    - **Naming Conventions:** We removed the defined term "**Bank Sweep Programs**" and refer to the UBS-ISP and the Deposit Program as "**Programs**" instead of "**options**" or "**sub-programs**." The statement name has been changed to make the word "**Program**" plural. "**Free Cash Balances**" are now referred to as "**free credit balances**" to more closely align with regulatory language. We replaced the term "**Sweep Funds**" with "**UBS Money Market Fund Sweep Programs**." The UBS Deposit Sweep Programs and the UBS Money Market Fund Sweep Programs are now collectively referred to as the "**UBS Sweep Programs**."

I. Summary

This Section I provides an overview of the UBS Deposit Sweep Programs. You should carefully review all sections of this Disclosure Statement to understand the terms and conditions that apply.

Introduction

UBS Financial Services Inc. ("**UBS**" or "**we**") offers the UBS Deposit Sweep Programs to automatically deposit, or "sweep," free credit balances in your securities account ("**Securities Account**") into a deposit account ("**Deposit Account**") at one or more depository institutions at which deposits are insured by the Federal Deposit Insurance Corporation ("**FDIC**").

The UBS Deposit Sweep Programs consist of the following two programs (each a "Program"):

- UBS Deposit Account Sweep Program ("**Deposit Program**"),
- UBS Insured Sweep Program ("**UBS-ISP**"), and

If you are enrolled in the Deposit Program, your free credit balances will sweep to a Deposit Account at UBS Bank USA, N.A. ("**UBS Bank**"), an FDIC member bank that is affiliated with UBS. If you are enrolled in the UBS-ISP, your free credit balances will sweep to a Deposit Account at one or more participating banks in the order in which they appear on a list for each program ("**Priority List**"). The Priority Lists are included at the end of this Disclosure Statement and are also available at ubs.com/bankprioritylists. UBS Bank is the first bank on the Priority List. UBS Bank and the program banks are referred to herein as the "**Program Banks**".

The UBS Deposit Sweep Programs are part of the "**UBS Sweep Programs**" which also include one or more money market mutual funds UBS may make available to sweep free credit balances ("**UBS Money Market Fund Sweep Programs**"). UBS Money Market Fund Sweep Programs are described in the respective prospectus for each fund. Please refer to the section "Our Sweep Options and Your Sweep Authorization" in the Client Relationship Agreement at ubs.com/disclosuredocuments.

Eligibility

The UBS Deposit Sweep Programs are a default feature available in most Securities Accounts. When you open a Securities Account at UBS, a Program will be automatically assigned to your Securities Account based on the account/ownership type, if eligible. This assignment is made without the recommendation or advice of your Financial Advisor under Regulation Best Interest or as a fiduciary under the Investment Advisers Act.

Deposit Accounts

UBS will act as your agent and custodian to establish and maintain the Deposit Accounts at UBS Bank. In the UBS-ISP, UBS Bank, as sub-custodian for UBS acting for its clients, will establish and maintain the Deposit Accounts at the other Program Banks (excluding UBS Bank, "**Third-Party Program Banks**"). Although Deposit Accounts are obligations of the Program Banks and not UBS, you will not have a direct relationship with any Program Bank. All deposits and withdrawals will be made on your behalf by UBS, or UBS Bank as sub-custodian for UBS. Information about the Deposit Accounts may be obtained from UBS and not the Program Banks.

Sweep Amounts

- In the Deposit Program, free credit balances will sweep to a Deposit Account at UBS Bank without limit.
- In the UBS-ISP, free credit balances will sweep to a Deposit Account at each Program Bank up to $249,000, or $498,000 for joint accounts, in the order in which the Program Banks appear on the Priority Lists. Once the limit has been reached at each Third-Party Program Bank, any excess free credit balances will sweep to UBS Bank without limit.

Interest Rates

Variable, tiered interest rates apply to your deposits.

The interest rates paid by the Program Banks may change at any time, including daily, without prior notice. These rates are determined by a variety of factors, including prevailing economic and business conditions. The Program Banks are not required to offer the highest rates available in the market or rates comparable to money market mutual fund yields. Interest rates for the Deposit Accounts may be higher or lower than those paid on other deposit accounts at the Program Banks or at other depository institutions. For the current interest rates, please visit ubs.com/sweepyields or contact your Financial Advisor.

All Program Banks pay you the same rate of interest as one another. However, the interest rates on balances in the Deposit Accounts may vary from program to program and may differ between advisory and brokerage Securities Accounts. Additionally, the rates clients receive are tiered based on the total eligible deposits held within their Marketing Relationship or Plan Relationship (each as defined in "*Section IV. UBS Deposit Sweep Programs Interest Rates—Interest Rate Tiers*"). In general, clients with higher total eligible deposits in a Marketing Relationship or a Plan Relationship receive higher interest rates on their balances in the Deposit Accounts than clients with lower total eligible deposits in the same type of relationship.

