website of the Luxembourg Stock Exchange (www.bourse.lu). If this Note is neither admitted to trading on a regulated market in the European Economic Area nor offered in the European Economic Area in circumstances where a prospectus is required to be published under the Prospectus Regulation, the applicable Final Terms will only be obtainable by a Noteholder holding one or more Notes and such Noteholder must produce evidence satisfactory to the Issuer or, as the case may be, the relevant Paying Agent as to its holding of such Notes and identity. The Noteholders and the Couponholders are deemed to have notice of, and are entitled to the benefit of, all the provisions of the Agency Agreement, the Deed of Covenant and the applicable Final Terms which are applicable to them. The statements in the Conditions include summaries of, and are subject to, the detailed provisions of the Agency Agreement.

Words and expressions defined in the Agency Agreement or used in the applicable Final Terms shall have the same meanings where used in the Conditions unless the context otherwise requires or unless otherwise stated and provided that, in the event of inconsistency between the Agency Agreement and the applicable Final Terms, the applicable Final Terms will prevail.

Any Swiss law provision referred to herein shall not be incorporated by reference into the Conditions. In the Conditions:

euro means the currency introduced at the start of the third stage of European economic and monetary union pursuant to the Treaty on the functioning of the European Union, as amended; and

Renminbi and **RMB** means the lawful currency of People's Republic of China (the **PRC**) which for the purposes of the Conditions excludes the Hong Kong Special Administrative Region of the PRC, the Macao Special Administrative Region of the PRC and the Republic of China.

1 FORM, DENOMINATION AND TITLE

The Notes are in bearer form, registered form or uncertificated form as specified in the applicable Final Terms and, in the case of definitive Notes, serially numbered, in the currency (the **Specified Currency**) and the denominations (the **Specified Denomination(s)**) specified in the applicable Final Terms. Notes of one Specified Denomination may not be exchanged for Notes of another Specified Denomination and Bearer Notes, Registered Notes and Uncertificated Notes may not be exchanged for another form of Notes.

The Swiss Global Note representing Bearer Notes will be deposited with SIX SIS AG (**SIS**) or any other intermediary in Switzerland recognised for such purposes by the SIX Swiss Exchange (SIS or any such other intermediary, the **Intermediary**) on or prior to the original issue date of the Tranche. Once the Swiss Global Note has been deposited with the Intermediary and the relevant interests in the Swiss Notes (as defined below) entered into the accounts of one or more participants of the Intermediary, the Bearer Notes represented thereby will constitute intermediated securities (*Bucheffekten*) within the meaning of the Swiss Federal Intermediated Securities Act (*Bucheffektengesetz*) (**Intermediated Securities**).

In the case of Bearer Notes represented by a Swiss Global Note, each holder of the Bearer Notes shall have a quotal co-ownership interest (*Miteigentumsanteil*) in the Swiss Global Note to the extent of its claim against the Issuer, provided that for so long as the Swiss Global Note remains deposited with the Intermediary and the Bearer Notes represented thereby qualify as Intermediated Securities, the co-ownership interest shall be suspended.

No holder of the Bearer Notes represented by a Swiss Global Note will at any time have the right to effect or demand the conversion of the Swiss Global Note representing such Bearer Notes into, or the delivery of, individually certificated securities (*Wertpapiere*) or uncertificated securities (*Wertrechte*).

Uncertificated Notes will be entered into the main register (*Hauptregister*) of the Intermediary on or prior to the Issue Date. Once the Uncertificated Notes are registered in the main register of the Intermediary and entered into the accounts of one or more participants of the Intermediary, the Uncertificated Notes will constitute Intermediated Securities.

No holder of the Uncertificated Notes will at any time have the right to effect or demand the conversion of the Uncertificated Notes into, or the delivery of, a permanent global certificate (*Globalurkunde*) or individually certificated securities (*Wertpapiere*).

This Note may be a Fixed Rate Note, a Floating Rate Note, a Zero Coupon Note or a combination of any of the foregoing, depending upon the Interest Basis shown in the applicable Final Terms.

Definitive Bearer Notes are issued with Coupons attached, unless they are Zero Coupon Notes in which case references to Coupons and Couponholders in the Conditions are not applicable.

Subject as set out below, title to the Bearer Notes (other than Definitive Bearer Swiss Certificates (as defined below)) and Coupons will pass by delivery and title to the Registered Notes will pass upon registration of transfers in accordance with the provisions of the Agency Agreement. The Issuer and the Paying Agents will (except as otherwise required by law) deem and treat the bearer of any Bearer Note or Coupon and the registered holder of any Registered Note as the absolute owner thereof (whether or not overdue and notwithstanding any notice of ownership or writing thereon or notice of any previous loss or theft thereof) for all purposes but, in the case of any Global Note, without prejudice to the provisions set out in the next succeeding paragraph.

For so long as any of the Notes is represented by a Global Note held by or on behalf of or, as the case may be, registered in the name of a common nominee of, Euroclear Bank SA/NV (**Euroclear**) and/or Clearstream Banking S.A. (**Clearstream, Luxembourg**) (or, as the case may be, a nominee for the common safekeeper), each person (other than Euroclear or Clearstream, Luxembourg) who is for the time being shown in the records of Euroclear or Clearstream, Luxembourg as the holder of a particular principal amount of such Notes (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg as to the principal amount of such Notes standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error or proven error) shall be treated by the Issuer and the Paying Agents as the holder of such principal amount of such Notes for all purposes other than with respect to the payment of principal or interest on such principal amount of such Notes, for which purpose the bearer of the relevant Bearer Global Note or the registered holder of the relevant Registered Global Note shall be treated by the Issuer and any Paying Agent as the holder of such principal amount of such Notes in accordance with and subject to the terms of the relevant Global Note and the expressions **Noteholder** and **holder of Notes** and related expressions shall be construed accordingly.

In the case of Bearer Notes represented by a Swiss Global Note or Uncertificated Notes (**Swiss Notes**), the records of the Intermediary will determine the principal amount of Swiss Notes represented by that Swiss Global Note or such Uncertificated Notes, as the case may be, and held by or through each participant in the Intermediary. The holders of such Swiss Notes will be the persons holding such Swiss Notes in a securities account (*Effektenkonto*) which is in their name or, in the case of intermediaries (*Verwahrungsstellen*), the intermediaries (*Verwahrungsstellen*) holding such Swiss Notes for their own account in a securities account (*Effektenkonto*) which is in their name, and the expressions **Noteholder** and **holder of Notes** and related expressions shall be construed accordingly, including in the context of Swiss Global Notes deposited with the Intermediary.

In the case of Swiss Notes represented by a Swiss Global Note, individually certificated Notes (*Wertpapiere*) in bearer form (**Definitive Bearer Swiss Certificates**) will be printed, and the Swiss Global Note will be exchanged, in whole, but not in part, for Definitive Bearer Swiss Certificates, if (and only if) the Swiss Agent determines, in its sole discretion, that the printing of the Definitive Bearer Swiss Certificates is necessary or useful or if the presentation of Definitive Bearer Swiss Certificates is required by Swiss or other applicable laws

and regulations in connection with the enforcement of rights of Noteholders. Should the Swiss Agent so determine, it shall provide for the printing of Definitive Bearer Swiss Certificates without cost to the Noteholders. If printed, the Definitive Bearer Swiss Certificates shall be executed by affixing thereon the facsimile signatures of two authorised officers of the Issuer. In the case Definitive Bearer Swiss Certificates are delivered, the Swiss Global Note will immediately be cancelled by the Swiss Agent and the Definitive Bearer Swiss Certificates shall be delivered to the relevant holders against cancellation of the relevant Swiss Notes in such holders' securities accounts. Definitive Bearer Swiss Certificates will not be included in the records of the Intermediary and, therefore, will not constitute Intermediated Securities.

However, if specified in the applicable Final Terms, the following shall be applicable to Swiss Notes represented by a Swiss Global Note: Individually certificated Swiss Notes (*Wertpapiere*) in registered form for U.S. tax purposes (**Definitive Registered Swiss Certificates**) will be printed, and the Swiss Global Note will be exchanged, in whole, but not in part, for Definitive Registered Swiss Certificates, if (and only if) the Swiss Agent determines, in its sole discretion, that the printing of the Definitive Registered Swiss Certificates is necessary or useful. Should the Swiss Agent so determine, (i) it will provide for the printing of the Definitive Registered Swiss Certificates without interest coupons and without cost to the Noteholders, (ii) the Definitive Registered Swiss Certificates shall be executed by affixing thereon the facsimile signatures of two authorised officers of the Issuer, and (iii) the Issuer, after consultation with the Swiss Agent, will appoint a registrar (the **Swiss Registrar**) to establish and maintain a noteholders' register for the Swiss Notes (the **Register**) on the Issuer's behalf. The Issuer will notify the Noteholders of any such appointment in accordance with Condition 17. The Register will be established and maintained in a manner to ensure that the Swiss Notes are treated as issued in registered form for U.S. tax purposes. Upon delivery of the individually Definitive Registered Swiss Certificates, the Swiss Global Note will immediately be cancelled by the Swiss Agent and the Definitive Registered Swiss Certificates will be delivered to the Noteholders, who for this purpose need to be registered in the Register, against cancellation of the Swiss Notes in their respective securities accounts. Definitive Registered Swiss Certificates will not be included in the records of the Intermediary and, therefore, will not constitute Intermediated Securities. The registration of a new Noteholder by the Swiss Registrar will only occur upon presentation of the relevant Definitive Registered Swiss Certificates at the specified office of the Swiss Registrar or the Swiss Agent. No transfer of a Definitive Registered Swiss Certificate will be valid unless and until entered into the Register. A Definitive Registered Swiss Certificate may be registered only in the name of and transferred to a specified person.

