Aetna[®] Critical Illness Plan

Be prepared for what happens next

Critical illness coverage can keep you focused on your health when it matters most. These plans can help ease some financial worries during a difficult time.

An Aetna Critical Illness Plan can help

The Aetna Critical Illness Plan pays you lump-sum cash benefits when a doctor diagnoses you with a covered serious illness or condition, like heart attack, stroke, cancer and more.* You can use the money to help pay out-of-pocket medical costs or personal expenses.

How is this different from a major medical plan?

Medical plans help pay providers for services and treatment. But, they don't cover the unexpected costs that can come with a serious illness.

The Aetna Critical Illness Plan pays benefits directly to **you**, giving you extra cash when you need it most. It can help fill in the gaps, making it a great companion to your major medical plan.

*Refer to your plan documents to see all covered illnesses under the plan.

The Aetna Critical Illness Plan is underwritten by Aetna Life Insurance Company (Aetna).

How can you use the cash benefits?

It's completely up to you. You can use the money any way you want, like:

- Deductibles or copays
- Mortgage or rent
- Groceries or utility bills

...or for anything else you choose.

Easy to use

You can file a claim in about 90 seconds or less if you or a family member experience a covered diagnosis or condition. And, benefits get paid directly to you by check or direct deposit.

Did you know?

More than **1 in 3** Americans have heart disease, making it the most expensive health condition in the U.S. at a combined \$555 billion.¹

Having less to worry about

Dan* knows that heart disease runs in his family. And when a heart attack struck, he was thankful he had the Aetna Critical Illness plan.

He filed his claim easily online and benefits were deposited directly into his bank account. As an Aetna medical member, he didn't need to upload any medical bills.

He was able to use the money to help pay his out-of-pocket medical costs and other bills such as his children's daycare tuition.

A Simplified Claims Experience™

Just register on the **My Aetna Supplemental** app or on the member portal at [MyAetnaSupplemental.com](https://www.aetna.com/MyAetnaSupplemental.com) to view plan documents, submit and track claims, and sign up for direct deposit. *This is a fictional example of how the plan could work.

THIS PLAN DOES NOT COUNT AS MINIMUM ESSENTIAL COVERAGE UNDER THE AFFORDABLE CARE ACT. THIS IS A SUPPLEMENT TO HEALTH INSURANCE AND IS NOT A SUBSTITUTE FOR MAJOR MEDICAL COVERAGE.

This insurance plan provides limited benefits. It pays fixed dollar benefits for covered services without regard to the health care provider's actual charges. The benefits payments are not intended to cover the full cost of medical care. You are responsible for making sure the provider's bills get paid. These benefits are paid in addition to any other health coverage you may have. This material is for information only. Insurance plans contain exclusions and limitations. Not all health services are covered, and coverage is subject to applicable laws and regulations, including economic and trade sanctions. See plan documents for a complete description of benefits, exclusions, limitations and conditions of coverage. Plan features, rates, eligibility and availability may vary by location and are subject to change. For more information about Aetna plans, refer to [Aetna.com](https://www.aetna.com).

Please review the below notice for Aetna Supplemental Health plan members who reside in the state of New Mexico.

ATTENTION NEW MEXICO RESIDENTS

The coverage provided under your benefits plan or policy underwritten by Aetna Life Insurance Company is limited in nature and may not provide financial protection for significant costs that you could incur for the diagnosis or treatment of COVID-19 ("Corona virus") related illness.

If you do not have comprehensive major medical coverage, in addition to the plan or policy issued by our company, you may incur significant uninsured medical expenses associated with the diagnosis and treatment of illness caused by COVID-19.

Major medical plans offer robust consumer protections, and are required to waive all deductibles, co-pays and other cost sharing expenses for the diagnosis or treatment of COVID-19 related illness. Your policy or plan with us is not a major medical plan and does not provide such protections.

If you do not have major medical coverage, you may:

1. Contact a licensed insurance broker or agent to see about major medical coverage availability.
2. To see if you are eligible for a special enrollment period for major medical coverage through the New Mexico Health Insurance Exchange, contact beWellnm toll-free at **1-833-862-3935**.
3. To see if you are eligible for Medicaid coverage and to complete an application, please call the Human Services Department's Medicaid Expansion Hotline toll-free at **1-855-637-6574** or visit **<https://www.yes.state.nm.us/yesnm/home/index>**.
4. To see if you are eligible for high risk pool coverage, please contact the New Mexico Medical Insurance Pool (the "High Risk Pool") at **1-844-728-7896** or **<https://nmmip.org/>**. If you are uninsured and have a COVID-19 diagnosis, your condition qualifies you for Pool coverage.

The Centers for Disease Control and the New Mexico Department of Health each have websites with considerable information on COVID-19. Visit each website at **<https://www.cdc.gov/>** or **<http://cv.nmhealth.org/>**.