FDIC Deposit Insurance

Deposit account balances held at each Program Bank are eligible for FDIC insurance up to $250,000 (including principal and accrued interest) per depositor for each ownership category (e.g., individual account, joint account, IRA), based on the aggregate amount of all deposits maintained by the depositor in the same ownership category at the Program Bank, provided that the requirements for deposit insurance have been met.

UBS will sweep free credit balances in each Securities Account as described herein regardless of how many Securities Accounts you hold in the same ownership category. This may cause your balances in the Deposit Accounts at a Program Bank to exceed the FDIC limit. **You are responsible for monitoring the total amount of deposits you have at each Program Bank. Neither UBS nor the Program Banks track your total deposits to determine the extent of FDIC insurance coverage available to you.**

FDIC deposit insurance only covers the failure of an insured bank. UBS Financial Services Inc. is not an FDIC-insured bank.

No SIPC Protection

The Deposit Accounts at the Program Banks are not protected by the Securities Investor Protection Corporation ("**SIPC**").

Financial Benefits to UBS and UBS Bank; Conflicts of Interest

UBS and UBS Bank receive financial benefits in connection with the UBS Deposit Sweep Programs. Your Financial Advisor also receives benefits based on balances in the UBS Deposit Sweep Programs. Please refer to "*Section X. Benefits to UBS and UBS Bank; Financial Advisor Compensation*" for further information.

Alternatives to the UBS Deposit Sweep Programs

If you do not wish to have your free credit balances swept through the UBS Deposit Sweep Programs, you may choose to have those balances remain uninvested in your Securities Account where they will not earn any interest. Please contact your Financial Advisor for details.

You may wish to consider alternatives to the UBS Deposit Sweep Programs for your free credit balances. Such alternatives will require you to direct us to invest your free credit balances, rather than having your free credit balances automatically swept.

Ineligible Accounts

Securities Accounts that are not eligible for the UBS Deposit Sweep Programs include (i) any Securities Account owned by a U.S. Financial institution, (ii) corporate cash management accounts and certain independently advised accounts, (iii) Plans with a pooled plan structure, and (iv) Plans established under Section 403(b)(7) of the Code in the case of both such Plans in (iii) and (iv), accounts opened by participants therein. UBS, at its discretion, will consider a client to be ineligible if, as a matter of law or internal policy, the client is prohibited from holding funds at UBS Bank or maintaining deposits in the UBS Deposit Sweep Programs.

III. Operation of the UBS Deposit Sweep Programs

Establishment of the Deposit Account

In the Deposit Program, UBS will establish a Deposit Account at UBS Bank in the name of UBS Financial Services Inc., as agent and custodian for its clients. In the UBS-ISP, UBS Bank will establish the Deposit Accounts at the Third-Party Program Banks in its name as sub-custodian for UBS acting for its clients.

Each Deposit Account will be a money market deposit account ("**MMDA**") or a demand deposit account as those terms are defined in the Federal Reserve Board's Regulation D. The Deposit Account at UBS Bank will be an MMDA only. There are no limitations on the number of withdrawals from the Deposit Accounts. However, the Program Banks reserve the right to require seven days' prior written notice before permitting a withdrawal of funds from an MMDA.

Although Deposit Accounts are obligations of the Program Banks and not UBS, you will not have a direct relationship with any Program Bank. All deposits and withdrawals will be made by UBS on your behalf or through UBS Bank as sub-custodian for UBS.

You and UBS agree that the Deposit Accounts will be deemed "financial assets" for purposes of Article 8 of the Uniform Commercial Code as adopted by the State of New York.

Deposit Procedures

On each business day, after all debits and charges to your Securities Account have been satisfied, we will sweep free credit balances of $1.00 or more remaining in your Securities Account into a Deposit Account. For a Securities Account that is an IRA or a Plan, the minimum free credit balance for sweep is $0.01. A "**business day**" is Monday through Friday, excluding federal and New York Stock Exchange holidays.

- In the **Deposit Program**, free credit balances in your Securities Account will be swept to a Deposit Account at UBS Bank without limit, which means your balances at UBS Bank may exceed the FDIC insurance limit.
- In the **UBS-ISP**, free credit balances in your Securities Account will be swept to Deposit Accounts at the Program Banks up to $249,000, or $498,000 if your Securities Account is held jointly by two or more owners (each, "**Deposit Limit**"), in the order in which the banks appear on the Priority List for each program. UBS Bank is the first Program Bank on the Priority List for both programs. Once the Deposit Limit has been reached at each Third-Party Program Bank, any excess funds will be swept to UBS Bank without limit. If this occurs, your balances at UBS Bank may exceed the FDIC insurance limit. The current Priority Lists are available at ubs.com/bankprioritylists.

UBS will sweep free credit balances in each Securities Account as described herein, regardless of how many Securities Accounts you hold in the same ownership category or the amount of FDIC insurance available for that ownership category. This may cause your balances in the Deposit Account at a Program Bank to exceed the FDIC limit.

