

YOUR spending ACCOUNT™

Manage Your Funds **on the Run**

Meet the Reimburse Me App!

Wherever you go, you can manage your Health Care Spending Account, Dependent Care Spending Account, Health Reimbursement Account, or Health Savings Account* with the Reimburse Me mobile app.

Get Started in Two Simple Steps:

1 Download the Reimburse Me app onto your Apple or Android device.

2 Log in using the same user ID and password you use to access **Your Spending Account** (YSA) through your benefits website.

Quick tip: When you have a claim that requires validation, an alert will appear at the top of your Accounts page. Click on the alert to submit your supporting document(s).

*Plan offerings will vary by employer.

Using the App, All This (and More) Is a Snap:

- Receiving time-sensitive alerts
- Checking your account balance(s)
- Submitting paperless claims/getting reimbursed
- Viewing pending authorizations
- Signing up for direct deposit
- Repaying an overpayment
- Managing your HSA account

Have a Health Savings Account?

Look at what *more* you can do using **Reimburse Me**:

- Pay a bill
- View recent activity
- Make a contribution to your account

Quick tip: Want to be paid back faster for expenses you incur? Sign up for direct deposit and indicate where you want YSA to send your reimbursement.

Visit the YSA website for the *Reimburse Me Mobile App* guide.

YOUR spending ACCOUNT™

Keep Up With
Your Account via
Text Message

When you **sign up for text messages** through the Your Spending Account (YSA) website, you'll instantly be notified of account details that are important to you.

Getting Started Is Easy

Simply log on to the YSA website and go to **Your Profile** to select which text messages you'd like to receive.

Ways You Can Stay Up to Date

Whether your employer offers a health care and/or dependent care flexible spending account, a Health Savings Account, or another type of spending account through YSA, you can request to have the following text messages sent to your mobile device:

- **Account Balance Notice.** If you'd like to receive text reminders with your available balance and any deadlines for using the money in your account, you can sign up for text updates—weekly, monthly, or quarterly—until your balance reaches zero.
- **Low Account Balance Alert.** If your account balance falls below the threshold amount you specify, you'll be alerted by text message.
- **Receipt Reminder for YSA Cardholders.** If you're required to submit a receipt (and any additional information, if necessary) to validate the use of your YSA card, you'll receive a text message that includes the deadline for submitting this documentation. If you don't take action within a couple of weeks, you'll receive another reminder.

Why Sign Up for Text Messages?

Receiving texts about the status of your account will help you:

- Better manage your account
- Plan remaining expenditures for the year
- Estimate how much to fund your account next year