If the Final Terms so provide, the conversion of the Swiss Global Note into individually certificated securities (*Wertpapiere*) or uncertificated securities (*Wertrechte*) is excluded. Neither the Issuer, the Noteholders, the Swiss Agent nor any other party shall, at any time, have the right to effect or demand the conversion of the Swiss Global Note into, or the delivery of, individually certificated securities (*Wertpapiere*) or uncertificated securities (*Wertrechte*).

In the case of Swiss Notes represented by Uncertificated Notes, no individually certificated Notes (*Wertpapiere*) will be printed or delivered.

Notes which are represented by a Global Note will be transferable only in accordance with the rules and procedures for the time being of Euroclear, Clearstream, Luxembourg and SIS, as the case may be. In the case of Bearer Notes represented by a Swiss Global Note, for so long as the Swiss Global Note remains deposited with the Intermediary and the Notes represented thereby qualify as Intermediated Securities, such Bearer Notes will be transferable only in accordance with the rules and procedures for the time being of the Intermediary and may only be transferred by the entry of the transferred Bearer Notes in a securities account of the transferee. For so long as the Uncertificated Notes constitute Intermediated Securities, they will be transferable only in accordance with the rules and procedures for the time being of the Intermediary and may only be transferred by the entry of the transferred Uncertificated Notes in a securities account of the transferee.

References to Euroclear, Clearstream, Luxembourg and/or SIS, whenever the context so permits, shall be deemed to include a reference to any additional or alternative clearing system specified in the applicable Final Terms and, in the case of SIS, recognised by the SIX Swiss Exchange.

2 TRANSFERS OF REGISTERED NOTES

2.1 Transfers of interests in Registered Global Notes

Transfers of beneficial interests in Registered Global Notes will be effected by Euroclear or Clearstream, Luxembourg, as the case may be, and, in turn, by other participants and, if appropriate, indirect participants in such clearing systems acting on behalf of beneficial transferors and transferees of such interests. A beneficial interest in a Registered Global Note will, subject to compliance with all applicable legal and regulatory

restrictions, be transferable for Notes in definitive registered form only in the authorised denominations set out in the applicable Final Terms and only in accordance with the rules and operating procedures for the time being of Euroclear or Clearstream, Luxembourg, as the case may be, and in accordance with the terms and conditions specified in the Agency Agreement.

2.2 Transfers of Registered Notes in definitive form

Subject as provided in paragraph 2.5 below, upon the terms and subject to the conditions set forth in the Agency Agreement, a Registered Note in definitive form may be transferred in whole or in part (in the authorised denominations set out in the applicable Final Terms). In order to effect any such transfer (i) the holder or holders must (A) surrender the Registered Note for registration of the transfer of the Registered Note (or the relevant part of the Registered Note) at the specified office of the Registrar or any Transfer Agent, with the form of transfer thereon duly executed by the holder or holders thereof or his or their attorney or attorneys duly authorised in writing and (B) complete and deposit such other certifications as may be required by the Registrar or, as the case may be, the relevant Transfer Agent and (ii) the Registrar or, as the case may be, the relevant Transfer Agent must, after due and careful enquiry, be satisfied with the documents of title and the identity of the person making the request. Any such transfer will be subject to such reasonable regulations as the Issuer and the Registrar may from time to time prescribe (the initial such regulations being set out in Schedule 9 to the Agency Agreement). Subject as provided above, the Registrar or, as the case may be, the relevant Transfer Agent will, within three business days (being for this purpose a day on which banks are open for business in the city where the specified office of the Registrar or, as the case may be, the relevant Transfer Agent is located) of the request (or such longer period as may be required to comply with any applicable fiscal or other laws or regulations), authenticate and deliver, or procure the authentication and delivery of, at its specified office to the transferee or (at the risk of the transferee) send by uninsured mail, to such address as the transferee may request, a new Registered Note in definitive form of a like aggregate principal amount to the Registered Note (or the relevant part of the Registered Note) transferred. In the case of the transfer of part only of a Registered Note in definitive form, a new Registered Note in definitive form in respect of the balance of the Registered Note not transferred will be so authenticated and delivered or (at the risk of the transferor) sent to the transferor.

2.3 Registration of transfer upon partial redemption

In the event of a partial redemption of Notes under Condition 8, the Issuer shall not be required to register the transfer of any Registered Note, or part of a Registered Note, called for partial redemption.

2.4 Costs of registration

Noteholders will not be required to bear the costs and expenses of effecting any registration of transfer as provided above, except for any costs or expenses of delivery other than by regular uninsured mail and except that the Issuer may require the payment of a sum sufficient to cover any stamp duty, tax or other governmental charge that may be imposed in relation to the registration.

2.5 Exchanges and transfers of Registered Notes generally

Holders of Registered Notes in definitive form may exchange such Notes for interests in a Registered Global Note of the same Series at any time.

3 STATUS OF THE NOTES

The Notes and any relative Coupons constitute direct, unconditional, unsecured and unsubordinated obligations of the Issuer and rank *pari passu* with all other present or future unsecured and unsubordinated obligations of the Issuer and without any preference among themselves, except for such preferences as are provided by any mandatory applicable provision of law.

6 INTEREST

The applicable Final Terms will indicate whether the Notes are Fixed Rate Notes, Floating Rate Notes or Zero Coupon Notes or, in the case of Notes that have a change in interest basis, the period for which they are Fixed Rate Notes and the period for which they are Floating Rate Notes.

6.1 Interest on Fixed Rate Notes

This Condition 6.1 applies to Fixed Rate Notes only. The applicable Final Terms contains provisions applicable to the determination of fixed rate interest and must be read in conjunction with this Condition 6.1 for full information on the manner in which interest is calculated on Fixed Rate Notes. In particular, the applicable Final Terms will specify the Interest Commencement Date, the Rate(s) of Interest, the Interest Payment Date(s), the Maturity Date, the Fixed Coupon Amount, any applicable Broken Amount, the Calculation Amount, the Day Count Fraction and any applicable Determination Date.

Each Fixed Rate Note bears interest from (and including) the Interest Commencement Date at the rate(s) per annum (expressed as a percentage) equal to the Rate(s) of Interest. Interest will be payable in arrear on each Interest Payment Date up to (and including) the Maturity Date (if any) subject as provided in Condition 7.7.

If the Notes are in definitive form, except as provided in the applicable Final Terms, the amount of interest payable on each Interest Payment Date in respect of the Fixed Interest Period ending on (but excluding) such date will amount to the Fixed Coupon Amount. Payments of interest on any Interest Payment Date will, if so specified in the applicable Final Terms, amount to the Broken Amount so specified.

As used in the Conditions, **Fixed Interest Period** means the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date.

Except in the case of Notes in definitive form where a Fixed Coupon Amount or Broken Amount is specified in the applicable Final Terms, interest shall be calculated, in respect of any period by applying the Rate of Interest to:

(A) in the case of Fixed Rate Notes which are represented by (i) a Global Note or by Uncertificated Notes or (ii) Registered Notes in definitive form, the aggregate outstanding principal amount of (A) the Fixed Rate Notes represented by such Global Note or Uncertificated Notes or (B) such Registered Notes; or

(B) in the case of Fixed Rate Notes which are Bearer Notes in definitive form, the Calculation Amount

and, in each case, multiplying such sum by the applicable Day Count Fraction.

The resultant figure (including after application of any Fixed Coupon Amount or Broken Amount, as applicable, to the outstanding aggregate principal amount of Fixed Rate Notes, which are Registered Notes in definitive form or the Calculation Amount in the case of Fixed Rate Notes which are Bearer Notes in definitive form) shall be rounded to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

Where the Specified Denomination of a Fixed Rate Note which is a Bearer Note in definitive form comprises more than one Calculation Amount, the amount of interest payable in respect of such Fixed Rate Note shall be the aggregate of the amounts (determined in the manner provided above) for each Calculation Amount comprising the Specified Denomination without any further rounding.

Day Count Fraction means, in respect of the calculation of an amount of interest in accordance with this Condition 6.1:

(a) if "Actual/Actual (ICMA)" is specified in the applicable Final Terms:

(i) in the case of Notes where the number of days in the relevant period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (the **Accrual Period**) is equal to or shorter than the Determination Period during which the Accrual Period ends, the number of days in such Accrual Period divided by the product of (I) the number of days in such Determination Period and (II) the number of Determination Dates (as specified in the applicable Final Terms) that would occur in one calendar year; or

(ii) in the case of Notes where the Accrual Period is longer than the Determination Period during which the Accrual Period ends, the sum of:

(C) the number of days in such Accrual Period falling in the Determination Period in which the Accrual Period begins divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates that would occur in one calendar year; and

- (D) the number of days in such Accrual Period falling in the next Determination Period divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates that would occur in one calendar year;
- (b) if “30/360” is specified in the applicable Final Terms, the number of days in the period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (such number of days being calculated on the basis of a year of 360 days with 12 30-day months) divided by 360; and
- (c) if “Actual/365 (Fixed)” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365.

In the Conditions:

Determination Period means each period from (and including) a Determination Date to (but excluding) the next Determination Date (including, where either the Interest Commencement Date or the final Interest Payment Date is not a Determination Date, the period commencing on the first Determination Date prior to, and ending on the first Determination Date falling after, such date); and

sub-unit means, with respect to any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, with respect to euro, one cent.