Withdrawal Procedures

UBS, as your agent, will satisfy any debits or charges in your Securities Account by withdrawing funds as set forth in the "General Terms and Conditions" section of the *Agreements and Disclosures* booklet ("**General Terms and Conditions**"), available at ubs.com/accountdisclosures. Debits are amounts due to UBS on the settlement date for securities purchases or other transactions and fees associated with your Securities Account, including margin loans. Charges are amounts due to UBS for payments made by checks, bill payments, electronic funds transfers, debit card purchases, and cash withdrawals.

No debits or charges will be satisfied directly from a Deposit Account. If a withdrawal of funds from a Deposit Account is necessary to satisfy a debit or charge in your Securities Account, the below procedures will apply.

- In the **Deposit Program**, UBS, as your agent, will withdraw funds from the Deposit Account at UBS Bank.
- In the **UBS-ISP**, UBS Bank, as sub-custodian for UBS, will withdraw funds from the Deposit Accounts at the Program Banks, beginning with any balances that exceed the Deposit Limit at UBS Bank. Thereafter, withdrawals will be made from Deposit Accounts at the Program Banks where your funds have been deposited, following the order of lowest to highest priority as listed on the Priority List, until the debit or charge is satisfied.

If there are insufficient funds in the Deposit Accounts at the Program Banks to satisfy your debits and charges, UBS will withdraw funds from other available sources as described in the General Terms and Conditions.

Priority Lists for UBS-ISP

Program Banks appear on the Priority Lists in the order in which the Deposit Accounts will be opened for you, and funds deposited. The Priority Lists are included at the end of this Disclosure Statement, and are also available at ubs.com/bankprioritylists or by contacting your Financial Advisor.

The Priority List applicable to a Securities Account is determined by the address of record for the account. In the **UBS-ISP**, the Priority List is further assigned based on the Securities Account/ownership type, as outlined below:

UBS-ISP Priority List	Account/Ownership Type
Retail Accounts	– Individual – Custodial account – Trust owned by US residents if all beneficiaries are natural persons and/or nonprofit organizations
Business Accounts	– Business entity – Nonprofit organization – Estate – Trust owned by US residents if one or more beneficiaries is a business entity – Trust owned by non-US residents
Retirement Accounts	– Retirement accounts other than Retirement Advisory accounts

You may not change the order of the Program Banks on a Priority List. However, you may at any time designate a Third-Party Program Bank as ineligible to receive your funds. This will result in your funds being deposited into a Deposit Account at the next Program Bank on the Priority List, as amended by you. In addition, you may discontinue the sweep to a Third-Party Program Bank by instructing us to remove your deposits from that bank and to designate it as ineligible to receive future deposits. The funds removed will be deposited at the next available Program Bank on the Priority List. Please contact your Financial Advisor if you wish to take any of these actions.

Please note that a Program Bank on the Priority List may become unable to accept deposits up to the Deposit Limit due to regulatory or other reasons ("**Suspended Bank**"). We will not allocate funds to a Suspended Bank, or we may allocate an amount below the Deposit Limit. This may result in a bank holding a smaller balance than other banks with a lower position on the Priority List. When a Suspended Bank resumes accepting deposits, the excess balances that had previously been swept to other Program Banks may not be reallocated to it.

Changes to the Priority Lists

The Priority Lists are subject to change. We may change the number of Program Banks on a Priority List by adding or removing banks, replacing a Program Bank with a bank not previously included, or re-sequencing the Program Banks. If we change the order, your funds on deposit as of the effective date will be reallocated according to the revised Priority List.

In general, you will receive advance notice of these changes and have the opportunity to designate any new Program Bank as ineligible to receive your deposits after the change takes effect. However, if a change to the Priority List results from a bank becoming a Suspended Bank or from a circumstance beyond our control, UBS may not be able to provide advance notice. You will be notified of the change as soon as practicable. In addition, if a Program Bank that holds your deposit no longer makes the Deposit Accounts available, you will have the opportunity to establish a direct depository relationship with that Program

Bank, subject to its requirements for opening and maintaining deposit accounts. If you choose not to do so, your funds will be withdrawn and transferred to the next available Program Bank on the Priority List. For more information about maintaining a direct depository relationship with a Program Bank, please see "*Section VIII. Your Relationship with UBS and the Program Banks.*"

IV UBS Deposit Sweep Programs Interest Rates

General

UBS does not set the interest rates for the UBS Deposit Sweep Programs. Rates are established by UBS Bank based on various factors, including prevailing economic and business conditions.

All Program Banks pay you the same rate of interest as one another. However, the interest rates on balances in the Deposit Accounts may vary from Program to Program and may differ between advisory and brokerage Securities Accounts. In addition, clients may be eligible for different interest rates based on their interest rate tiers.

