1. Background

Article 89 of the Capital Requirements Directive IV (CRD IV) requires credit institutions and investment firms in the EU and regulated under CRD IV, as well as their subsidiaries and branches, to disclose annually, specifying, by Member State and by third country in which they have an establishment, the following information on a consolidated basis for the year ended 31 December 2013: name, nature of activities, geographical location, turnover and number of employees.

Reporting for the year ended 31 December 2014 and future periods will also include profit or loss before tax, tax on profit or loss and public subsidies received.

Please find on the following pages the required reporting for the in scope UBS entities located in the EU.

All amounts are reported in the local currency stated. Please refer to the basis of preparation for further details on how the information was prepared.

3. Basis of preparation

Unless expressly stated otherwise in the footnotes, the data has been prepared in accordance with the following principles:

- Data is reported for the year ended 31 December 2013
- Only Credit Institutions and Investment Firms regulated under CRD IV and their subsidiaries and branches are in scope
- EU incorporated subsidiaries and branches are reported and where required under local legislation, branches of non EU incorporated entities are reported
- Reporting is required by EU Member State and by third country in which they have an establishment. Therefore consolidated figures split by country have been disclosed where applicable, as well as the individual branches data if required by local legislation
- Where we undertake consolidated reporting locally, the consolidated figure has been disclosed
- Amounts reported are based on local statutory financial statements, in accordance with International Financial Reporting Standards (IFRS), unless another basis has been stated
- All amounts are reported in the local currency stated, in rounded thousands

- Turnover is on a net revenue basis consisting of interest, net fee and commission income, trading and other income, unless otherwise indicated
- Employee numbers reported reflect the number of employees on a full time equivalent basis
- All figures are audited, unless otherwise stated
- In some cases where countries have not yet adopted implementing legislation, or where implementation is undergoing, we have reported information based on our understanding and interpretation of the requirements at the time of preparation. We continue to keep our CRD IV report under review as legislation is finalised
