Enroll in electronic funds transfer and link external accounts on UBS Online Services

Put your money to work where you need it. With our convenient online Electronic Funds Transfer (EFT) service enrollment and account linking, you will be able to transfer funds to and from accounts you own at other financial institutions within a matter of minutes. You have two options to get started:

## Option 1

### **Instant account verification**

Enter the login credentials at your financial institution and your external account will be linked to your UBS Resource Management Account<sup>1</sup> once we validate ownership of the external account—all in a matter of minutes. [View the step-by-step video tutorial](#) or review the written instructions below.

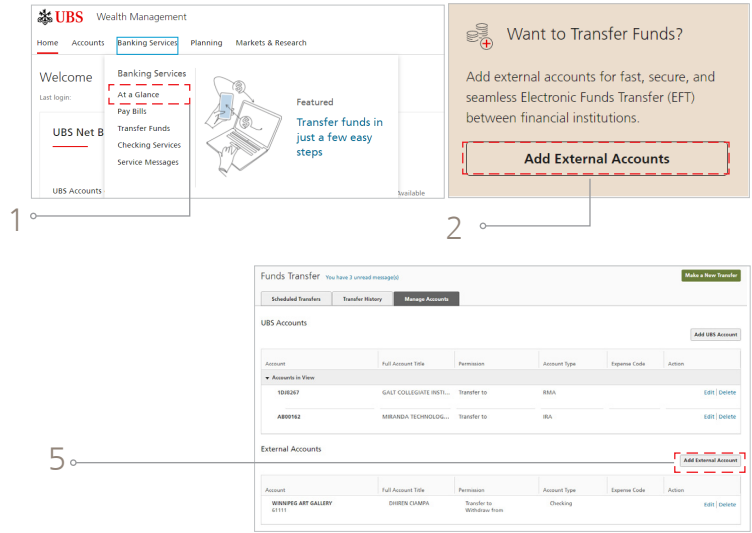

## Option 2

### **Manual account verification**

Enter your external account number and your external account will be linked to your UBS Resource Management Account<sup>1</sup> once we validate ownership of the external account with two small deposits and a withdrawal to the external account. It may take 2 – 3 business days for the deposits and withdrawal to appear. [View the step-by-step video tutorial](#) or review the written instructions below.

## Step 1: Login to UBS Online Services (OLS)

1. Login to OLS > Banking Services > [At a Glance](#).
2. Go to Want to Transfer Funds? and select **Add External Account**.
3. Select **Getting Started**.
4. Review and acknowledge Terms and Conditions and select **Accept**.
5. Or Login to OLS > Banking Services > Transfer Funds and navigate to the Manage Accounts tab and select **Add External Account**.
6. Select **Get Started**.
7. Review and acknowledge Terms and Conditions and select **Accept**.