6.2 Interest on Floating Rate Notes

This Condition 6.2 applies to Floating Rate Notes only. The applicable Final Terms contains provisions applicable to the determination of floating rate interest and must be read in conjunction with this Condition 6.2 for full information on the manner in which interest is calculated on Floating Rate Notes. In particular, the applicable Final Terms will identify any Specified Interest Payment Dates, any Specified Period, the Interest Commencement Date, the Business Day Convention, any Additional Business Centres, whether ISDA Determination or Screen Rate Determination applies to the calculation of interest, the Margin, any maximum or minimum interest rates and the Day Count Fraction. Where ISDA Determination applies to the calculation of interest, the applicable Final Terms will also specify the applicable Floating Rate Option, Designated Maturity, Reset Date and any Calculation Agent. Where Screen Rate Determination applies to the calculation of interest, the applicable Final Terms will also specify the applicable Reference Rate, Interest Determination Date(s), Relevant Screen Page, the Calculation Agent and whether Replacement Rate Determination (pursuant to sub-paragraph (b)(v) of this Condition 6.2) is applicable. In the case of ISDA Determination, if the applicable Final Terms specifies a Calculation Agent for calculating the Rate of Interest and Interest Amount for the purposes of this Condition 6.2, all references, unless the context otherwise requires, to the Agent in sub-paragraphs (a) to (g) of this Condition 6.2 shall be deemed to be references to the Calculation Agent.

(b) *Interest Payment Dates*

Each Floating Rate Note bears interest from (and including) the Interest Commencement Date and such interest will be payable in arrear on either:

- (i) the Specified Interest Payment Date(s) in each year specified in the applicable Final Terms; or
- (ii) if no Specified Interest Payment Date(s) is/are specified in the applicable Final Terms, each date (each such date, together with each Specified Interest Payment Date, an **Interest Payment Date**) which falls the number of months or other period specified as the Specified Period in the applicable Final Terms after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

Such interest will be payable in respect of each Interest Period. In the Conditions, **Interest Period** means the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date; provided, however, that where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined and the Reference Rate is Compounded Daily SOFR, Compounded Daily SONIA or SARON Compounded, in the case of any Interest Period during which any Notes become due and payable on a date other than an Interest Payment Date, in respect of such Notes that become due and payable only, such Interest Period will end on (but exclude) such date on which such Notes become due and payable.

If a Business Day Convention is specified in the applicable Final Terms and (x) if there is no numerically corresponding day in the calendar month in which an Interest Payment Date should occur or (y) if any Interest Payment Date would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified is:

- (A) in any case where Specified Periods are specified in accordance with Condition 6.2(a)(ii), the Floating Rate Convention, such Interest Payment Date (a) in the case of (x) above, shall be the last day that is a Business Day in the relevant month and the provisions of (b)(ii) below shall apply *mutatis mutandis* or (b) in the case of (y) above, shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (i) such Interest Payment Date shall be brought forward to the immediately preceding Business Day and (ii) each subsequent Interest Payment Date shall be the last Business Day in the month which falls the Specified Period after the preceding applicable Interest Payment Date occurred; or
- (B) the Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day; or
- (C) the Modified Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date shall be brought forward to the immediately preceding Business Day; or
- (D) the Preceding Business Day Convention, such Interest Payment Date shall be brought forward to the immediately preceding Business Day.

In the Conditions, **Business Day** means a day which is:

- (a) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in any Additional Business Centre (other than TARGET2 System) specified in the applicable Final Terms;
- (b) if TARGET2 System is specified as an Additional Business Centre in the applicable Final Terms, a day on which the Trans-European Automated Real-Time Gross Settlement Express Transfer (TARGET2) System (the **TARGET2 System**) is open; and
- (c) either (i) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (if other than any Additional Business Centre and which if the Specified Currency is Australian dollars, New Zealand dollars or Renminbi shall be Sydney, Auckland and Hong Kong, respectively) or (ii) in relation to any sum payable in euro, a day on which the TARGET2 System is open.

(c) **Rate of Interest**

The Rate of Interest payable from time to time in respect of Floating Rate Notes will be determined in the manner specified in the applicable Final Terms.

(i) *ISDA Determination for Floating Rate Notes*

Where ISDA Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the applicable Final Terms) the Margin (if any). For the purposes of this subparagraph (i), ISDA Rate for an Interest Period means a rate equal to the Floating Rate that would be determined by the Agent under an interest rate swap transaction if the Agent were acting as Calculation Agent (as defined in the ISDA Definitions (as defined below)) for that swap transaction under the terms of an agreement incorporating the 2006 ISDA Definitions, as published by the International Swaps and Derivatives

Association, Inc. and as amended and updated as at the Issue Date of the first Tranche of the Notes (the ISDA Definitions) and under which:

- (A) the Floating Rate Option is as specified in the applicable Final Terms;
- (B) the Designated Maturity is a period specified in the applicable Final Terms; and
- (C) the relevant Reset Date is the day specified in the applicable Final Terms.

For the purposes of this subparagraph (i), **Floating Rate, Floating Rate Option, Designated Maturity** and **Reset Date** have the meanings given to those terms in the ISDA Definitions.

- (ii) *Screen Rate Determination for Floating Rate Notes (unless the Reference Rate is Compounded Daily SONIA, Compounded Daily SOFR or SARON Compounded)*

Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined and the Reference Rate is not Compounded Daily SONIA, Compounded Daily SOFR or SARON Compounded, the Rate of Interest for each Interest Period will, subject as provided below, be either:

- (A) the rate or offered quotation; or
- (B) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the rates or offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate (being either (i) the London interbank offered rate (**LIBOR**), (ii) the Euro-zone interbank offered rate (**EURIBOR**), (iii) the Singapore interbank offered rate (**SIBOR**), (iv) the Australian Bank Bill Swap Rate (**BBSW**), (v) the Canadian dollar offered rate for bankers acceptances (**CDOR**), (vi) the CNH Hong Kong inter-bank offered rate (**CNH HIBOR**), (vii) the New Zealand Bank Bill reference rate (**BKBM**), (viii) the Hong Kong interbank offered rate (**HIBOR**), (ix) the Stockholm interbank offered rate (**STIBOR**) or (x) the Norwegian interbank offered rate (**NIBOR**)), as specified in the applicable Final Terms) which appears or appear, as the case may be, on the Relevant Screen Page (or such replacement page on that service which displays the information) as at the Specified Time (as defined below) on the applicable Interest Determination Date plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Calculation Agent. If five or more of such bid rates or offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Calculation Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such bid rates or offered quotations.

If the Relevant Screen Page is not available or if, in the case of (A) above, no rate or offered quotation appears or, in the case of (B) above, fewer than three rates or offered quotations appear, in each case as at the Specified Time on the applicable Interest Determination Date, the Calculation Agent shall request each of the Reference Banks to provide the Calculation Agent with its bid rate or offered quotation (expressed as a percentage rate per annum) for the Reference Rate at approximately the Specified Time on such Interest Determination Date (which, if the Reference Rate is CDOR, shall be the bid rate for Canadian dollar bankers acceptances for a period equal to the relevant Interest Period for settlement on such Interest Determination Date and in an amount that is representative for a single transaction in the relevant market at the relevant time (a **representative amount**) accepted by the Reference Banks at the Specified Time on such Interest Determination Date). If two or more of the Reference Banks provide the Calculation Agent with rates or offered quotations, the Rate of Interest for the Interest Period shall be the arithmetic mean (rounded if necessary to the fifth decimal place with 0.000005 being rounded upwards) of the rates or offered quotations plus or minus (as appropriate) the Margin (if any), all as determined by the Calculation Agent.

If on any Interest Determination Date one only or none of the Reference Banks provides the Calculation Agent with an offered quotation or bid rate as provided in the preceding paragraph, the Rate of Interest for the relevant Interest Period shall be the rate per annum which the Calculation Agent determines as being the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of:

- (i) in the case of a Reference Rate other than CDOR, the rates, as communicated to (and at the request of) the Calculation Agent by the Reference Banks or any two or more of them, at which such banks were offered, at approximately the Specified Time on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in the London inter-bank market (if the Reference Rate is LIBOR), the Euro-zone inter-bank market (if the Reference Rate is EURIBOR), the Singapore inter-bank market (if the Reference Rate is SIBOR), the Sydney inter-bank market (if the Reference Rate is BBSW), the Hong Kong inter-bank market (if the Reference Rate is CNH HIBOR or HIBOR), the New Zealand inter-bank market (if the Reference Rate is BKBM), the Stockholm inter-bank market (if the Reference Rate is STIBOR), the Oslo inter-bank market (if the Reference Rate is NIBOR) or the inter-bank market of the Relevant Financial Centre (if any other Reference Rate is used) plus or minus (as appropriate) the Margin (if any) or, if fewer than two of the Reference Banks provide the Calculation Agent with offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean (rounded as provided above) of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, at approximately the Specified Time on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Issuer suitable for the purpose) informs the Calculation Agent it is quoting to leading banks in the London inter-bank market (if the Reference Rate is LIBOR), the Euro-zone inter-bank market (if the Reference Rate is EURIBOR), the Singapore inter-bank market (if the Reference Rate is SIBOR), the Sydney inter-bank market (if the Reference Rate is BBSW), the Hong Kong inter-bank market (if the Reference Rate is CNH HIBOR or HIBOR), the New Zealand inter-bank market (if the Reference Rate is BKBM), the Stockholm inter-bank market (if the Reference Rate is STIBOR), the Oslo inter-bank market (if the Reference Rate is NIBOR), the inter-bank market of the Relevant Financial Centre (if any other Reference Rate is used) plus or minus (as appropriate) the Margin (if any); or
- (ii) if the Reference Rate is CDOR, the bid rates quoted by any one or more major banks in Toronto (which bank or banks is or are in the opinion of the Issuer suitable for the purposes) and provided to the Calculation Agent for Canadian Dollar bankers acceptances for a period equal to the relevant Interest Period for settlement on the relevant Interest Determination Date and in representative amount accepted by the bank or banks at the Specified Time on the relevant Interest Determination Date plus or minus (as appropriate) the Margin (if any),

provided that, in each case, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, (x) the Rate of Interest shall (subject, if applicable, to Condition 6.2(b)(vi)) be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin relating to the relevant Interest Period in place of the Margin relating to that last preceding Interest Period) or (y) in the case of the first Interest Period for a Fixed Rate/Floating Rate Note, the Rate of Interest for such Interest Period shall be (subject, if applicable, to Condition 6.2(b)(vi)) the fixed Rate of Interest which applied immediately prior to such Interest Period.

