June 2, 2021

Dear Shareholder,

UBS Asset Management (Americas) Inc. ("UBS AM"), the manager of PACE Global Real Estate Securities Investments ("Fund"), selects sub-advisors for the Fund, a portfolio of PACE Select Advisors Trust ("Trust"), subject to approval of the Board of Trustees ("Board" or "Trustees") of the Trust. A significant service you receive with the Fund is the on-going oversight by UBS AM of the Fund's subadvisors. We are pleased to inform you that, at the recommendation of UBS AM, the Board has appointed Massachusetts Financial Services Company (d/b/a MFS Investment Management) ("MFS") to serve as a new sub-advisor to the Fund. MFS assumed investment advisory responsibility with respect to a portion of the Fund's portfolio on March 11, 2021.

Brookfield Public Securities Group LLC also currently serves as a subadvisor of the Fund, and is responsible for managing a separate portion of the Fund's assets (each separate portion, an "Allocated Portion"). Each subadvisor manages a portion of the Fund's portfolio as allocated by UBS AM and overseen by the Board, with each employing different investment strategies, as discussed in the Fund's prospectus. The relative value of each subadvisor's share of the Fund's assets may change over time.

S1732

Please note that, in reliance on exemptive relief obtained by UBS AM and the Trust from the US Securities and Exchange Commission (“SEC”), the appointment of MFS and the approval of a corresponding investment subadvisory agreement between UBS AM and MFS (“Subadvisory Agreement”) on the Fund’s behalf do not require a shareholder vote. Therefore, **we are not asking you for a proxy, and you are requested not to send us a proxy. The purpose of this document is to provide you with additional information about these changes that we are required to make available to you.**

PACE Global Real Estate Securities Investments

Background

At the recommendation of UBS AM, the Board appointed MFS as a new subadvisor for the Fund and approved the Subadvisory Agreement at a meeting held on November 17-18, 2020. MFS assumed investment advisory responsibilities and the Subadvisory Agreement became effective on March 11, 2021. The Trustees determined to approve the Subadvisory Agreement after a thorough analysis of the proposed service to be provided by MFS. The material factors considered by the Trustees in approving the Subadvisory Agreement are set forth below under “PACE Global Real Estate Securities Investments—Trustees’ considerations.”

Investment strategies of MFS

With respect to its Allocated Portion, MFS invests primarily in equity securities with a focus on investments in equity REITs as well as similar entities formed under the laws of non-US countries. MFS may also invest in mortgage REITs, hybrid REITs and other US and foreign real estate-related investments, including emerging market real estate-related investments. While issuers of real estate-related investments tend to have small-to-medium market capitalizations, MFS may invest the Fund’s assets in real estate-related investments of any size. MFS typically allocates the Fund’s investments across different REIT managers and property types, such as apartments, retail properties, office buildings, hotels, industrial properties, health care facilities, storage facilities, manufactured housing and special use facilities, but may, from time to time, focus the Fund’s investments in any one or a few of these areas. MFS normally invests the Fund’s assets across different countries and regions, but may invest a significant percentage of the Fund’s assets in issuers in a single country or region. MFS may invest a significant percentage of the Fund’s assets in a single issuer or a small number of issuers.

MFS uses an active bottom-up investment approach to buying and selling investments for the Fund. Investments are selected primarily based on fundamental analysis of individual issuers and their potential

in light of their financial condition, and market, economic, political, and regulatory conditions. Factors considered in selecting investments for the Fund may include an issuer's management ability, cash flows, price/funds from operations ratio, dividend yield and payment history, price/net asset value ratio, market price, and the ability of an issuer to grow from operations. MFS may also consider environmental, social, and governance (ESG) factors in its fundamental investment analysis.

New Subadvisory Agreement

Under the Subadvisory Agreement, subject to the supervision and direction of the Trustees and review by UBS AM and any written guidelines adopted by the Board or UBS AM, MFS will provide a continuous investment program for the Fund (or any Allocated Portion thereof) including investment research and discretionary management with respect to all securities and investments and cash equivalents, and make decisions with respect to, and place orders for, all purchases and sales of the Fund's investments for its Allocated Portion, all in accordance with the Fund's investment objective, policies and restrictions as stated in the Trust's currently effective registration statement under the Investment Company Act of 1940, as amended ("Investment Company Act").

Under the Subadvisory Agreement, MFS will bear all expenses incurred by it in connection with its services to its Allocated Portion of the Fund, but MFS will not be responsible for any expenses incurred by the Trust, the Fund or UBS AM.

For the services provided and the expenses assumed by MFS under the Subadvisory Agreement, UBS AM (not the Fund) will pay to MFS a fee, computed daily and payable monthly, based on an annual percentage of the average daily net assets of its Allocated Portion of the Fund.

The Subadvisory Agreement will remain in effect for two years after its effective date and will continue thereafter for successive periods of twelve months each, provided that its continuance is approved at least annually (i) by a vote of a majority of the Trustees who are not "interested persons" (as defined in the Investment Company Act) of the

Trust (“Independent Trustees”), cast in person at a meeting called for the purpose of voting on such approval or (ii) by vote of a majority of the outstanding voting securities of the Fund.

The Subadvisory Agreement provides that it will terminate automatically in the event of its “assignment,” as defined in the Investment Company Act, or upon the termination of the Fund’s Management Agreement with UBS AM. The Subadvisory Agreement provides for termination, without payment of any penalty, by vote of the Board or by a vote of a majority of the Fund’s outstanding voting securities on 30 days’ written notice to MFS. UBS AM also may terminate the Subadvisory Agreement, without payment of any penalty: (i) upon 120 days’ written notice to MFS; (ii) upon material breach by MFS of any of the representations, warranties and agreements contained in the Subadvisory Agreement; or (iii) immediately if, in the reasonable judgment of UBS AM, MFS becomes unable to discharge its duties and obligations under the Subadvisory Agreement, including circumstances such as financial insolvency or other circumstances that could adversely affect the Fund. The Subadvisory Agreement provides that MFS may terminate the Subadvisory Agreement, without payment of any penalty, on 120 days’ written notice to UBS AM.

