How did the Fund perform last year and what affected its performance?

Portfolio performance summary

What worked:

- Security selection within financials and consumer staples added value.
- On a sector level, allocation was positive due to underweights to communication services and real estate.
- On a stock level, Varonis Systems, Mohawk Industries, and Viper Energy were among the top contributors.

What didn't work:

- Security selection within materials and consumer discretionary detracted.
- On a factor level, the underweight to price-to-book factor was a negative for performance.
- On a stock level, Treehouse Foods, Envista Holdings, and Leslie's were among the top detractors.

The Fund did not invest in derivatives during the reporting period.

Notable Fund Changes

The below is a summary of certain changes that occurred since the Fund's prior fiscal year ended July 31, 2023.

At the recommendation of UBS Asset Management (Americas) LLC ("UBS AM") (formerly known as UBS Asset Management (Americas) Inc.), the investment advisor, the Board of Trustees (the "Board") terminated Huber Capital Management, LLC effective as of the close of business on December 19, 2023. In addition, at the recommendation of UBS AM, the Board appointed Victory Capital Management Inc., through its business unit branded as Integrity Asset Management ("Victory"), and ARGA Investment Management, LP ("ARGA") to serve as new subadvisors. Each assumed investment advisory responsibility with respect to a separate portion of the portfolio effective December 19, 2023.

Additionally, at the recommendation of UBS AM, the Board terminated Sapience Investments LLC ("Sapience") effective as of the close of business on May 14, 2024. The portion that Sapience had been managing was redistributed to other existing sub-advisors within the fund.