As used in these Conditions, with respect to any Floating Rate Note where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined and the Reference Rate is not Compounded Daily SONIA, Compounded Daily SOFR or SARON Compounded:

Reference Banks means, (i) in the case of a determination of LIBOR, the principal London office of four major banks in the London inter-bank market, (ii) in the case of a determination of EURIBOR, the principal Euro-zone office of four major banks in the Euro-zone inter-bank market, (iii) in the case of a determination of SIBOR, the principal Singapore office of four major banks in the Singapore inter-bank market, (iv) in the case of a determination of BBSW, the financial institutions authorised to quote on the Reuters Screen BBSW Page, (v) in the case of a determination of CDOR, the principal Toronto office of four major Canadian chartered

(iii) *Screen Rate Determination for Floating Rate Notes where the Reference Rate is Compounded Daily SONIA*

(A) Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined and the Reference Rate is Compounded Daily SONIA, the Rate of Interest for each Interest Period will, subject as provided below, be Compounded Daily SONIA for such Interest Period plus or minus (as specified in the applicable Final Terms) the Margin (if any), all as determined and calculated by the Calculation Agent.

Compounded Daily SONIA means, with respect to an Interest Period,

(I) if Index Determination is specified as being applicable in the applicable Final Terms, the rate determined by the Calculation Agent on the relevant Interest Determination Date in accordance with the following formula (and the resulting percentage will be rounded, if necessary, to the fifth decimal place, with 0.000005 being rounded upwards):

$$\left(\frac{\text{SONIA Compounded Index}_y}{\text{SONIA Compounded Index}_x} - 1 \right) \times \frac{365}{d}$$

where:

SONIA Compounded Index_x means the SONIA Compounded Index in respect of the day falling *p* London Banking Days prior to the first day of the relevant Interest Period;

SONIA Compounded Index_y means the SONIA Compounded Index in respect of the day falling *p* London Banking Days prior to the last day of such Interest Period (but which by its definition is excluded from such Interest Period);

d is the number of days in the relevant Interest Period;

provided, however, that if the SONIA Compounded Index required to determine SONIA Compounded Index_x or SONIA Compounded Index_y does not appear on the Bank of England's Interactive Statistical Database, or any successor source, at the Specified Time on the relevant London

Banking Day (or by 5:00 p.m. London time or such later time falling one hour after the customary or scheduled time for publication of the SONIA Compounded Index in accordance with the then-prevailing operational procedures of the administrator of the SONIA Reference Rate or relevant authorised distributors, as the case may be), Compounded Daily SONIA for such Interest Period and each Interest Period thereafter shall be “Compounded Daily SONIA” determined in accordance with subclause (II) below and for these purposes the “Observation Method” shall be deemed to be “Shift”; or

- (II) if either (x) Index Determination is specified as being not applicable in the applicable Final Terms, or (y) this subclause (II) applies to such Interest Period pursuant to the proviso in subclause (I) above, the rate determined by the Calculation Agent on the relevant Interest Determination Date in accordance with the following formula (and the resulting percentage will be rounded, if necessary, to the fifth decimal place, with 0.000005 being rounded upwards):

$$\left[\prod_{i=1}^{d_o} \left(1 + \frac{SONIA_{i-pLBD} \times n_i}{365} \right) - 1 \right] \times \frac{365}{d}$$

where:

d means the number of days in (where in the applicable Final Terms “Lag” is specified as the Observation Method) the relevant Interest Period or (where in the applicable Final Terms “Shift” is specified as the Observation Method) the relevant SONIA Observation Period;

i means a series of whole numbers from one to d_o , each representing the relevant London Banking Day in chronological order from, and including, the first London Banking Day in (where in the applicable Final Terms “Lag” is specified as the Observation Method) the relevant Interest Period or (where in the applicable Final Terms “Shift” is specified as the Observation Method) the relevant SONIA Observation Period;

n_i means, for any London Banking Day i , the number of days from (and including) such London Banking Day i up to (but excluding) the following London Banking Day;

SONIA_{i-pLBD} means:

- (b) where in the applicable Final Terms “Shift” is specified as the Observation Method, $SONIA_{i-pLBD}$ shall be replaced in the above formula with $SONIA_i$, where $SONIA_i$ means, in respect of any London Banking Day i falling in the relevant SONIA Observation Period, the SONIA Reference Rate for such day.

In the event that the Rate of Interest cannot be determined in accordance with the foregoing provisions, the Rate of Interest (subject, if applicable, to Condition 6.2(b)(vi)) shall be:

- (I) determined as at the last preceding Interest Determination Date (though substituting, where a different Margin is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin relating to the relevant Interest Period, in place of the Margin relating to that last preceding Interest Period); or
 - (II) if there is no such preceding Interest Determination Date, the Rate of Interest which would have been applicable for the first scheduled Interest Period had the Notes been in issue for a period equal in duration to the first scheduled Interest Period but ending on (and excluding) the Interest Commencement Date (and applying the Margin and, if applicable, any Maximum Rate of Interest and/or Minimum Rate of Interest, applicable to the first scheduled Interest Period).
- (C) For the purposes of this Condition 6.2(b)(iii):

If the Replacement Rate Agent determines to use a substitute or

successor rate pursuant to the immediately preceding sentence, it shall select such rate, provided that, if it determines that there is an appropriate industry-accepted successor rate to the Existing Rate, it shall select such industry-accepted successor rate. If the Replacement Rate Agent has determined a substitute or successor rate in accordance with the foregoing (such rate, the **Replacement Rate**), for purposes of determining the Rate of Interest, (A) the Replacement Rate Agent will determine (x) the method for obtaining the Replacement Rate (including any alternative method for determining the Replacement Rate if such substitute or successor rate is unavailable on the relevant Interest Determination Date), which method shall be consistent with industry-accepted practices for the Replacement Rate, and (y) any adjustment factor as may be necessary to make the Replacement Rate comparable to the Existing Rate had it not been discontinued, consistent with industry-accepted practices for the Replacement Rate, (B) references to the Reference Rate in these Conditions will be deemed to be references to the Replacement Rate, including any alternative method for determining such rate and any adjustment factor as described in sub-paragraph (A) above, (C) if the Replacement Rate Agent determines that changes to the definitions of Business Day, Day Count Fraction, Interest Determination Date, Interest Period, Reference Banks (if applicable), Relevant Financial Centre, Observation Look-Back Period (if applicable), Relevant Screen Page (if applicable), Specified Time or London Banking Days (if applicable), are necessary in order to implement the Replacement Rate as the Reference Rate and/or changes to Condition 6.2(b)(ii) are necessary to implement any alternative method for determining the Replacement Rate and/or adjustment factor as described in sub-paragraph (A) above, such definitions and/or Condition will be amended as contemplated in paragraph (a)(i) of Condition 18 to reflect such changes, and (D) the Issuer will give notice or will procure that notice is given as soon as practicable to the Agent and the other Paying Agents and, in accordance with Condition 17, the Noteholders, specifying the Replacement Rate, as well as the details described in sub-paragraph (A) above and the amendments implemented pursuant to paragraph (a)(i) of Condition 18. Any determination to be made by the Replacement Rate Agent pursuant to this Condition 6.2(b)(vi), including any determination with respect to a rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be made in the sole discretion of the Replacement Rate Agent acting in good faith and in a commercially reasonable manner.

Unless the Issuer has elected to redeem the Notes in accordance with Condition 8, the Issuer will appoint a **Replacement Rate Agent** on or prior to the first Interest Determination Date on which the Reference Rate does not appear on the Relevant Screen Page (or such replacement page on that service that displays the information) as at the Specified Time. The Issuer may appoint an affiliate of the Issuer or any other person as Replacement Rate Agent, so long as such affiliate or other person is a leading bank or financial institution that is experienced in the calculations and determinations to be made by the Replacement Rate Agent. The Issuer will notify the Noteholders of any such appointment in accordance with Condition 17.

(c) ***Minimum Rate of Interest and/or Maximum Rate of Interest***

If the applicable Final Terms specifies a Minimum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (b) above of this Condition 6.2 is less than such Minimum Rate of Interest, the Rate of Interest for such Interest Period shall be such Minimum Rate of Interest.

If the applicable Final Terms specifies a Maximum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (b) above of this Condition 6.2 is greater than such Maximum Rate of Interest, the Rate of Interest for such Interest Period shall be such Maximum Rate of Interest.

Unless otherwise stated in the applicable Final Terms, the Minimum Rate of Interest shall be deemed to be zero.

