Unauthorized Overdrafts

The debit interest that is applicable to unauthorized overdrafts, in whichever currency, will be calculated on a daily basis as the reference rates of the relevant currencies plus 800 basis points and will be debited directly to the Client's account.

For CHF, EUR, GBP, JPY and USD currencies, since October 1, 2020, the reference rate has been, for:

- CHF the SARON (Swiss Average Rate Overnight), published by SIX Group Ltd.
- EUR the ESTER (Euro Short-Term Rate), published by the European Central Bank
- GBP the SONIA (Sterling Overnight Index Average), published by the Bank of England
- JPY the TONAR (Tokyo Overnight Average Rate), published by the Bank of Japan
- USD the SOFR (Secured Overnight Financing Rate), published by the Federal Reserve Bank of New York

For all other currencies, the reference rate is the Bank's refinancing rate.

Deposit charge

A deposit charge may apply in certain currency and depending on the account balance. The current applicable fee schedule is available on a separate overview – Annex Deposit Charges.

Financial Planning & Wealth Management

These specialised products are tailored to your needs.

We would be pleased to prepare a personalized quote for advisory or other services, on the basis of the specific solution identified to best meet your requirements.

Mortgages and Lombard loans

If you plan to purchase real estate or refinance a property that you already own, we can accompany you, subject to our formal approval, with a customized, flexible property financing or mortgage arrangement as part of your comprehensive wealth management plan.

The UBS Lombard solution is a customizable and cost-effective way to access credit to help cover short term treasury needs, as well as medium term investment objectives.