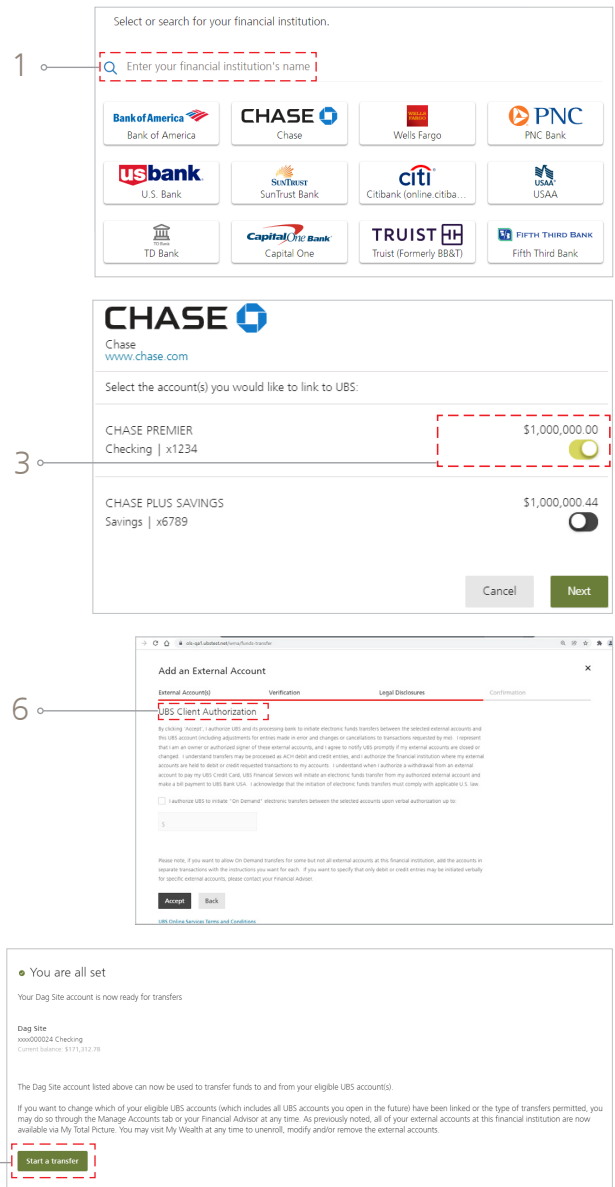

**Note:** If you don't have any accounts enrolled in EFT, once you [log in to UBS Online Services](#) select the gear icon on the top right hand side of the screen, navigate to Service and Features and select Payments and Transfers to enroll. Once you have enrolled, please proceed with Option 1 or Option 2 in Step 2. To request or reset a PIN, call UBS Client Services at 800-762-1000 and begin transacting immediately.

## Step 2: Enroll in EFT and link external accounts

### Option 1: Instant account verification

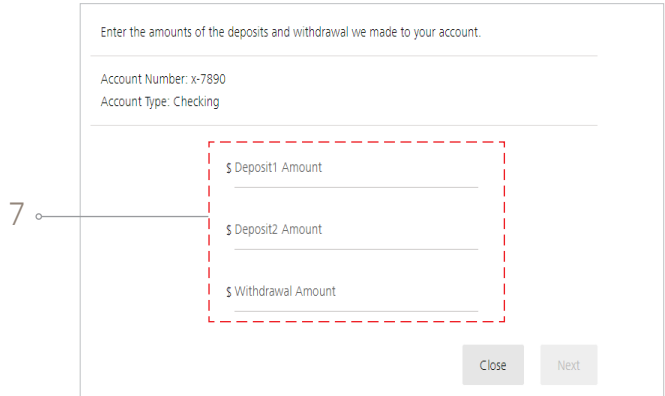

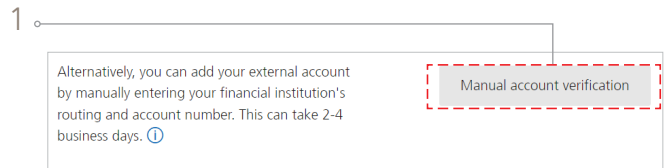

1. Select or search for an external financial institution.
2. Enter the **Username** and **Password** for the financial institution you selected and select **Next**.\*
3. Select the external account to be linked by selecting the **toggle button** on the screen and select **Next**.
4. Select Next once you see a screen with **Your account(s) have been successfully verified**.
5. Review and acknowledge all Terms and Conditions then select **Accept**.
6. **Client authorization:** Request electronic transfers between the selected accounts with verbal authorization up to a maximum threshold that you designate.
7. **You are all set.** Your account(s) has been linked and you can now transfer funds by selecting **Start a transfer**.

\* Your external financial institution may require additional authentication.

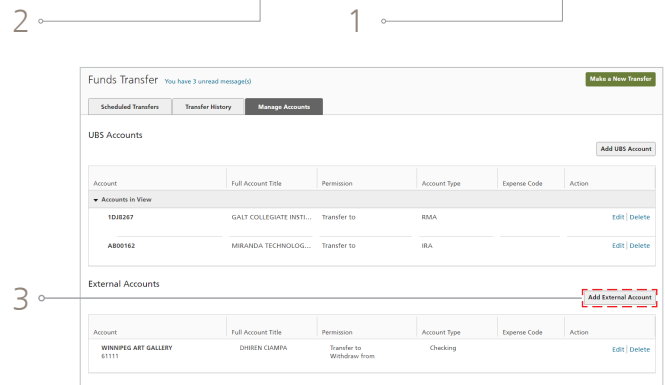

## Option 2: Manual account verification

1. Select **Manual account verification**.
2. Enter the **account number, routing number, and account type** and select **Next**.
3. We will send two deposits and a withdrawal to your financial institution. It will take 2 – 3 business days to post to your account.
4. When the funds have been received and withdrawn from the external financial institution, you will see a message on OLS > Banking Services > At a glance, "Verify the Temporary Deposits." Select **Complete the verification process**.
5. Select the account you would like to verify.
6. **Client authorization:** Check the box to request electronic transfers between the selected accounts with verbal authorization up to a maximum threshold that you designate and select **Accept**.
