

# Return on values

Most sustainable investors **expect better performance, bigger impact**

## Swiss investors want to make a difference, however, only a minority invest sustainably

## Switzerland's adoption of sustainable investing falls in the middle compared to other countries

## Confusion and uncertain impact hold Swiss investors back

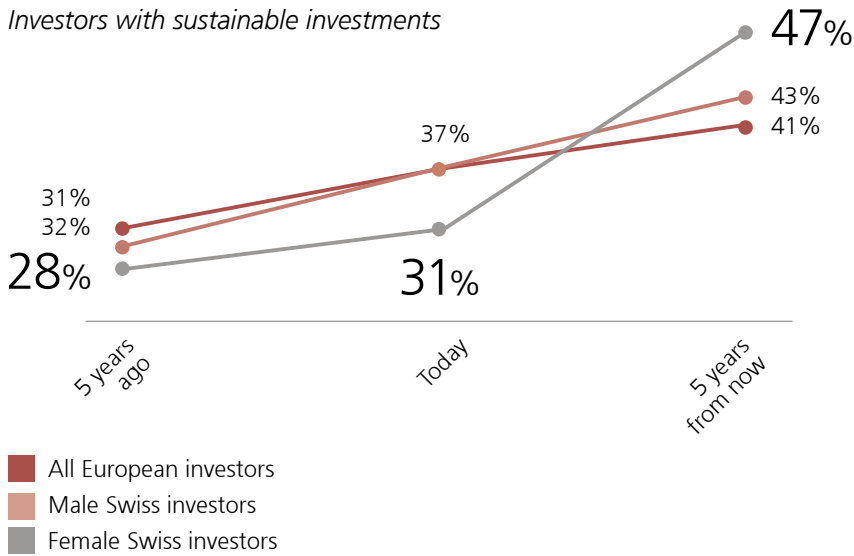

High expectations for sustainable investing >

## Investors have high return expectations for sustainable investing compared to traditional investing

## Female investors drive momentum for sustainable investments in the future

Investors with sustainable investments

63%

say sustainable investing will be mainstream in 10 years

Is your portfolio having the **impact** you want? Talk to your UBS Client Advisor.

**UBS Investor Watch:** Return on values, 3Q 2018. We surveyed more than 5,300 wealthy investors (with at least \$1 million in investable assets). The global sample was split across 10 markets: Brazil, China, Germany, Hong Kong, Italy, Singapore, Switzerland, UAE, the UK and the US. The research was conducted between June 2018 and August 2018.