(d) ***Determination of Rate of Interest and calculation of Interest Amounts***

Where Screen Rate Determination is specified as applicable in the applicable Final Terms, the Calculation Agent or, where ISDA Determination is specified as applicable in the applicable Final Terms, the Agent will at or as soon as practicable after each time at which the Rate of Interest is to be determined, determine the Rate of Interest for the relevant Interest Period. Where Screen Rate

Determination is specified as applicable in the applicable Final Terms or, in the case of ISDA Determination, if the applicable Final Terms specifies a Calculation Agent for calculating the Rate of Interest and the Interest Amount for the purposes of this Condition 6.2, the Issuer will notify the Agent of the Rate of Interest for each relevant Interest Period as soon as practicable after the determination by the Calculation Agent of such Rate of Interest.

The Agent or the Calculation Agent, as the case may be, will calculate the amount of interest (the **Interest Amount**) payable on the Floating Rate Notes for the relevant Interest Period by applying the Rate of Interest to:

- (A) in the case of Floating Rate Notes which are represented by a Global Note or by Uncertificated Notes, the aggregate outstanding principal amount of the Notes represented by such Global Note or Uncertificated Notes; or
- (B) in the case of Floating Rate Notes in definitive form, the Calculation Amount

and, in each case, multiplying such sum by the applicable Day Count Fraction.

The resultant figure (including after application of any Fixed Coupon Amount or Broken Amount to the Calculation Amount in the case of Fixed Rate Notes in definitive form) shall be rounded to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

Where the Specified Denomination of a Floating Rate Note in definitive form comprises more than one Calculation Amount, the Interest Amount payable in respect of such Note shall be the aggregate of the amounts (determined in the manner provided above) for each Calculation Amount comprising the Specified Denomination without any further rounding.

Day Count Fraction means, in respect of the calculation of an amount of interest in accordance with this Condition 6.2:

- (i) if “Actual/365” or “Actual/Actual” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 (or, if any portion of that Interest Period falls in a leap year, the sum of (I) the actual number of days in that portion of the Interest Period falling in a leap year divided by 366 and (II) the actual number of days in that portion of the Interest Period falling in a non-leap year divided by 365);
- (ii) if “Actual/365 (Fixed)” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365;
- (iii) if “Actual/365 (Sterling)” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 or, in the case of an Interest Payment Date falling in a leap year, 366;
- (iv) if “Actual/360” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 360;
- (v) if “30/360”, “360/360” or “Bond Basis” is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360 (the number of days to be calculated on the basis of a year of 360 days with 12 30-day months (unless (I) the last day of the Interest Period is the 31st day of a month but the first day of the Interest Period is a day other than the 30th or 31st day of a month, in which case the month that includes that last day shall not be considered to be shortened to a 30-day month, or (II) the last day of the Interest Period is the last day of the month of February, in which case the month of February shall not be considered to be lengthened to a 30-day month)); and
- (vi) if “30E/360” or “Eurobond Basis” is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360 (the number of days to be calculated on the basis of a year of 360 days with 12 30-day months, without regard to the date of the first day or last day of the Interest Period unless, in the case of the final Interest Period, the Maturity Date is the last day of the month of February, in which case the month of February shall not be considered to be lengthened to a 30-day month).

(e) ***Linear Interpolation***

Where Linear Interpolation is specified as applicable in respect of an Interest Period in the applicable Final Terms, the Rate of Interest for such Interest Period shall be calculated by the Calculation Agent by straight line linear interpolation by reference to two rates based on the relevant Reference Rate (where Screen Rate Determination is specified as applicable in the applicable Final Terms) or by the Agent by reference to the relevant Floating Rate Option (where ISDA Determination is specified as applicable in the applicable Final Terms), one of which shall be determined as if the Designated Maturity were the period of time for which rates are available next shorter than the length of the relevant Interest Period and the other of which shall be determined as if the Designated Maturity were the period of time for which rates are available next longer than the length of the relevant Interest Period provided however that if there is no rate available for a period of time next shorter or, as the case may be, next longer, then the Calculation Agent or the Agent, as the case may be, shall determine such rate at such time and by reference to such sources as it determines appropriate.

Designated Maturity means, in relation to Screen Rate Determination, the period of time designated in the Reference Rate.

(f) ***Notification of Rate of Interest and Interest Amounts***

Unless the Reference Rate is Compounded Daily SONIA, Compounded Daily SOFR or SARON Compounded, the Agent or the Calculation Agent, as the case may be, will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to (i) the Issuer and any stock exchange on which the relevant Floating Rate Notes are for the time being listed by no later than the first day of each Interest Period and (ii) the Noteholders in accordance with Condition 17 as soon as possible after their determination but in no event later than the fourth London Business Day thereafter. For the purposes of this paragraph, the expression **London Business Day** means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for general business in London.

If the Reference Rate is Compounded Daily SONIA, Compounded Daily SOFR or SARON Compounded, the Calculation Agent will cause the Rate of Interest, each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer, any stock exchange on which the relevant Floating Rate Notes are for the time being listed and the Noteholders in accordance with Condition 17 as soon as possible after their determination and no later than the Interest Payment Date related to such Interest Period after their determination.

Each Interest Amount and Interest Payment Date notified in accordance with this Condition 6.2(f) may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without prior notice in the event of an extension or shortening of the Interest Period. Any such amendment will promptly be notified to each stock exchange on which the relevant Floating Rate Notes are for the time being listed and to the Noteholders in accordance with Condition 17.

(g) ***Certificates to be final***

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of these Conditions by the Calculation Agent, the Agent, any SOFR Benchmark Replacement Agent or any Replacement Rate Agent shall (in the absence of wilful misconduct, bad faith and manifest error) be binding on the Issuer, the Calculation Agent, the Agent, the other Paying Agents, any SOFR Benchmark Replacement Agent, any Replacement Rate Agent and all Noteholders and Couponholders and (in the absence as aforesaid) no liability to the Issuer, the Noteholders or the Couponholders shall attach to the Calculation Agent or the Agent or any SOFR Benchmark Replacement Agent or any Replacement Rate Agent in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

6.3 **Accrual of interest**

Each Note (or in the case of the redemption of part only of a Note, that part only of such Note) will cease to bear interest (if any) from the date for its redemption unless, upon due presentation thereof, payment of principal is improperly withheld or refused. In such event, interest will continue to accrue until whichever is the earlier of:

- (a) the date on which all amounts due in respect of such Note have been paid; and

- (b) five days after the date on which the full amount of the moneys payable in respect of such Note has been received by the Agent or the Registrar, as the case may be, and notice to that effect has been given to the Noteholders in accordance with Condition 17.

7 PAYMENTS

7.1 Method of payment

Subject to Condition 7.10 and as provided below:

- (a) payments in a Specified Currency other than euro will be made by credit or transfer to an account in the relevant Specified Currency maintained by the payee with, or, at the option of the payee, by a cheque in such Specified Currency drawn on, a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Sydney and Auckland, respectively); and
- (b) payments will be made in euro by credit or transfer to an euro account (or any other account to which euro may be credited or transferred) specified by the payee or, at the option of the payee, by an euro cheque.

Payments will be subject in all cases to (i) any fiscal or other laws and regulations applicable thereto in any jurisdiction or other laws and regulations to which the Issuer or its Agents are subject, but without prejudice to the provisions of Condition 9, and (ii) any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the U.S. Internal Revenue Code of 1986 (the **Code**) or otherwise imposed pursuant to Sections 1471 through 1474 of the Code, any regulations or agreements thereunder, official interpretations thereof, or any agreements, law, regulation or other official guidance implementing an intergovernmental agreement or other intergovernmental approach thereto (collectively, **FATCA**).

7.2 Presentation of definitive Bearer Notes and Coupons

Payments of principal in respect of definitive Bearer Notes will (subject as provided below) be made in the manner provided in Condition 7.1 above only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of definitive Bearer Notes, and payments of interest in respect of definitive Bearer Notes will (subject as provided below) be made as aforesaid only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of Coupons, in each case at the specified office of any Paying Agent outside the United States (which expression, as used herein, means the United States of America (including the States and the District of Columbia and its possessions)).

Fixed Rate Notes in definitive bearer form (other than Long Maturity Notes (as defined below)) should be presented for payment together with all unmatured Coupons appertaining thereto (which expression shall for this purpose include Coupons falling to be issued on exchange of matured Talons), failing which the amount of any missing unmatured Coupon (or, in the case of payment not being made in full, the same proportion of the amount of such missing unmatured Coupon as the sum so paid bears to the sum due) will be deducted from the sum due for payment. Each amount of principal so deducted will be paid in the manner mentioned above against surrender of the relative missing Coupon at any time before the expiry of 10 years after the Relevant Date (as defined in Condition 9) in respect of such principal (whether or not such Coupon would otherwise have become void under Condition 10) or, if later, five years from the date on which such Coupon would otherwise have become due, but in no event thereafter.

Upon any Fixed Rate Note in definitive bearer form becoming due and repayable prior to its Maturity Date, all unmatured Talons (if any) appertaining thereto will become void and no further Coupons will be issued in respect thereof.

Upon the date on which any Floating Rate Note or Long Maturity Note in definitive bearer form becomes due and repayable, unmatured Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons shall be made in respect thereof. A **Long Maturity Note** is a Fixed Rate Note (other than a Fixed Rate Note which on issue had a Talon attached) whose principal amount on issue is less than the aggregate interest payable thereon provided that such Note shall cease to be a Long Maturity Note on the Interest Payment Date on which the aggregate amount of interest remaining to be paid after that date is less than the principal amount of such Note.

If the due date for redemption of any definitive Bearer Note is not an Interest Payment Date, interest (if any) accrued in respect of such Note from (and including) the preceding Interest Payment Date or, as the case may

be, the Interest Commencement Date shall be payable only against surrender of the relevant definitive Bearer Note.

