

UBS Digital

Unleash the potential to grow your wealth **digitally**.

Switch on

a brand new banking experience
with our **digital offerings.**

Accessible from your mobile device and computer.

Available in multiple languages.

Here's what you can do with UBS Digital:

Portfolio Monitoring and Analysis

Review health status and receive recommendations for issues relating to your portfolios.

Investment Insights

Be the first to receive topical Investment Insights from our professional experts on your preferred channel.

Securities and FX Trading

Trade on major exchanges online with exclusive pricing.

Quotes

Stay agile and navigate market movements to improve financial instruments performance.

Virtual Portfolio

Build, view and organize various instruments with Virtual Portfolio.

Lombard Loans

Obtain a complete overview and check key information of your Lombard loans.

Funds Transfer between Accounts

Transfer funds across your UBS account on Mobile Banking and E-Banking.

Corporate Actions

Issue instruction with Corporate Actions.

CIO Investment Watchlist

Make informed decisions and nurture your portfolio with fund lists.

E-Document

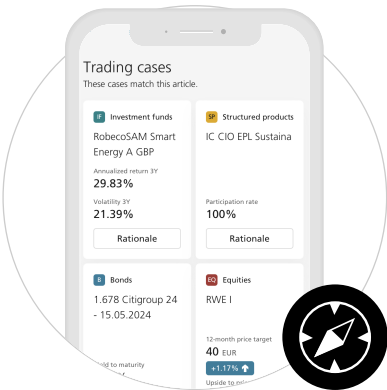

Go green and view important documents online.

Enjoy the features and benefits of going Digital:

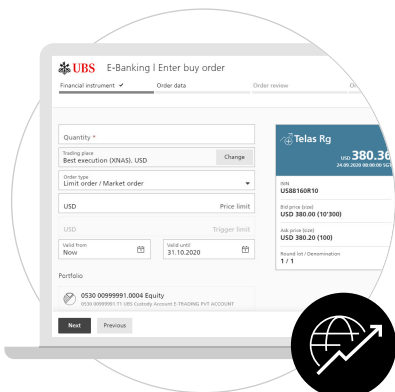

Portfolio Monitoring and Analysis

Monitor your portfolio and investments. Be alerted on any investment gaps with our health checks around the clock. Get a breakdown of your portfolio movements, holdings, transactions, allocations and analysis. Receive customized investment ideas to make the most of the market condition.

Investment Insights

Receive investment insights with trading cases via push notifications or your preferred channel. Be acquainted with the latest investment happenings or read about topics related to your financial interests.

Securities and FX Trading

Trade equities, funds, fixed income or FX with flexible access to the global markets. You can also enjoy attractive pricing for selected online transactions.

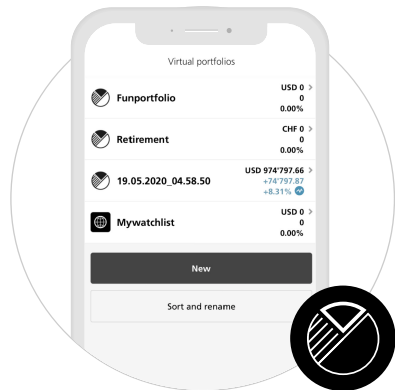

* available on E-Banking only

Quotes

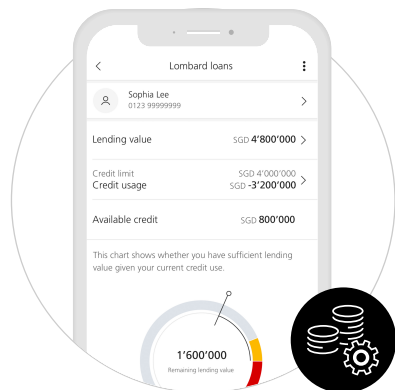

Stay up to date with market movements and the happenings of the world's major trading centres. Stock exchange prices, quotes and market development data are regularly updated. You can search for the latest price, details and market news related to your instruments, which you can group in a virtual portfolio in multiple asset classes.

