

Make things happen in Switzerland

UBS Benefizia Suisse

An innovative opportunity to engage in philanthropy and to make a sustainable contribution to social welfare and environmental protection in Switzerland: Support effective projects run by various organizations in a simple and uncomplicated manner through **UBS Benefizia Suisse**.

You can decide on a general donation or choose one of the three thematic portfolios. A team of experts allocates donations to the projects that need them most urgently.

Equal opportunities

For a Switzerland in which all people, irrespective of their origin and socio-economic circumstances, receive the same opportunities in terms of education and job options.

Environment & climate

For a healthy environment and climate protection: Support is provided for projects that preserve the natural diversity of animals, plants and habitats and take effective action to protect the climate.

Social issues

For the targeted improvement of the living conditions of people in Switzerland who are disadvantaged and affected by poverty, as well as to enable unrestricted participation in community life for all.