7.3 **Payments in respect of Bearer Global Notes**

Payments of principal and interest (if any) in respect of Notes represented by any Global Note in bearer form will (subject as provided below) be made in the manner specified above in relation to definitive Bearer Notes or otherwise in the manner specified in the relevant Global Note, as applicable, against presentation or surrender, as the case may be, of such Global Note at the specified office of any Paying Agent outside the United States. A record of each payment made, distinguishing between any payment of principal and any payment of interest, will be made on such Global Note by the Paying Agent to which it was presented or in the records of Euroclear and Clearstream, Luxembourg, as applicable.

7.4 **Payments in respect of Registered Notes**

Payments of principal in respect of each Registered Note (whether or not in global form) will be made against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the Registered Note at the specified office of the Registrar or any of the Paying Agents. Such payments will be made by transfer to the Designated Account (as defined below) of the holder (or the first named of joint holders) of the Registered Note appearing in the register of holders of the Registered Notes maintained by the Registrar (the **Register**) at the close of business on the third business day (being for this purpose a day on which banks are open for business in the city where the specified office of the Registrar is located) before the relevant due date. Notwithstanding the previous sentence and subject to Condition 7.10, if (i) a holder does not have a Designated Account or (ii) the principal amount of the Notes held by a holder is less than U.S.\$250,000 (or its approximate equivalent in any other Specified Currency), payment may instead be made by a cheque in the Specified Currency drawn on a Designated Bank (as defined below). For these purposes, **Designated Account** means the account (which, in the case of a payment in Japanese yen to a non-resident of Japan, shall be a non-resident account) maintained by a holder with a Designated Bank and identified as such in the Register and **Designated Bank** means (in the case of payment in a Specified Currency other than euro) a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Sydney or Auckland, respectively) and (in the case of a payment in euro) any bank which processes payments in euro.

Payments of interest in respect of each Registered Note (whether or not in global form) will be made by a cheque in the Specified Currency drawn on a Designated Bank and mailed by uninsured mail on the business day in the city where the specified office of the Registrar is located immediately preceding the relevant due date to the holder (or the first named of joint holders) of the Registered Note appearing in the Register (i) where in global form, at the close of the business day (being for this purpose a day on which Euroclear and Clearstream, Luxembourg are open for business) before the relevant due date, and (ii) where in definitive form, at the close of business on the fifteenth day (whether or not such fifteenth day is a business day) before the relevant due date (the **Record Date**) at his address shown in the Register on the Record Date and at his risk. Upon application of the holder to the specified office of the Registrar not less than three business days in the city where the specified office of the Registrar is located before the due date for any payment of interest in respect of a Registered Note, the payment may be made by transfer on the due date in the manner provided in the preceding paragraph. Any such application for transfer shall be deemed to relate to all future payments of interest (other than interest due on redemption) in respect of the Registered Notes which become payable to the holder who has made the initial application until such time as the Registrar is notified in writing to the contrary by such holder. Payment of the interest due in respect of each Registered Note on redemption will be made in the same manner as payment of the principal amount of such Registered Note.

Holders of Registered Notes will not be entitled to any interest or other payment for any delay in receiving any amount due in respect of any Registered Note as a result of a cheque posted in accordance with this Condition arriving after the due date for payment or being lost in the post. No commissions or expenses shall be charged to such holders by the Registrar in respect of any payments of principal or interest in respect of the Registered Notes.

None of the Issuer or the Paying Agents and Transfer Agents will have any responsibility or liability for any aspect of the records relating to, or payments made on account of, beneficial ownership interests in the Registered Global Notes or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

7.5 **General provisions applicable to payments**

The holder of a Global Note (other than a Swiss Global Note) shall be the only person entitled to receive payments in respect of Notes represented by such Global Note and the Issuer will be discharged by payment to, or to the order of, the holder of such Global Note in respect of each amount so paid. Each of the persons shown in the records of Euroclear or Clearstream, Luxembourg as the beneficial holder of a particular principal amount of Notes represented by such Global Note must look solely to Euroclear or Clearstream, Luxembourg, as the case may be, for his share of each payment so made by the Issuer to, or to the order of, the holder of such Global Note.

Notwithstanding the foregoing provisions of this Condition, if any amount of principal and/or interest in respect of Bearer Notes is payable in U.S. dollars, such U.S. dollar payments of principal and/or interest in respect of such Notes will be made at the specified office of a Paying Agent in the United States if:

- (a) the Issuer has appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment in U.S. dollars at such specified offices outside the United States of the full amount of principal and interest on the Bearer Notes in the manner provided above when due;
- (b) payment of the full amount of such principal and interest at all such specified offices outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions on the full payment or receipt of principal and interest in U.S. dollars; and
- (c) such payment is then permitted under United States law without involving, in the opinion of the Issuer, adverse tax consequences to the Issuer.

7.6 **Payments for Notes represented by a Swiss Global Note or Uncertificated Notes**

The Issuer shall make all payments of principal and interest due under Bearer Notes represented by a Swiss Global Note or Uncertificated Notes to the Swiss Agent which shall, where applicable, promptly reimburse each other Swiss paying agent on demand for payments in respect of such Notes properly made by such other Swiss paying agent. Payments in respect of such Notes will be made irrespective of any present or future transfer restrictions and without regard to any bilateral or multilateral payment or clearing agreement which may be applicable at the time of such payments. The receipt by the Swiss Agent of the due and punctual payment of funds in Zurich shall release the Issuer from its obligations under the Notes (and any Coupons appertaining to them) for the payment of principal and interest to the extent of such payment. Payment of principal and/or interest under Swiss franc denominated Notes (and any Coupons appertaining to them) shall be payable in freely transferable Swiss francs, and in the case of Notes denominated in a currency other than Swiss francs in such other currency, which shall also be freely transferable, without collection costs in Switzerland at the specified offices located in Switzerland of the Swiss paying agents upon their surrender without any restrictions and whatever the circumstances may be, irrespective of nationality, domicile or residence of the holders of the Notes (and any Coupons appertaining to them) and without requiring any certification, affidavit or the fulfilment of any other formality.

7.7 **Payment Day**

If the date for payment of any amount in respect of any Note or Coupon is not a Payment Day, the holder thereof shall not be entitled to payment until the next following Payment Day in the relevant place and shall not be entitled to further interest or other payment in respect of such delay. For these purposes, **Payment Day** means any day which (subject to Condition 10) is:

- (a) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in:
 - (i) in the case of Notes in definitive form only, the relevant place of presentation (if presentation is required); and
 - (ii) each Additional Financial Centre (other than TARGET2 System) specified in the applicable Final Terms;
 - (iii) if TARGET2 System is specified as an Additional Financial Centre in the applicable Final Terms, a day on which the TARGET2 System is open; and
- (b) either (A) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre

of the country of the relevant Specified Currency (which if the Specified Currency is Australian dollars or New Zealand dollars shall be Sydney and Auckland, respectively) or (B) in relation to any sum payable in euro, a day on which the TARGET2 System is open.

7.8 Interpretation of principal and interest

Any reference in the Conditions to principal in respect of the Notes shall be deemed to include, as applicable:

- (a) any additional amounts which may be payable with respect to principal under Condition 9;
- (b) the Final Redemption Amount of the Notes;
- (c) the Early Redemption Amount of the Notes;
- (d) the Make-Whole Redemption Amount (if any) of the Notes;
- (e) the Optional Redemption Amount(s) (if any) of the Notes; and
- (f) any premium and any other amounts (other than interest) which may be payable by the Issuer under or in respect of the Notes.

Any reference in the Conditions to interest in respect of the Notes shall be deemed to include, as applicable, any additional amounts which may be payable with respect to interest under Condition 9.

7.9 RMB Currency Event

If “RMB Currency Event” is specified in the applicable Final Terms and a RMB Currency Event, as determined by the Issuer acting in good faith, exists on a date for payment of any amount in respect of any Note or Coupon, the Issuer’s obligation to make a payment in RMB under the terms of the Notes may be replaced by an obligation to pay such amount in U.S. dollars converted using the Spot Rate for the relevant Rate Calculation Date.

Upon the occurrence of a RMB Currency Event, the Issuer shall give notice as soon as practicable to the Noteholders in accordance with Condition 17 stating the occurrence of the RMB Currency Event, giving details thereof and the action proposed to be taken in relation thereto.

