(each the "Share Class")

The Board of Directors of Multi Manager Access II (the "**Board**") wishes to inform you that due to the low total net assets of each of the following share classes:

the Board has resolved to liquidate the Share Class. The Board considers the liquidation of the Share Class to be in the best interest of its shareholders as the low level of total net assets does not permit economically efficient management of the Share Class.

The Share Class will be closed to all redemptions and conversions out of the Share Class as of the cut-off time on 15 March 2022. The Share Class has been closed to new subscriptions and conversions as of the cut-off time on 11 February 2022. The date of the final net asset value will be 22 March 2022 (the "**Effective Date**") and the proceeds are expected to be paid out to the shareholders on or around 25 March 2022.

The costs associated with the liquidation will be reflected in the net asset value of the Share Class.

Redemption proceeds relating to shares for which payment to shareholders cannot be made will be deposited with the *Caisse de Consignation* in Luxembourg on behalf of the respective beneficiaries of such redemption proceeds as soon as possible after the payment date.

Yours sincerely,