UBS Bank may provide different interest rates to select clients of UBS based on the nature and scope of their relationship with UBS and its affiliates.

Interest rates paid on the Deposit Accounts may not represent the highest rates available in the market or be comparable to the prevailing yield on money market mutual funds. Moreover, the interest on the Deposit Accounts may be higher or lower than the interest rates available to depositors who make deposits directly with the Program Banks or other depository institutions offering comparable accounts. **You should compare the terms, interest rates, required minimum amounts, charges, and other features of the Deposit Accounts with other accounts and alternative investments.**

Note: Depending on your specific circumstances, you may choose not to receive interest on balances in the UBS Deposit Sweep Programs. If you opt out of interest, free credit balances will continue to sweep to Program Banks and remain eligible for FDIC insurance up to the applicable limit. However, the Program Banks will not pay interest on your balances, and the portion of interest that would have otherwise been paid to you will be retained by UBS Bank in the UBS-ISP. Please contact your Financial Advisor for more information.

Variable Rates; APY

The Deposit Accounts bear interest at variable rates. This means the interest rates paid by the Program Banks may change at any time, including daily, without prior notice. When the rate is adjusted, the new interest rate will apply to balances effective that day. Rate information will be available the following day at ubs.com/sweepyields, through UBS Online Services, or by contacting your Financial Advisor. For accounts with relationship-based pricing, please refer to your account agreements and statements for your interest rates.

Rates are expressed as annual percentage yield or "APY," which represents the annualized interest rate and includes interest paid on interest you have accrued (called "**compounding**").

Compounding and Crediting

Interest accrues from the business day the funds are received by the Program Banks through the day of withdrawal. Interest is compounded daily. The interest period begins on the first to the last calendar day of the month. Interest will be credited on the last business day of each month and will include amounts accrued through the last calendar day of the month.

- For the **Deposit Program**, interest will be rounded each day to the nearest $0.01. Any fractional interest of less than half a cent will not be accrued.
- For the **UBS-ISP**, the daily accrued interest amounts will be aggregated at the end of the interest period, then rounded to the nearest $0.01. If the total accrued interest is less than half a cent, no interest will be paid.

Interest Rate Tiers

Interest rates on the Deposit Accounts are tiered based on the amount of eligible deposits in related accounts, determined as follows:

- Generally, interest rates are tiered based on total eligible deposits within a "**Marketing Relationship**" as defined in the General Terms and Conditions.
- For Plans, Plan Participants, SEP, and SIMPLE IRAs, interest rates are tiered based on total eligible deposits within a Plan Relationship. A "**Plan Relationship**" consists of Securities Accounts that share the same employer identification number or tax identification number and name as the employer's Plan, including Securities Accounts held by Plan Participants. If your Securities Account is a SEP or SIMPLE IRA and is associated with other Securities Accounts under the same employer's Plan, it will not be linked to the Marketing Relationship that includes your individual Securities Accounts. Instead, eligible deposits in your SEP or SIMPLE IRA will be aggregated with eligible deposits held in the Plan Relationship associated with the Plan. We reserve the right, in our sole discretion, to grant exceptions to our Plan Relationship policies.

"**Eligible deposits**" include certificates of deposit issued by UBS Bank, UBS Cash Reserve deposits, and deposits at Program Banks through the UBS Deposit Sweep Programs. In general, Deposit Accounts associated with a Marketing Relationship or a Plan Relationship that have higher amounts of eligible deposits will receive higher interest rates than those with lower balances.

Your tiered interest rate is determined on the first business day of each calendar week ("**Valuation Date**") based on the total end-of-day eligible deposits in your Marketing Relationship or Plan Relationship. If a change in the amount of your eligible deposits causes you to move from one interest rate tier to another, your balances in the Deposit Accounts will earn interest at the rate for your new tier beginning on the next business day following the Valuation Date ("**Tier Effective Date**").

The current interest rate tiers are as follows:

Interest Rate Tiers
$10 million and more
$4 million to $9,999,999
$2 million to $3,999,999
$500,000 to $1,999,999
$250,000 to $499,999
Less than $250,000

UBS reserves the right to change the interest rate tiers at any time without prior notice, including by applying different tier structures across the UBS Deposit Sweep Programs. Current interest rates and interest rate tiers are available online at ubs.com/sweepyields, through UBS Online Services, or by contacting your Financial Advisor. Clients that are provided with different interest rates based on the nature and scope of their relationship should refer to their account agreements and statements for their interest rates.

Sweep deposits in new Securities Accounts will earn interest at the rate assigned to the $500,000 to $1,999,999 tier. We will adjust the tier based on all your eligible deposits on the next Valuation Date, or earlier if you have a preexisting relationship with UBS. In that case, sweep deposits in your new Securities Account will earn interest at the tiered rate associated with your Marketing Relationship or Plan Relationship, beginning one business day after your Securities Account is opened. If sweep deposits in advisory and brokerage Securities Accounts bear different interest rates, the advisory rate will apply to sweep deposits in newly established advisory Securities Accounts starting one business day after we approve their enrollment in an advisory program. In the interim, those accounts will accrue interest at the brokerage rate.