For the purpose of this Condition and unless stated otherwise in the applicable Final Terms:

Governmental Authority means any de facto or de jure government (or any agency or instrumentality thereof), court, tribunal, administrative or other governmental authority or any other entity (private or public) charged with the regulation of the financial markets (including the central bank) of Hong Kong;

Rate Calculation Business Day means a day (other than a Saturday or Sunday) on which commercial banks are open for general business (including dealings in foreign exchange) in Hong Kong, London and New York City;

Rate Calculation Date means the day which is two Rate Calculation Business Days before the due date of the relevant payment under the Notes;

RMB Currency Events means any one of RMB Illiquidity, RMB Non-Transferability and RMB Inconvertibility;

RMB Illiquidity means the general RMB exchange market in Hong Kong becomes illiquid as a result of which the Issuer cannot obtain sufficient RMB in order to make a payment under the Notes, as determined by the Issuer in a commercially reasonable manner following consultation with two independent foreign exchange dealers of international repute active in the RMB exchange market in Hong Kong;

RMB Inconvertibility means the occurrence of any event that makes it impossible for the Issuer to convert any amount due in respect of the Notes into RMB on any payment date at the general RMB exchange market in Hong Kong, other than where such impossibility is due solely to the failure of the Issuer to comply with any law, rule or regulation enacted by any Governmental Authority (unless such law, rule or regulation is enacted after the Issue Date of the first Tranche of the relevant Series and it is impossible for the Issuer, due to an event beyond its control, to comply with such law, rule or regulation);

RMB Non-Transferability means the occurrence of any event that makes it impossible for the Issuer to deliver RMB between accounts inside Hong Kong or from an account inside Hong Kong to an account outside Hong Kong (including where the RMB clearing and settlement system for participating banks in Hong Kong is disrupted or suspended), other than where such impossibility is due solely to the failure of the Issuer to comply

with any law, rule or regulation enacted by any Governmental Authority (unless such law, rule or regulation is enacted after the Issue Date of the first Tranche of the relevant Series and it is impossible for the Issuer, due to an event beyond its control, to comply with such law, rule or regulation); and

Spot Rate means the spot CNY/U.S. dollar exchange rate for the purchase of U.S. dollars with Renminbi in the over-the-counter Renminbi exchange market in Hong Kong for settlement in two Rate Calculation Business Days, as determined by the RMB Calculation Agent at or around 11.00 a.m. (Hong Kong time) on the Rate Calculation Date, on a deliverable basis by reference to Reuters Screen Page TRADCNY3, or if no such rate is available, on a non-deliverable basis by reference to Reuters Screen Page TRADNDF. If neither rate is available, the RMB Calculation Agent shall determine the rate taking into consideration all available information which the RMB Calculation Agent deems relevant, including pricing information obtained from the Renminbi non-deliverable exchange market in Hong Kong or elsewhere and the CNY/U.S. dollar exchange rate in the PRC domestic foreign exchange market.

7.10 RMB account

All payments in RMB in respect of the Notes denominated in RMB will be made solely by credit to a RMB account maintained by the payee at a bank in Hong Kong or such other financial centre(s) as may be specified in the applicable Final Terms as RMB Settlement Centre(s) in accordance with applicable laws, rules, regulations and guidelines issued from time to time (including all applicable laws and regulations with respect to the settlement of RMB in Hong Kong or any relevant RMB Settlement Centre(s)).

8 REDEMPTION AND PURCHASE

8.1 Redemption at maturity (if any)

Unless previously redeemed or purchased and cancelled as specified below, each Note will be redeemed by the Issuer at its Final Redemption Amount calculated as follows:

- (a) in the case of a Note (other than a Zero Coupon Note where a Redemption/Payment Basis other than 100 per cent. of the principal amount has been specified in the applicable Final Terms), at 100 per cent. of the Calculation Amount per Calculation Amount; or
- (b) in the case of a Zero Coupon Note where a Redemption/Payment Basis other than 100 per cent. of the principal amount has been specified in the applicable Final Terms, at the amount specified in the applicable Final Terms,

in each case in the Specified Currency on the Maturity Date specified in the applicable Final Terms.

8.2 Redemption for tax reasons

Subject to Condition 8.7, the Notes may be redeemed at the option of the Issuer in whole, but not in part, at any time (if this Note is not a Floating Rate Note) or on any Interest Payment Date (if this Note is a Floating Rate Note), on giving not less than 30 and not more than 60 days' (or such other minimum and/or maximum period as may be specified in the applicable Final Terms) notice to the Agent and, in accordance with Condition 17, the Noteholders (which notice shall be irrevocable and shall specify the date fixed for redemption):

- (a) if (i) on the occasion of the next payment due under the Notes, the Issuer has or will become obliged to pay additional amounts as provided or referred to in Condition 9 as a result of any change in, or amendment to, the laws or regulations of a Tax Jurisdiction (as defined in Condition 9) or any change in the application or official interpretation of such laws or regulations, which change or amendment becomes effective on or after the date on which agreement is reached to issue the first Tranche of the Notes and (ii) such obligation cannot be avoided by the Issuer taking reasonable measures available to it; or
- (b) if the Issuer is prevented by applicable tax laws from making payment of the full amount then due and payable.

Prior to the publication of any notice of redemption pursuant to this Condition, the Issuer shall deliver to the Agent to make available at its specified office to the Noteholders (i) a certificate signed by two authorised persons of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred, and (ii) an opinion of independent legal advisers of recognised standing to the effect that the Issuer has or will become

obliged to pay such additional amounts as a result of such change or amendment or become prevented by applicable law from making such payments, as the case may be.

Notes redeemed pursuant to this Condition 8.2 will be redeemed at their Early Redemption Amount referred to in Condition 8.7 together (if appropriate) with interest accrued to (but excluding) the date of redemption.

8.3 **Redemption at the option of the Issuer (Issuer Call)**

This Condition 8.3 applies to Notes which are subject to redemption prior to the Maturity Date at the option of the Issuer (other than for taxation reasons or pursuant to a Make-Whole Redemption), such option being referred to as an **Issuer Call**. The applicable Final Terms contains provisions applicable to any Issuer Call and must be read in conjunction with this Condition 8.3 for full information on any Issuer Call. In particular, the applicable Final Terms will identify the Optional Redemption Date(s), the Optional Redemption Amount, any minimum or maximum amount of Notes which can be redeemed and (if other than as specified below) the applicable notice periods.

If Issuer Call is specified as being applicable in the applicable Final Terms, the Issuer may, having given not less than 10 and not more than 60 days' (or such other minimum and/or maximum period as may be specified in the applicable Final Terms) notice to the Noteholders in accordance with Condition 17 (which notices shall be irrevocable, shall specify the date fixed for redemption and, if any pre-conditions to such redemption are specified in the applicable Final Terms, that such pre-conditions have been met), redeem all or some only of the Notes then outstanding on any Optional Redemption Date and at the Optional Redemption Amount(s) specified in the applicable Final Terms together, if appropriate, with interest accrued to (but excluding) the relevant Optional Redemption Date. Any such redemption must be of a principal amount not less than the Minimum Redemption Amount and not more than the Maximum Redemption Amount, in each case as may be specified in the applicable Final Terms.

8.4 **Redemption at the option of the Issuer (Make-Whole Redemption)**

This Condition 8.4 applies to Notes which are subject to redemption prior to the Maturity Date at the option of the Issuer (other than for taxation reasons or pursuant to an Issuer Call) and at a Make-Whole Redemption Amount, such option being referred to as a **Make-Whole Redemption**. where:

Reference Bond(s) means the security or securities specified in the applicable Final Terms or, if no such securities are so specified, the security or securities, as selected by the Calculation Agent, that would be utilised, as at the Reinvestment Rate Determination Date specified in the applicable Final Terms and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of the Notes;

Reference Market Maker Quotations means, with respect to each Reference Market Maker and any Optional Redemption Date, the average, as determined by the Calculation Agent, of the bid and asked prices for the relevant Reference Bond (expressed in each case as a percentage of its principal amount) quoted in writing to the Calculation Agent at the Quotation Time specified in the applicable Final Terms;

Reference Market Maker means five brokers or market makers of securities such as the relevant Reference Bond selected by the Calculation Agent or such other five persons operating in the market for securities such as the Reference Bond as are selected by the Calculation Agent; and

Reinvestment Rate means, with respect to any Optional Redemption Date (i) the rate per annum equal to the equivalent yield to maturity of the Reference Bond or, if there is more than one Reference Bond, the arithmetic average of the equivalent yields to maturity of the Reference Bonds, interpolated on a straight-line basis in accordance with customary financial practice, calculated on the Reinvestment Rate Determination Date specified in the applicable Final Terms using a price for each Reference Bond (expressed as a percentage of the principal amount of the Reference Bond(s)) equal to its Reference Bond Price for such Optional Redemption Date, plus (ii) the Reinvestment Margin.

8.5 **Partial redemption at the option of the Issuer**

In the case of a partial redemption of Notes pursuant to Conditions 8.3 and 8.4 above, the Notes to be redeemed (**Redeemed Notes**) will (i) in the case of Redeemed Notes represented by definitive Notes, be selected individually by lot, not more than 30 days prior to the date fixed for redemption, (ii) in the case of Redeemed Notes represented by a Global Note, be selected in accordance with the rules of Euroclear and/or Clearstream, Luxembourg (to be reflected in the records of Euroclear and Clearstream, Luxembourg as either a pool factor or a reduction in principal amount, at their discretion) and (iii) in the case of Redeemed Notes represented by Uncertificated Notes, be selected in accordance with the rules of the Intermediary (to be reflected in the records of the Intermediary as a reduction in principal amount). If this Note is in definitive form, the Put Notice must be accompanied by this

If this Note is represented by a Global Note or is in definitive form and held through Euroclear or Clearstream, Luxembourg, to exercise the right to require redemption of this Note the holder of this Note must, within the notice period, give notice to the Agent of such exercise in accordance with the standard procedures of Euroclear and Clearstream, Luxembourg (which may include notice being given on his instruction by Euroclear or Clearstream, Luxembourg or any common depositary or common safekeeper, as the case may be, for them to the Agent by electronic means) in a form acceptable to Euroclear and Clearstream, Luxembourg from time to time and, if this Note is represented by a Global Note, the terms of which require presentation for recording changes to its principal amount, at the same time present or procure the presentation of the relevant Global Note to the Agent for notation accordingly.

Any Put Notice or other notice given in accordance with the standard procedures of Euroclear and Clearstream, Luxembourg given by a holder of any Note pursuant to this Condition 8.6 shall be irrevocable except where, prior to the due date of redemption, an Event of Default has occurred and is continuing, in which event such holder, at its option, may elect by notice to the Issuer to withdraw the notice given pursuant to this Condition 8.6 and instead to declare such Note forthwith due and payable pursuant to Condition 11.

