8 April 2024

Dear Unitholders,

The board of directors (the "**Board of Directors**") of the Management Company, has decided to merge the Merging Sub-Fund into Sub-Fund UBS (Lux) Strategy Fund – Growth Sustainable (CHF) (the "**Receiving Sub-Fund**"), a sub-fund of UBS (Lux) Strategy Fund, a *fonds commun de placement* incorporated under the laws of the Grand Duchy of Luxembourg, registered with the Luxembourg Trade and Companies Register under number K 299 (the "**Receiving UCITS**") in compliance with article 1(20)(a) of the law of 17 December 2010 on undertakings for collective investment as amended (the "**Merger**"). The Merger shall become effective on 21 May 2024 (the "**Effective Date**").

This notice describes the implications of the contemplated Merger. Please contact your financial advisor if you have any questions on the content of this notice. The Merger may impact your tax situation. Unitholders should contact their tax advisor for specific tax advice in relation to the Merger.

Capitalised terms not defined herein have the same meaning as in the prospectus of the Merging UCITS.

1. Background and rationale for the merger

- 1.1 The decision of the Board of Directors to proceed with the Merger was passed in the unitholders' interest and takes place in the context of the following rationale. The Receiving Sub-Fund and the Merging Sub-Fund are actively managed multi asset sub-funds that share similar objectives and risk profiles, in terms of providing investors growth orientated portfolios which are globally diversified. The aim of merging the sub-funds is to manage the sub-funds more efficiently in the interests of investors through the takeover of Credit Suisse Group AG by UBS Group AG and as part of the integration of Credit Suisse into UBS. Maintaining two separate UBS Group funds (i) within the same asset class and (ii) with similar objectives is not an efficient long-term proposition and so it is proposed to merge the Merging Sub-Fund into the Receiving Sub-Fund. The Merger of the Merging Sub-Fund into the Receiving Sub-Fund will result in an overall increase of assets under management. Therefore the Board of Directors believes that the Merger is in the interest of the unitholders of the Merging Sub-Fund.

2. Summary of the merger

- 2.1 The Merger shall become effective and final between the Merging Sub-Fund and the Receiving Sub-Fund and vis-à-vis third parties on the Effective Date.
- 2.2 On the Effective Date, all assets and liabilities of the Merging Sub-Fund will be transferred to the Receiving Sub-Fund. The Merging Sub-Fund will cease to exist as a result of the Merger and thereby will be dissolved on the Effective Date without going into liquidation.
- 2.3 Unitholders are not required to vote on the Merger.
- 2.4 The Unitholders holding units of the Merging Sub-Fund on the Effective Date will automatically be issued units of the Receiving Sub-Fund in exchange for their units of the Merging Sub-Fund, in accordance with the relevant unit exchange ratio and participate in the results of the respective Receiving Sub-Fund as from such date. Unitholders will receive a confirmation note of their holding in the Receiving Sub-Fund as soon as practicable after the Effective Date. For more detailed information please see section 5 (*Rights of Unitholders in relation to the Merger*) below.
- 2.5 Subscriptions, conversions of units of and/or redemptions of units of the Merging Sub-Fund will be suspended from 13 May 2024 to 21 May 2024 in order to implement the procedures needed for the Merger in an orderly and timely manner as indicated under section 6 (*Procedural aspects*) below.
- 2.6 The Merger is part of a wider project of merging the sub-funds of the Merging UCITS into sub-funds of the Receiving UCITS. As a result, the Merging UCITS will cease to exist upon completion of all mergers (including the Merger).
- 2.7 Other procedural aspects of the Merger are set out in section 6 (*Procedural aspects*) below.
- 2.8 The timetable below summarises the key steps of the Merger.

In the event that the Boards approve a later Effective Date, they may also make such consequential adjustments to the other elements in this timetable as they consider appropriate.

3. Impact of the merger on Unitholders of the Merging Sub-Fund

The overall objectives and risk profiles of the Receiving Sub-Fund, as described in the prospectus of the Receiving UCITS and in the key information document in accordance with Packaged Retailed Investments and Insurance Products Regulation ("**KID**") of the Receiving Sub-Fund and of the Merging Sub-Fund as described in the prospectus of the Merging UCITS and in the KID of the Merging Sub-Fund are similar and will remain the same after the Effective Date.