V. Viewing Information About the Deposit Accounts

Your Securities Account statement will show your activities in the Deposit Accounts, including initial deposits, opening and closing balances, deposits and withdrawals, and interest earned during the applicable statement period. You may also access account and balance information at any time through UBS Online Services. To enroll, please contact your Financial Advisor. UBS Online Services is provided at no additional cost for all Securities Accounts.

VI. Changes to the UBS Deposit Sweep Programs

UBS may modify or terminate the UBS Deposit Sweep Programs at any time in its sole discretion. Modifications may include, but are not limited to, changes to the terms and conditions or the addition or removal of Program Banks. We may also remove your Securities Account and balances from the UBS Sweep Programs or enroll your Securities Account in, and move your balances to, a different UBS Sweep Program if your current Program is terminated, your Securities Account becomes ineligible for it, or we determine that it was assigned incorrectly. Except to correct discrepancies, in circumstances beyond our control, or as otherwise provided in "*Section III. Operation of the UBS Deposit Sweep Programs—Changes to the Priority Lists*," we will notify you in advance of any material changes. Changes to the UBS Deposit Sweep Programs will be effective as described in the notice.

VII. Notices

All notices to you regarding the UBS Deposit Sweep Programs may be provided by letter, through an entry on your Securities Account statement, or by any other method permitted under the General Terms and Conditions.

VIII. Your Relationship with UBS and the Program Banks

Under the UBS Deposit Sweep Programs, UBS or UBS Bank acting as sub-custodian for UBS in the UBS-ISP acts as your agent in establishing Deposit Accounts at the Program Banks and in depositing and withdrawing funds to and from those accounts. As a UBS client, you will not have a direct depository relationship with any of the Program Banks. Information about your Deposit Account may be obtained from UBS and not the Program Banks. The Program Banks have no obligation to accept instructions from you with respect to the Deposit Accounts or provide you with information concerning the Deposit Accounts. Your ownership of the deposited funds will be evidenced by a book entry on UBS's records, maintained in its capacity as your custodian. No passbook, certificate, or other evidence of ownership will be issued to you. As discussed above, your Securities Account statements will reflect the balances in your Deposit Accounts at each Program Bank. You should retain these statements for your records.

The Deposit Accounts at the Program Banks are obligations solely of the respective Program Banks and are not guaranteed, directly or indirectly, by UBS, UBS Bank, or any of their affiliates—except for Deposit Accounts held at UBS Bank, which are obligations of UBS Bank. UBS does not guarantee in any way the financial condition of the Program Banks.

IX. Termination

UBS may, in its sole discretion and without notice, terminate your participation in the UBS Deposit Sweep Programs at any time. Similarly, you may terminate your participation at any time by contacting your Financial Advisor. In either case, you may establish a direct depository relationship with a Program Bank, subject to the bank's requirements for opening and maintaining deposit accounts, by requesting to have the Deposit Accounts established in your name. This will result in the separation of the Deposit Accounts from your Securities Account, and UBS will have no further responsibility with respect to your funds in the Deposit Account at the Program Bank. If you are a Plan Participant, you may not establish a direct depository relationship with a Program Bank unless permitted by the documents governing the Plan.

X. Benefits to UBS and UBS Bank; Financial Advisor Compensation

UBS and UBS Bank are separate but affiliated companies and wholly owned subsidiaries of UBS Group AG. The UBS Deposit Sweep Programs provides financial benefits to both UBS and UBS Bank.

UBS

UBS Bank pays UBS fees of up to $100 per year for each UBS account participating in the UBS Deposit Sweep Programs.

Other than applicable fees and charges imposed by UBS on your Securities Account as described in the "*Fees and Charges*" section of the *Agreements and Disclosures* booklet (e.g., fees for returned checks or stop payments), there is no charge, fee, or commission applied to your Securities Account in connection with the UBS Deposit Sweep Programs.

Free credit balances are not segregated from other cash balances, and UBS may use them in the ordinary course of its business as permitted by applicable law.

UBS Bank

Deposits at UBS Bank provide a stable source of funding that UBS Bank uses to support its lending and investment activities. UBS Bank seeks to earn a profit by achieving a positive "spread," i.e., the difference between (i) the interest it pays on deposits, plus the costs associated with its deposits and (ii) the interest it earns on loans and the return on investments made with deposits not used for lending. As with other depository institutions, UBS Bank's profitability is determined largely by this spread. The bank improves its profitability when it lowers the interest rates paid on its deposits, including those in the Deposit Accounts. UBS Bank has no obligation to pay interest based on its profitability or the income earned on its loans, investments, or other assets.

