These amendments are made for consistency purposes, to align the Management Service Fee to the same level within each subfund. These amendments do not result in any change of the total fees payable by the Shareholders, as the increase of the Management Fee is offset by a decrease of the Management Service Fee in the same proportion. For the subfund **Credit Suisse Index Fund (Lux) Equities Canada**, the amendments result in a reduction of the total applicable to the Shareholders.

2. Notice is hereby given to the Shareholders of the Company that the Board of Directors of the Company has decided to amend Chapter 13 "General Meetings" of the prospectus, so as to clarify that generally notices of all general meetings will be sent to the holders of registered Shares by registered mail at least eight calendar days prior to the general meeting at their addresses shown in the register of Shareholders.