All notices regarding the Registered Notes will be deemed to be validly given if sent by first class mail or (if posted to an address overseas) by airmail to the holders (or the first named of joint holders) at their respective addresses recorded in the Register and will be deemed to have been given on the fourth day after mailing and, in addition, for so long as any Registered Notes are listed on a stock exchange or admitted to trading by another relevant authority and the rules of that stock exchange or relevant authority so require, such notice will be published on the website of the relevant stock exchange or relevant authority and/or in a daily newspaper of general circulation in the place or places required by those rules.

Until such time as any definitive Notes are issued, there may, so long as any Global Notes representing the Notes are held in their entirety on behalf of Euroclear and/or Clearstream, Luxembourg, be substituted for such aforementioned publication in such newspaper(s) or such website(s) or such mailing the delivery of the relevant notice to Euroclear and/or Clearstream, Luxembourg for communication by them to the holders of the Notes and, in addition, for so long as any Notes are listed on a stock exchange or are admitted to trading by another relevant authority and the rules of that stock exchange or relevant authority so require, such notice will be published on the website of the relevant stock exchange or relevant authority and/or in a daily newspaper of general circulation in the place or places required by those rules. Any such notice shall be deemed to have been given to the holders of the Notes on the day on which the said notice was given to Euroclear and/or Clearstream, Luxembourg.

Whilst any of the Notes are represented by a Global Note, such notice may be given by any holder of a Note to the Agent or the Registrar through Euroclear and/or Clearstream, Luxembourg, as the case may be, in such manner as the Agent, the Registrar and Euroclear and/or Clearstream, Luxembourg, as the case may be, may approve for this purpose.

18 MEETINGS OF NOTEHOLDERS, MODIFICATION AND WAIVER

Schedule 4 of the Agency Agreement contains provisions for convening meetings (including by way of conference call or by use of a videoconference platform) of Noteholders to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution of a modification of the Notes the Coupons or any of the provisions of the Agency Agreement. Such a meeting may be convened by the Issuer and shall be convened by the Issuer if required in writing by Noteholders holding not less than 10 per cent. in principal amount of the Notes for the time being remaining outstanding. The quorum at any such meeting for passing an Extraordinary Resolution is two or more persons holding or representing not less than 50 per cent. in principal

amount of the Notes for the time being outstanding, or at any adjourned meeting two or more persons being or representing Noteholders whatever the principal amount of the Notes so held or represented, except that at any meeting the business of which includes the modification of certain provisions of the Notes or the Coupons (including modifying the date of maturity of the Notes or any date for payment of interest thereon, reducing or cancelling the amount of principal or the rate of interest payable in respect of the Notes or altering the currency of payment of the Notes or the Coupons, modifying the provisions concerning the quorum required at any meeting of Noteholders or the majority required to pass an Extraordinary Resolution), the quorum shall be two or more persons holding or representing not less than three-quarters in principal amount of the Notes for the time being outstanding, or at any adjourned such meeting two or more persons holding or representing not less than one-quarter in principal amount of the Notes for the time being outstanding. The Agency Agreement provides that (i) a resolution passed at a meeting duly convened and held in accordance with the Agency Agreement by a majority consisting of not less than 75 per cent. of the votes cast on such resolution, (ii) a resolution in writing signed by or on behalf of the holders of not less than 75 per cent. in principal amount of the Notes for the time being outstanding or (iii) consent given by way of electronic consents through the relevant clearing system(s) (in a form satisfactory to the Agent) by or on behalf of the holders of not less than three-fourths in principal amount of the Notes for the time being outstanding, shall, in each case, be effective as an Extraordinary Resolution of the Noteholders. An Extraordinary Resolution passed by the Noteholders will be binding on all the Noteholders, whether or not they are present at any meeting and whether or not they voted on the resolution, and on all Couponholders.

The Swiss statutory rules on bondholder meetings will, if Schedule 4 of the Agency Agreement is specified as not being applicable in the applicable Final Terms, apply instead of the above provisions. In such case, the provisions on bondholder meetings contained in article 1157 et seq. of the Swiss Code of Obligations of 30 March 1911 (as amended) will apply, and (i) such provisions will apply in relation to meetings of Noteholders instead of the provisions described in the paragraph immediately above and this Condition 18 will be construed accordingly, and (ii) any amendments described in the paragraph immediately above may only be done without the consent of the Noteholders if such consent is not required by mandatory provisions of Swiss law and this Condition 18 will be construed accordingly.

The Agency Agreement may be amended by all the parties to it, without the consent of the Noteholders or Couponholders, either:

- (a) (i) for the purpose of making such amendments to the terms of the Notes that the Issuer considers necessary or desirable to give effect to any Replacement Rate determined by the Replacement Rate Agent pursuant to Condition 6.2(b)(v), or any SOFR Benchmark Replacement determined by the SOFR Benchmark Replacement Agent pursuant to Condition 6.2(b)(iv), or any Recommended Replacement Rate or the SNB Policy Rate, if the Calculation Agent is required to use a Recommended Replacement Rate or the SNB Policy Rate pursuant to sub-clause (3)(x) or (3)(y) of the definition of "SARON" for purposes of determining SARON for any Zurich Banking Day, or (ii) for the purpose of curing any ambiguity or of curing, correcting or supplementing any defective provision contained in the Agency Agreement; or
- (b) in any manner which the parties may mutually deem necessary or desirable and which shall not be inconsistent with any other condition of the Agency Agreement and shall not be materially prejudicial to the interests of the Noteholders and the Couponholders.

Any such modification shall be binding on the Noteholders and the Couponholders and any such modification shall be notified to the Noteholders in accordance with Condition 17 as soon as practicable thereafter.

19 CURRENCY INDEMNITY

The Specified Currency is (save as provided in Condition 7.9) the sole currency of account and payment for all sums payable by the Issuer under or in connection with the Notes and the Coupons, including damages. Any amount received or recovered in a currency other than the Specified Currency (save as provided in Condition 7.9) (whether as a result of, or of the enforcement of, a judgment or order of a court of any jurisdiction, in the winding up or dissolution of the Issuer or otherwise) by any Noteholder or Couponholder in respect of any sum expressed to be due to it from the Issuer shall only constitute a discharge to the Issuer to the extent of the amount of the Specified Currency which the recipient is able to purchase with the amount so received or recovered in that other currency on the date of that receipt or recovery (or, if it is not practicable to make that purchase on that date, on the first date on which it is practicable to do so). If that Specified Currency amount is less than the Specified Currency amount expressed to be due to the recipient under any Note or Coupon, the Issuer shall indemnify it against any loss sustained by it as a result. In any event, the Issuer shall indemnify the recipient against the cost of making any such purchase. For the purposes of this Condition, it will be sufficient for the

Noteholder or Couponholder, as the case may be, to demonstrate that it would have suffered a loss had an actual purchase been made. The indemnities under this Condition 19 will (i) constitute a separate and independent obligation from the Issuer's other obligations under these Conditions, (ii) give rise to a separate and independent cause of action, (iii) apply irrespective of any indulgence granted by any Noteholder or Couponholder and (iv) continue in full force and effect despite any other judgment, order, claim or proof for a liquidated amount in respect of any sum due under any Note or Coupon or any other judgment or order.

20 FURTHER ISSUES

The Issuer shall be at liberty from time to time without the consent of the Noteholders or the Couponholders to create and issue further notes having terms and conditions the same as the Notes or the same in all respects save for the issue date, the amount and date of the first payment of interest thereon and the date from which interest starts to accrue and so that the same shall be consolidated and form a single Series with the outstanding Notes.

21 CONTRACTS (RIGHTS OF THIRD PARTIES) ACT 1999

No person shall have any right to enforce any term or condition of this Note under the Contracts (Rights of Third Parties) Act 1999, but this does not affect any right or remedy of any person which exists or is available apart from that Act.

22 GOVERNING LAW AND SUBMISSION TO JURISDICTION

22.1 Governing law

The Agency Agreement, the Deed of Covenant, the Notes, the Coupons and any non-contractual obligations arising out of or in connection with the Agency Agreement, the Deed of Covenant, the Notes and the Coupons are governed by, and shall be construed in accordance with, English law.

22.2 Submission to jurisdiction

The Issuer irrevocably agrees, for the benefit of the Noteholders and the Couponholders, that the courts of England are to have jurisdiction to settle any disputes which may arise out of or in connection with the Notes and/or the Coupons (including a dispute relating to any non-contractual obligations arising out of or in connection with the Notes and/or the Coupons) and accordingly submits to the jurisdiction of the English courts.

The Issuer waives any objection to the courts of England on the grounds that they are an inconvenient or inappropriate forum. To the extent allowed by law, the Noteholders and the Couponholders, may take any suit, action or proceedings (together referred to as **Proceedings**) arising out of or in connection with the Notes and the Coupons (including any Proceedings relating to any non-contractual obligations arising out of or in connection with the Notes and the Coupons), against the Issuer in any other court of competent jurisdiction and concurrent Proceedings in any number of jurisdictions.

22.3 Appointment of Process Agent

The Issuer has appointed Credit Suisse AG, London Branch at its registered office at One Cabot Square, London E14 4QJ as its agent for service of process, and undertakes that, in the event of Credit Suisse AG, London Branch ceasing so to act or ceasing to be registered in England, it will appoint another person as its agent for service of process in England in respect of any Proceedings. Nothing herein shall affect the right to serve proceedings in any other manner permitted by law.

22.4 Other documents

The Issuer has in the Agency Agreement and the Deed of Covenant submitted to the jurisdiction of the English courts and appointed an agent for service of process in terms substantially similar to those set out above.