The UBS-ISP provides additional benefits to UBS Bank. The Third-Party Program Banks pay UBS Bank, in its capacity as sub-custodian for UBS in the UBS-ISP, a fee based on a percentage of the average daily balances in their respective Deposit Accounts. Moreover, UBS Bank's role as sub-custodian enables UBS Bank to receive deposits equal in amount to the deposits that UBS clients

place with Third-Party Program Banks through the UBS-ISP on any given day. This "reciprocal" arrangement provides certain regulatory benefits to UBS Bank that may reduce the cost of deposits and increase its overall profitability.

Financial Advisors
Your Financial Advisor does not receive a portion of the revenue sharing payments or the fees received from the Program Banks for the Deposit Accounts.

Financial Advisors receive a monthly production credit of 5 basis points on all eligible average daily cash balances in sweep programs and money market funds and 10 basis points on all eligible average daily cash balances in UBS Cash Reserve. The production credits are eligible for the Incentive Rate and a Production Payout rate treatment. Only balances in brokerage accounts will be aggregated towards determining the cash balance. Advisory accounts are ineligible.

XI. FDIC Insurance

Deposit account balances held at each Program Bank are eligible for insurance by the FDIC, an independent agency of the US government, up to a maximum amount of $250,000 (including principal and accrued interest) per depositor when aggregated with all other deposits held by the depositor in the same ownership category at the Program Bank. Examples of ownership categories include individual, joint, retirement, business, and trust accounts.

FDIC insurance protects funds that have been deposited at the Program Banks, provided that the requirements for deposit insurance have been met. Any deposits (including certificates of deposit) that you maintain directly with a Program Bank, or through an intermediary (such as UBS or another broker-dealer), in the same ownership category, will be aggregated with the Deposit Accounts at that Program Bank for purposes of calculating the maximum insurance amount. **You are responsible for monitoring the total amount of deposits that you have with each Program Bank in order to determine the extent of deposit insurance coverage available to you. UBS is not responsible for any insured or uninsured portion of a Deposit Account.**

In the event that federal deposit insurance payments become necessary, you will be insured on principal plus unpaid and accrued interest up to, and including, the day the Program Bank fails. There is no specific time period during which the FDIC must make insurance payments available, and UBS will not advance you funds prior to an FDIC insurance payment. Furthermore, you may be required to provide certain documentation to the FDIC and UBS before insurance payments are made. For example, if you hold deposits as a trustee for the benefit of trust participants, you may be required to furnish affidavits and provide indemnities regarding an insurance payment.

If you become the owner of deposits at a Program Bank after another depositor dies as a result of a survivorship feature of the Securities Account, such as a joint account or "payable on death" account, the FDIC provides a six-month grace period after the death of the other depositor during which time your deposits are eligible for the pre-death coverage. This allows you to restructure your deposits in order to obtain the maximum amount of deposit insurance for which you are eligible.

If deposits in your Deposit Accounts or other deposits at a Program Bank are assumed by another depository institution as a result of a merger or acquisition, such deposits will continue to be separately insured from deposits that you might have established with the acquirer until (i) the maturity date of any time deposits that were assumed, or (ii) with respect to deposits that are not time deposits, the expiration of a six-month period from the date of the acquisition. Thereafter, any assumed deposits will be aggregated with your existing deposits with the acquirer held in the same ownership category for purposes of federal deposit insurance. Any deposit account opened at the acquirer after the acquisition will be aggregated with deposits established with the acquirer for purposes of federal deposit insurance.

For Plans and Plan Participants, deposit insurance coverage is based on each participant's non-contingent interest in the Plan. In addition, for the purposes of FDIC insurance coverage, deposits of Plan Participants in certain Plans will be aggregated with deposits of the Plan Participant held in an IRA and other self-directed retirement accounts. FDIC deposit insurance only covers the failure of an insured bank. UBS Financial Services Inc. is not an FDIC-insured bank.

Questions about FDIC Deposit Insurance Coverage
If you have questions about basic FDIC insurance coverage, please contact your Financial Advisor. You may wish to seek advice from your own attorney concerning FDIC insurance coverage of deposits held in more than one ownership category. You may also obtain information by contacting the FDIC, Division of Supervision and Consumer Protection:

XII. SIPC Protection

UBS is a member of SIPC, which provides protection for your Securities Accounts at UBS up to $500,000, including $250,000 for free credit balances, in the unlikely event that UBS fails financially. SIPC asset protection limits apply, in the aggregate, to all Securities Accounts that you hold in a particular legal capacity.

Funds on deposit in the Deposits Accounts at the Program Banks are not protected by SIPC.

XIII. Alternatives to the UBS Deposit Sweep Programs

If you choose not to participate in the UBS Deposit Sweep Programs, you may opt out by contacting your Financial Advisor. If you opt out or if your Securities Account is removed from, or ineligible for, the UBS Sweep Programs, your free credit balances will remain in your Securities Account without earning interest and without the benefit of FDIC insurance coverage.

