7 Subscription for Shares

During the Initial Offer Period, Shares shall be offered at the Initial Offer Price specified above. Subsequent subscriptions (i.e., subsequent to an initial subscription for Shares within the Fund) may be made by a Shareholder by submitting a subscription form to the Administrator by the Dealing Cut-Off Time in writing, by fax, by telephone or by electronic means in accordance with the requirements of the Central Bank. Subsequent subscriptions received after the Dealing Cut-Off Time but before the Valuation Point may, in exceptional circumstances and at the sole discretion of the Company, be accepted.

Shares may be purchased by contacting a Sales Intermediary or the Administrator, completing the appropriate Application Form and returning promptly the original signed Application Form to the Sales Intermediary, for onward transmission to the Administrator, or the Administrator. The Directors and the Manager reserve the right to reject in whole or in part any application for Shares. In the event that the Directors and/or the Manager reject an application, the application monies (or relevant part thereof) will be returned as soon as practicable after such rejection, without interest and at the applicant's risk and expense. Cleared funds representing payment for Shares, in the Base Currency, must be received by the Administrator by bank transfer on the relevant Dealing Day.

Subject to acceptance by the Directors and/or the Manager, Application Forms for the purchase of Shares received by the Administrator by the Dealing Cut-Off Time will be effected at the relevant Net Asset Value per Share for that Dealing Day. A confirmation of the purchase will normally be sent within 24 hours of the relevant Net Asset Value per Share being published. Any Application Form received by the Administrator after the Dealing Cut-Off Time will be held over (without interest) until the next following Dealing Day and Shares will then be issued at the relevant Net Asset Value per Share for that following Dealing Day. The Directors and/or the Manager may, in their discretion, determine to accept any Application Form received after the Dealing Cut-Off Time for processing on that Dealing Day provided that such Application Form has been received prior to the Valuation Point.

Payment for Shares must be made in the Base Currency unless the Directors and/or the Manager agree to accept subscriptions in another convertible currency, in which case the subscription payment will be converted into the relevant Base Currency at the rate of exchange available to the Company. Non-Base Currency transactions will be effected on behalf of, and at the expense and risk of, the investor. An investor that chooses to make payment in a currency other than the Base Currency assumes the risk of delays in the Company's ability to effect non-Base Currency exchange transactions, and of intervening adverse movements in exchange rates. The costs of exchange will be borne by the investor and deducted from the subscription payment.

The Directors and the Manager reserve the right, but are under no obligation to accept applications or to act on such applications, including the investment of anticipated subscription monies, prior to the receipt of any subscription money. Accordingly, failure by the transfer agent to receive subscription money by the deadline indicated in the relevant Supplement may result in certain losses, costs or expenses for the account of the Fund. Under the terms of the Application Form, each investor agrees to indemnify and hold harmless, the Company, the Directors, the Funds, the Manager, the Investment Manager, the Sub-Investment Managers, the Administrator and the Depositary for any losses, costs, and expenses incurred by them as a result of the failure or default of the investor to transfer subscription monies to the relevant account for the relevant Fund by the relevant deadline.

9 Redemption of Shares

Shareholders may request the Company to redeem any number of Shares held by them by submitting a request in writing, by fax, by telephone or by electronic means in accordance with the requirements of the Central Bank to the Administrator. In the case of telephonic redemptions, such investors must have completed an original Application Form and have elected this facility.

Redemptions of Shares will be processed in accordance with the procedures specified below and effected at the relevant Net Asset Value per Share for that Dealing Day after a redemption order in proper form is received by the Administrator. The Net Asset Value of the Shares redeemed may be more or less than their original cost. Under certain circumstances, the Directors and/or the Manager may suspend Share transactions, as described more fully under "Calculation of Net Asset Value" below. The expenses relating to a redemption of Shares are set out in the section headed "Fees and Expenses" below.

The Company, the Manager, the Investment Manager, the Administrator and the Depositary, and each of their respective officers, directors, employees, agents or affiliates, will not be responsible for the authenticity of redemption notices received by telephone, nor will any of them be liable for following telephone instructions reasonably believed to be genuine.

Redemption proceeds will only be paid by transfer to a bank account designated in the Shareholder's name, details of which shall be set out by the Shareholder in the Application Form, as properly amended from time to time. The Administrator is authorised to act on telephone instructions from any person representing himself or herself to be an authorised representative of the investor, and reasonably believed by the Administrator or other entity authorised to receive such instructions to be genuine. The Company, the Manager and Investment Manager will require the Administrator to employ reasonable procedures, such as requiring a form of personal identification, to confirm that instructions are genuine. The Company, the Manager, the Investment Manager, the Administrator and the Depositary each reserve the right to refuse to implement a redemption order placed by telephone.

Redemption requests for Shares received in proper form by the Administrator before the relevant Dealing Cut-Off Time for the Fund on a Dealing Day will become effective at the

relevant Net Asset Value per Share for that Dealing Day. The Company expects that the proceeds of redemptions will be transmitted by bank transfer on the relevant Dealing Day, to the bank account indicated on the Shareholder's original first Application Form, as properly amended from time to time, provided the signed original Application Form has been received from the Shareholder and all of the necessary anti-money laundering checks have been completed. If, in exceptional circumstances and for whatever reason, redemption proceeds cannot be paid within the time specified, the payment will typically be made within three (3) Business Days of the relevant Dealing Day. A redemption request received in proper form by the Administrator after the relevant Dealing Cut-Off Time on a Dealing Day will be held over and will become effective at the relevant Net Asset Value for the following Dealing Day. The Directors and/or the Manager may, in their discretion, determine to accept any redemption request received after the relevant Dealing Cut-Off Time for processing on that Dealing Day provided that such redemption request has been received prior to the Valuation Point. Initial applicants for Shares are required to specify on the Application Form a bank account which must be designated in the Shareholder's name to which the proceeds of any redemption will be paid. Any subsequent alteration of such instructions must be in proper written form and duly signed by the Shareholder. The Directors, the Manager and the Administrator each reserve the right to require proof of authority satisfactory to the Directors, the Manager and the Administrator, as the case may be, for such instructions. Failure to provide proof as requested or otherwise required under applicable law may result in delay or rejection of an Application Form or request for redemption of Shares.

Sales Intermediaries may charge their clients a separate fee for effecting redemptions of Shares. Investors should consult their Sales Intermediary in this regard. The Directors and the Manager reserve the right to limit the amount of the redemption. The above procedures may be modified or terminated at any time by the Company, the Manager, the Administrator or a Sales Intermediary, as applicable.

Redemption proceeds will be paid by bank transfer to the bank account designated in the Shareholder's name, as set out by the Shareholder in the Application Form. If a Shareholder requests redemption of Shares which were purchased recently, a Fund may delay payment until it is assured that good payment has been received.