Unitholders of the Merging Sub-Fund should carefully read the description of the Receiving Sub-Fund in the prospectus of the Receiving UCITS and in the KID of the Receiving Sub-Fund before making any decision in relation to the Merger.

The investment manager of the Merging Sub-Fund, Credit Suisse Asset Management (Schweiz) AG, in agreement with the investment managers of the Receiving Sub-Fund, UBS Asset Management Switzerland AG and UBS Switzerland AG, Zurich, with the aim to ensure the transferring portfolio is in line with the investment strategy of the Receiving Sub-Fund, will sell most of the underlying assets within the notice period (from 8 April 2024 to 21 May 2024). The Merging Sub-Fund's portfolio will be partially liquidated, and the resulting cash and any remaining assets transferred to the Receiving Sub-Fund on the Effective Date.

3.1 Investment objective and policy

Merging Sub-Fund	Receiving Sub-Fund
<p>Investment Objective</p> <p>The objective of the Growth Subfunds is to achieve the highest possible overall performance, consisting of current income, capital gains and currency results in the respective Reference Currency by investing in the asset classes described below in accordance with the principle of risk diversification.</p> <p>The Subfunds are actively managed without reference to a benchmark.</p> <p>Investment Policy</p> <p>The Subfunds invest their assets worldwide (including emerging countries) providing direct or indirect exposure to the asset classes described below. Indirect exposure may be achieved amongst others via the use of derivatives, structured products and Target Funds. The main part of the investments may be made occasionally in other currencies than the respective Reference Currency of each Subfund. The Subfunds will invest at more than 50% of the value of their total assets in Qualifying Equity Instruments.</p> <p>Subject to conditions set out in Chapter 4 "Investment Policy", the Subfunds may invest in ancillary liquid assets (i.e., bank deposits at sight) up to 20% of the total net assets of the Subfund in order to cover current or exceptional payments, or for the time necessary to reinvest in eligible assets under Part I of the Law of December 17, 2010 or for a period of time strictly necessary in case of unfavourable market conditions.</p> <p>The Subfunds qualify as financial products under Art. 8 (1) of SFDR.</p> <p>Information about the environmental or social characteristics promoted by the Subfunds is available in the SFDR Annex of this Prospectus.</p>	<p>Investment objective</p> <p>The Fund's investment objective consists in achieving optimal investment returns while giving due consideration to capital security, liquidity of the net assets and the promotion of environmental or social characteristics.</p> <p>General investment policy</p> <p>The assets of the actively managed sub-funds are invested following the principle of risk diversification without the restriction of referencing a benchmark. The performance of the individual sub-fund is not measured by comparison with an index.</p> <p>The sub-funds invest their net assets worldwide in equities, other share-like equity interests such as cooperative shares and participation certificates, as well as American Depositary Receipts (ADRs) and Global Depositary Receipts (GDRs), (participation certificates and claims), commodities, short-term securities, dividend-right certificates, bonds, notes, similar fixed-income and floating-rate securities (debt instruments and claims), all kinds of backed securities, convertible bonds, convertible notes, warrant-linked bonds and warrants on securities, and all other legally permitted assets.</p> <p>The sub-funds and their special investment policies</p> <p>UBS Asset Management categorises this sub-fund as a Sustainability Focus Fund. These sub-funds promote environmental and/or social characteristics and comply with Article 8 of Regulation (EU) 2019/2088 on sustainability-related disclosures in the financial services sector ("SFDR"). Further information related to environmental and/or social</p>

characteristics is available in Annex I to this document (SFDR RTS Art. 14(2)).

The aim of the investment policy is to seek optimal capital growth in terms of the currency of account. To this end, investments are made worldwide on a broadly diversified basis, mainly in bonds and equities, with the majority of Fund assets generally invested in equities. Thus, the investment risk of this sub-fund is typically higher than that of the Balanced sub-funds. In line with this investment policy, the sub-funds may invest in high yield bonds, emerging market bonds and commodities.

Unitholders are advised to read the prospectus of the Receiving UCITS and the KID of the Receiving Sub-Fund for a full description of the Receiving Sub-Fund's investment objective and policy.