Please note that UBS offers a number of investment products that you may consider as alternatives to maintaining cash deposits at the Program Banks. Consider your investment objectives, liquidity needs, and risk tolerance when you review these alternatives. Some of these alternatives may pay interest or dividends that is higher than the rate you receive on the Deposit Accounts, while others may not. Investment alternatives, such as money market funds, are not deposits, are not FDIC-insured, are not guaranteed by a bank, and may lose value.

Securities Accounts that are not eligible for the UBS Deposit Sweep Programs may have available cash balances automatically swept to the UBS Money Market Fund Sweep Programs, if eligible.

I understand that after my account is opened, the terms of my account are subject to change as provided in the Cardmember Agreement.

About your application and this offer: Credit cards are issued by UBS Bank (referred to as Bank, or "we," "us," and "our"). Depending on our review of your application and your credit history, or if the income you report is insufficient based on your current obligations, we may be unable to open an account for you. You also understand that if your application is approved for an account, the APR and the type of account that you receive may be determined based on your creditworthiness. Please review the materials provided with your Cardmember Agreement for more details. Omission of any information requested on this application may result in a denial of credit. This offer is available only to applicants who are permanent residents of the 50 United States, the District of Columbia and US Territories and eligible non-resident clients.

Changes to account and benefits terms: We reserve the right to change the APR and other account terms in accordance with the Cardmember Agreement, Utah law and the Federal Truth in Lending Act. We also reserve the right to change the benefits and features associated with the card or the account.

About your credit report, your credit performance, and your credit information: You agree that we have the right to obtain a current credit report in connection with our review of your application and, subsequently, in connection with a requested charge to any account with us, the renewal, review or collection of your account, a change in your credit line and to enable us and our affiliates to provide additional products or services that may be of interest to you. We have the right to report to others our experience with you without disclosing your credit eligibility information. Upon your request, we will tell you the name and address of each consumer reporting agency from which we obtained a consumer report about you. After your account is opened, we will periodically review your credit performance.

If you are a client of UBS Financial Services Inc. (UBS FSI), you further agree that UBS FSI may share credit eligibility and other related information with the Bank in connection with our review of your application.

How the variable APRs on your account will be determined: The APRs on your account will be determined each billing cycle by adding a margin to the Prime Rate (which will be the highest rate published in the Money Rates column of The Wall Street Journal on the last business day of each month). See your Cardmember Agreement for more detail. The APRs noted above are current as of October 2026 using a Prime Rate of 7.00%. To find out what may have changed please call 800-762-1000.

Important information about procedures for opening a new account: To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account. What this means to you: When you apply for an account, we may ask for your name, street address, date of birth, social security number, and other information that will allow us to identify you. We may also ask to see copies of identifying documents.

Non-US resident credit card customers: If you are a Non-US resident credit card customer, you are required to have and maintain, individually or together with any person or entity in your UBS-FSI household relationship, a total of at least two million ($2,000,000.00) in assets under management at UBS-FSI including unencumbered assets in your UBS-FSI Account in such amount as determined by us from time to time. In the event you, individually or together with any person or entity, fail to maintain at least two million ($2,000,000.00) in total assets under management in your UBS-FSI household relationship (including the required unencumbered assets in your UBS-FSI Account) we retain the right to reduce your credit line or close your credit card Account and you will be responsible to immediately repay the entire amount you owe us.

Notice to married Wisconsin residents: No provision of any marital property agreement, unilateral statement under Section 766.59 of the Wisconsin statutes, or court order under Section 766.70 adversely affects the interest of the Bank, unless the Bank, prior to the time the credit is granted or an open-end credit plan is entered into, is furnished a copy of the Agreement, Statement or Decree, or has actual knowledge of the adverse provision. **If I am a married Wisconsin resident, credit extended under this account will be incurred in the interest of my marriage or family.**

Balance transfers. Here's how it works: To request a balance transfer please enter the 15 or 16 digit account number from the MasterCard®, Visa, American Express®, or Discover card account that you want us to process a balance transfer to. Upon approval of your application we will provide you with your Cardmember Agreement and to the extent permitted by your credit line we will process the requested balance transfer payment to the credit card account(s) which you have requested. If the total amount you request exceeds the assigned credit line on this account, we may either decline the request or send a partial payment to your creditor(s) in the order you provided them to us. The amount of available credit on this account will be reduced by the amount of the balance transfer and the related balance transfer fees. We reserve the right to decline to process any requested balance transfer. We will not process a request to transfer a balance from any other account you may have with us. Balance transfers incur interest from the transaction date and they do not have the same dispute rights as transactions conducted with a credit card.

A balance transfer may take up to four weeks to post to your other credit card accounts. Continue to pay each creditor until the balance transfer appears on the other account as a credit. If you would like to complete a balance transfer from another account that is not a Visa, MasterCard, American Express, or Discover card, please call the phone number on the back of your new credit card once you are approved.

