- ¹ The 2% cash back on the first \$100,000 in eligible purchases per year is based on the card account anniversary date.
- ² Run custom reports on demand or on a schedule is only available on desktop platform.
- ³ There must be sufficient funds to repay the cash advance that night or you will incur applicable cash advance fees and interest charges. The automatic transfers used to pay off your *CashConnect* cash advances will reduce the available funds in your UBS Business Services Account BSA that is linked to your UBS credit card and as a result could affect other transactions dependent on cash, such as fee payments, investment purchases, online bill pay, debit card usage and outstanding checks. Please make sure that you have sufficient available funds in your UBS account linked to your UBS credit card to cover these items, as well as the *CashConnect* cash advance. The *CashConnect* feature is available only for cardholders who have the UBS credit card linked to a UBS Business Services Account BSA.
- ⁴ We are able to rebate ATM fees only in cases where the transaction fee surcharge is submitted to UBS by the ATM operator and/or network used. In the event that you do not receive a rebate for a fee that you believe is eligible, please call 833-709-1790 or 201-352-5257 for assistance. ATM rebates are only available for cardholders who have the UBS credit card linked to a UBS Business Services Account BSA. We do not reimburse international ATM fees.
- ⁵ Discounts provided as credits on future account statements.
- ⁶ Visa SavingsEdge is a discount program offered by Visa USA, Inc. to eligible businesses and their authorized cardholders that hold an eligible Visa Business card and whose enrollment in the program is accepted by Visa. Under the program, cardholders can receive discounts from participating merchants each time the cardholder uses an enrolled Visa Business card to make qualifying purchases of goods or services pursuant to an active discount offered by the merchant and that transaction is processed or submitted through the Visa payment system (a "Qualifying Purchase"). Visa may modify, restrict, limit or change the program in any way and at any time. Visa reserves the right at any time to cancel the program. Visa also reserves the right to suspend or cancel any cardholder's participation in the program. Enrolled cardholders will only receive discounts for qualifying purchases that are in full compliance with the terms of the applicable discount offer. Discount offers may be subject to additional terms and conditions. Discount offers may be removed from the program at any time and are subject to availability. Discount offers are also subject to any applicable law or regulation that may restrict or prohibit certain sales. Discounts will not appear on a cardholder's receipt at the point of sale. Discounts are provided in the form of credits posted to the cardholder's applicable Visa Business card account. Please visit visasavingsedge.com for complete details on the program, including the program terms and conditions.
- ⁷ Cardholder must take care in protecting their card and notify UBS Bank USA immediately of any unauthorized use. Conditions may apply. Please see your cardmember agreement for details.
- ⁸ While Dovly's platform is designed to remove inaccuracies from your credit report, every case is different, and not everyone will achieve the same results.
- ⁹ To receive the \$150 bonus cash rewards offer, you must make \$5,000 in eligible purchases on your UBS Cash Rewards Visa Business card within the first three months from card account approval. Your period to spend the total \$5,000 may be shorter than three months, if there is a delay in receiving your card. Also, purchases may fall outside the 3-month period in some cases, such as a delay in merchants submitting transactions to us or if the purchase date differs from the date you made the transaction. (For example, if you buy goods online, the purchase date may be the date the goods are shipped.) Eligible purchases do NOT include fees of any kind, including annual fee, interest charges, unauthorized or fraudulent charges, balance transfers, cash advances, travelers checks, foreign currency, money orders, wire transfers or similar cash-like transactions, lottery tickets, casino gaming chips, race track wagers or similar betting transactions, or any checks that access your account. There is only one bonus awarded per card account, regardless of the number of cardholders on that card account. All cardholder spend counts towards the spend requirements. This offer cannot be combined with any other promotional acquisition offers. This bonus offer is not available to either current or previous UBS credit cardmembers. If you receive and apply for this offer but do not satisfy the requirements, you will not receive any new account bonus. This promotional offer is only available for clients who have a UBS account at the time of credit card application. All applications subject to credit approval. To be eligible for this bonus offer, account must be open and not in default at the time of fulfillment. \$150 cash rewards will be credited to your account as soon as your spend reaches \$5,000 in posted transactions. Cash rewards can be redeemed in increments of \$25 as long as your available rewards balance exceeds \$100 and, as long as your card account stays open and in good standing.
- ¹⁰ If you voluntarily close your card account, or if UBS Bank USA closes your card account due to inactivity, and your card account is in good standing, you will be allowed 90 days following the effective date of termination of the UBS card account to redeem the outstanding Cash Rewards balance. In the event UBS Bank USA closes your card account for any reason other than inactivity, your remaining Cash Rewards balance will be immediately forfeited.
- ¹¹ For statement credit, the item or items you purchase must add up to \$100 or more before redeeming.
