

Singapore

Factsheet

UBS was the first Swiss bank to establish a presence in Singapore on 1 September 1970. As the world's leading global wealth manager, UBS is also the top wealth manager in Asia and Singapore.

Today, UBS Singapore has over 2,300 employees across its Global Wealth Management, Investment Banking and Asset Management businesses.

Singapore is one of the two major international booking centers for UBS's Wealth Management business in the region. It is also the headquarters for the firm's investment banking business in South Asia.

As part of UBS's commitment to nurturing and building the talent pool in Singapore and Asia, the UBS University, Asia Pacific campus, was established in 2007.