Automatic re-payment of Cash Advances through CashConnect: The *CashConnect* feature on your UBS credit card Account will automatically repay new Cash Advances obtained from ATMs and financial institutions (*CashConnect* Cash Advances), each night, with available funds (up to your Withdrawal Limit, as defined in the Agreements and Disclosures document found at ubs.com/disclosuredocuments) from your UBS Resource Management Account (RMA) (referred to as UBS-FSI Account). The *CashConnect* feature does not repay Cash Equivalent transactions. The *CashConnect* feature is available only for cardholders who have the UBS credit card connected to a UBS-FSI Account. You will incur no interest charges on *CashConnect* Cash Advances, as long as there are sufficient available funds (up to your Withdrawal Limit) in your UBS-FSI Account to repay your *CashConnect* Cash Advance transaction in full when we first seek payment from your UBS-FSI Account. If sufficient available funds (up to your Withdrawal Limit) are not available in your UBS-FSI Account to pay off the *CashConnect* Cash Advances balance in full, then the APR on Cash Advances (as listed in the Account Summary Table) will apply as of the original transaction date on any remaining balance. You will be charged the APR on Cash Advances on your remaining *CashConnect* Cash Advance balance until it is repaid in full. Applicable ATM surcharge fees may apply. No other Account balances are paid through the *CashConnect* feature. If you have a UBS-FSI Account and choose not to participate in the *CashConnect* feature, please contact UBS Financial Services Inc. at 800-762-1000.

If any of such taxes or charges are paid by us, you will reimburse us on demand for the payments, together with all interest and penalties that may be imposed by any governmental agency. How the variable APRs on your account will be determined:
The APRs on your account will be determined each billing cycle by adding a margin to the Prime Rate (which will be the highest rate published in the Money Rates column of The Wall Street Journal on the last business day of each month). See your Cardmember Agreement for more detail. The APRs noted above are current as of October 2026 using a Prime Rate of 7.00%. To find out what may have changed please call 800-762-1000.

Important information about procedures for opening a new account:
To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account. What this means to you: When you apply for an account, we will ask for your name, street address, date of birth, social security number, and other information that will allow us to identify you. We may also ask to see copies of identifying documents.

Balance transfers. Here's how it works: To request a balance transfer please enter the 15 or 16 digit account number from the MasterCard®, Visa, American Express®, or Discover Card account that you want us to process a balance transfer to. Upon approval of your application we will provide you with your Cardmember Agreement and to the extent permitted by your credit line we will process the requested balance transfer payment to the business credit card account(s) which you have requested. If the total amount you request exceeds the assigned credit line on this account, we may either decline the request or send a partial payment to your creditor(s) in the order you provided them to us. The amount of available credit on this account will be reduced by the amount of the balance transfer and the related balance transfer fees. We reserve the right to decline to process any requested balance transfer. We will not process a request to transfer a balance from any other account you may have with us. Balance transfers incur interest from the transaction date and they do not have the same dispute rights as transactions conducted with a business credit card.

A balance transfer may take up to four weeks to post to your other credit card accounts. Continue to pay each creditor until the balance transfer appears on the other account as a credit. If you would like to complete a balance transfer from another account that is not a Visa, MasterCard, American Express, or Discover card, please call the phone number on the back of your new business credit card once you are approved.

Automatic re-payment of Cash Advances through CashConnect:
The *CashConnect* feature on your UBS credit card Account will automatically repay new Cash Advances obtained from ATMs and financial institutions (*CashConnect* Cash Advances), each night, with available funds (up to your Withdrawal Limit, as defined in the Agreements and Disclosures document found at ubs.com/disclosuredocuments) from your UBS Business Services Account BSA (referred to as UBS-FSI Account). The *CashConnect* feature does not repay Cash Equivalent transactions. The *CashConnect* feature is available only for cardholders who have the UBS credit card connected to a Business Services Account BSA. You will incur no interest charges on *CashConnect* Cash Advances, as long as there are sufficient available funds (up to your Withdrawal Limit) in your UBS-FSI Account to repay your *CashConnect* Cash Advance transaction in full when we first seek payment from your UBS-FSI Account. If sufficient available funds (up to your Withdrawal Limit) are not available in your UBS-FSI Account to pay off the *CashConnect* Cash Advances balance in full, then the APR on Cash Advances (as listed in the Account Summary Table) will apply as of the original transaction date on any remaining balance. You will be charged the APR on Cash Advances on your remaining *CashConnect* Cash Advance balance until it is repaid in full. Applicable ATM surcharge fees may apply. No other Account balances are paid through the *CashConnect* feature. If you have a UBS-FSI Account and choose not to participate in the *CashConnect* feature, please contact UBS Financial Services Inc. at 800-762-1000.

What is considered a Cash Advance