As described below under “Additional Information—SEC Exemptive Order,” UBS AM has received an exemptive order from the SEC enabling it to enter into an investment subadvisory agreement with a subadvisor that has not been approved by a vote of the majority of the outstanding voting securities of a portfolio if certain conditions are met.

The Subadvisory Agreement provides that MFS shall not be liable for any error of judgment or mistake of law or for any loss suffered by the Fund, the Trust or its shareholders or by UBS AM in connection with the matters to which the Subadvisory Agreement relates, except a loss resulting from willful misfeasance, bad faith or negligence on its part in the performance of its duties or from reckless disregard by it of its obligations and duties under the Subadvisory Agreement.

Trustees' considerations

Background—At a meeting of the Board of the Trust on November 17-18, 2020, the members of the Board, including the Independent Trustees, considered and approved the proposed Subadvisory Agreement between UBS AM and MFS with respect to the Fund. Management discussed with the Board its longer-term plans for the Fund, which included its proposal to appoint MFS as the Fund's subadvisor. In considering the approval of the Subadvisory Agreement, the Board was able to draw on its knowledge of the Trust, its funds and UBS AM. The Board recognized its familiarity with UBS AM and the investment management and subadvisory agreements for this and the other funds of the Trust, including the extensive materials the Board had previously reviewed in connection with the annual reconsideration of the contracts for the funds. The Board also received a memorandum from UBS AM discussing UBS AM's reasons for recommending MFS as a subadvisor to the Fund.

In its consideration of the approval of the Subadvisory Agreement, the Board considered the following factors:

Nature, extent and quality of the services under the Subadvisory Agreement—The Board's evaluation of the services to be provided by MFS to the Fund took into account the Board's knowledge and familiarity gained as Trustees of funds in the UBS New York fund complex, including the Trust and its funds. It reviewed the purposes and investment objective of the Fund and UBS AM's overall plan to meet the Fund's stated purposes and objective. The Board considered management's reasons for recommending the appointment of MFS as a subadvisor to the Fund, including its "due diligence" concerning MFS and its belief that MFS' global REIT strategy that exhibits cyclical relative value style exposures would benefit the Fund by, among other reasons, improving the Fund's risk-adjusted returns over full business cycles. The Board also received materials from MFS detailing its investment philosophy and spoke with representatives of MFS, who discussed with the Board that investment philosophy and process and the backgrounds and qualifications of the portfolio management team. The Board concluded that, overall, it was satisfied with the

nature, extent and quality of services expected to be provided to the Fund under the proposed Subadvisory Agreement

Subadvisory fee—The Board reviewed and considered the proposed contractual subadvisory fee to be payable by UBS AM to MFS in light of the nature, extent and quality of the subadvisory services anticipated to be provided by MFS. The Board noted that the proposed contractual subadvisory fee would result in a slight increase in the subadvisory fees paid by UBS AM with respect to the Fund. The Board determined that the proposed subadvisory fee was reasonable in light of the nature, extent and quality of the services proposed to be provided to the Fund under the Subadvisory Agreement.

Fund performance—The Board received and considered performance information for the strategy provided by MFS. The Board also noted that, as MFS would be a new subadvisor to the Fund, the current performance of the Fund was not a significant factor in the consideration of the approval of the Subadvisory Agreement.

Advisor profitability—Profitability of MFS or its affiliates or UBS AM or its affiliates in providing services to the Fund was not a significant factor considered by the Board, as the subadvisory fee would be paid by UBS AM out of the management fee paid to it by the Fund, and not by the Fund.

Economies of scale—The Board noted that, as the subadvisory fee for the Fund would be paid by UBS AM, not by the Fund, consideration of economies of scale with respect specifically to the subadvisory fee was not relevant.

Other benefits to MFS—The Board was informed by management that MFS' relationship with the Fund would be limited to its provision of subadvisory services to the Fund and that therefore management believed that MFS would not receive tangible ancillary benefits as a result of its relationship with the Fund, with the exception of possible benefits from soft dollars (e.g., research credits related to transaction commissions) for the Fund (which would also potentially benefit the

Fund). The Board recognized that MFS could receive intangible benefits from its association with the Fund, such as increased name recognition or publicity from being selected as a subadvisor to the Fund after an extensive review process. Similarly, the Fund could benefit from having a subadvisor with an established or well-regarded reputation.

In light of all of the foregoing, the Board, including a majority of the Independent Trustees, approved the proposed Subadvisory Agreement for the Fund. No single factor reviewed by the Board was identified by the Board as the principal factor in determining whether to approve the Subadvisory Agreement. The Independent Trustees were advised by separate independent legal counsel throughout the process.

Additional information

SEC exemptive order

In October 2012, UBS AM and the Trust received an amended exemptive order (“Amended Order”) from the SEC exempting them from certain provisions of the Investment Company Act. Specifically, the Amended Order permits the Trust and UBS AM, so long as certain conditions are satisfied, to enter into an investment subadvisory agreement with a subadvisor that has not been approved by a vote of the majority of the outstanding voting securities of a portfolio. The Amended Order generally requires that shareholders of each affected portfolio be notified of an investment subadvisory agreement that has been entered into within 90 days of the effectiveness of the investment subadvisory agreement, and that the portfolio make available to shareholders information similar to that which would have been included in a proxy statement to shareholders.