* available on E-Banking only

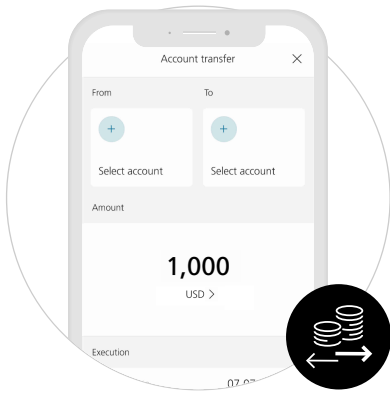

Virtual Portfolio

Build your virtual portfolio with access to the latest research and views by UBS. View all of your instruments in one place. Track the price movement and set up price alerts to keep track of potential investment opportunities or when a price matches. You can also bounce ideas with your Client Advisor.

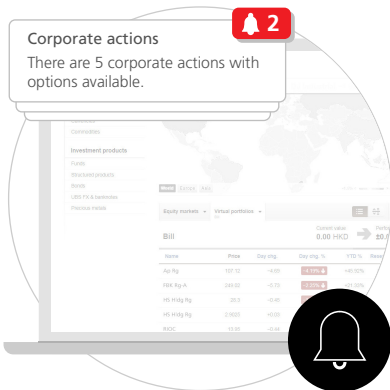

Lombard Loans

Obtain loan information and other essential details such as your lending value, credit usage and available credit online. Review the composition of your collateral. Get notifications that will alert you about changes in your remaining lending value. With greater transparency, you can better organize and achieve your investment goals.

Fund Transfer between Accounts

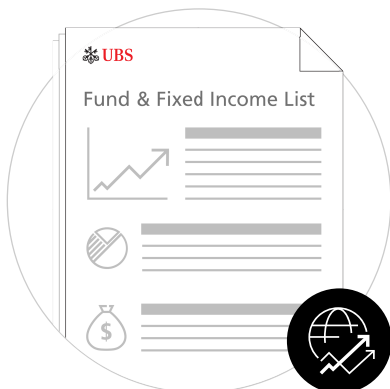

Transfer funds across your UBS account securely and conveniently via Mobile Banking or E-Banking. After submitting a transfer order, you can check its status and see whether it is pending, executed or require action. You can also amend and cancel transfer orders.

Corporate Actions

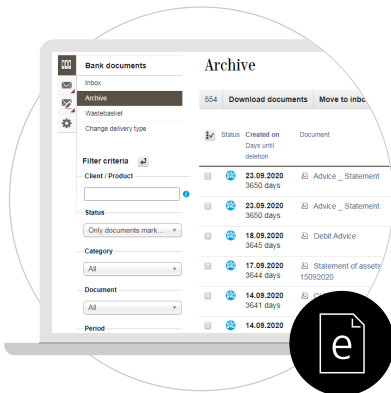

Issue a mandatory or voluntary corporate action when you feel comfortable.

* available on E-Banking only

CIO Investment Watchlist

Utilize the fund lists created by our analysts with investment and market risk content to uncover various investment opportunities and make informed decisions about your portfolio. You can view the content even before logging in.

E-Document

Go green with UBS!

Check or receive bank documents, new or old, such as statements, trade confirmations, annual reports, etc., in one place and digital format (online). You can choose to turn on the E-Document feature in E-Banking or Mobile Banking.

* available on E-Banking only

Utilize our digital offerings to their full potential.

Get support when you need it with **UBS Advisor Messaging**

Share documents or chat with your Client Advisor instantly and directly using WeChat or WhatsApp.

Pair Digital Banking with the **UBS Access App**

E-Banking and Mobile Banking login is quick and secure with the latest technology of using QR code and your mobile phone.

The Access App is available in the App Store, Google Play and Huawei AppGallery.

[> Download for iOS and Android](#)

[> Huawei AppGallery download guide](#)

Wait no further. A brand new banking experience awaits with full support to guide you along the way.

Switch on **UBS Digital**.
