
Notice to shareholders of UBS (Lux) Key Selection SICAV – Multi Strategy Alternatives (EUR)
(the "**Feeder Fund**")

The board of directors of the Company (the "**Board of Directors**") has been informed that **Alma Platinum IV UBS Multi-Strategy Alternatives** (the "**Master Fund**"), a sub-fund of Alma Platinum IV, an investment company incorporated as a société anonyme (public limited company) under Luxembourg law in the form of a société d'investissement à capital variable ("SICAV") approved by the CSSF, was put into liquidation starting on 19 January 2024. Since the Feeder Fund invests at least 85% of its net assets in units of the Master Fund, the Board of Directors has consequently decided to put the Feeder Fund into liquidation, pursuant to the Company's Articles of Incorporation and Sales Prospectus.

The liquidation started on 19 January 2024. From that date, all subscriptions, redemptions and conversions in the Feeder Fund have been suspended.

The shareholders will be paid based on the Net Asset Value calculated as of the end of the liquidation, which is expected to be 30 January 2024 (the "**Final NAV Date**"). All of the anticipated liquidation costs have been charged to the Feeder Fund from the date of the Board of Director's resolution to liquidate the Feeder Fund in order to ensure the fair and equal treatment of the shareholders.

All shares held in any share class of the Feeder Fund as of the close of business on the Final NAV Date will be compulsorily redeemed at the applicable net asset value per share calculated in accordance with the Sales Prospectus and Company's Articles of Incorporation.

It is expected that the Master Fund will normally pay the liquidation proceeds within a few days from the Final NAV Date after the sale of all underlying assets. Once these liquidation proceeds have been received by the Feeder Fund, shareholders in the Feeder Fund will receive their pro-rata entitlement of the liquidation proceeds of the Feeder Fund in accordance with the Sales Prospectus.

If there are any windfall payments or further proceeds from assets received by the Master Fund, or cash remaining, after the liquidation of the Feeder Fund, further payment(s) will be made to all the shareholders who were invested in the Feeder Fund on the Final NAV Date.

Any liquidation proceeds that cannot be distributed to the shareholders at the closure of the liquidation shall be deposited with the *Caisse de Consignation* in Luxembourg until the statutory period of limitation has elapsed.

We wish to inform you that your investment in investment funds may be taxable. Please consult your tax adviser if you have any tax-related questions as a result of this liquidation.
